"The Year Of The Lanyard"

-Kaley El-Arab

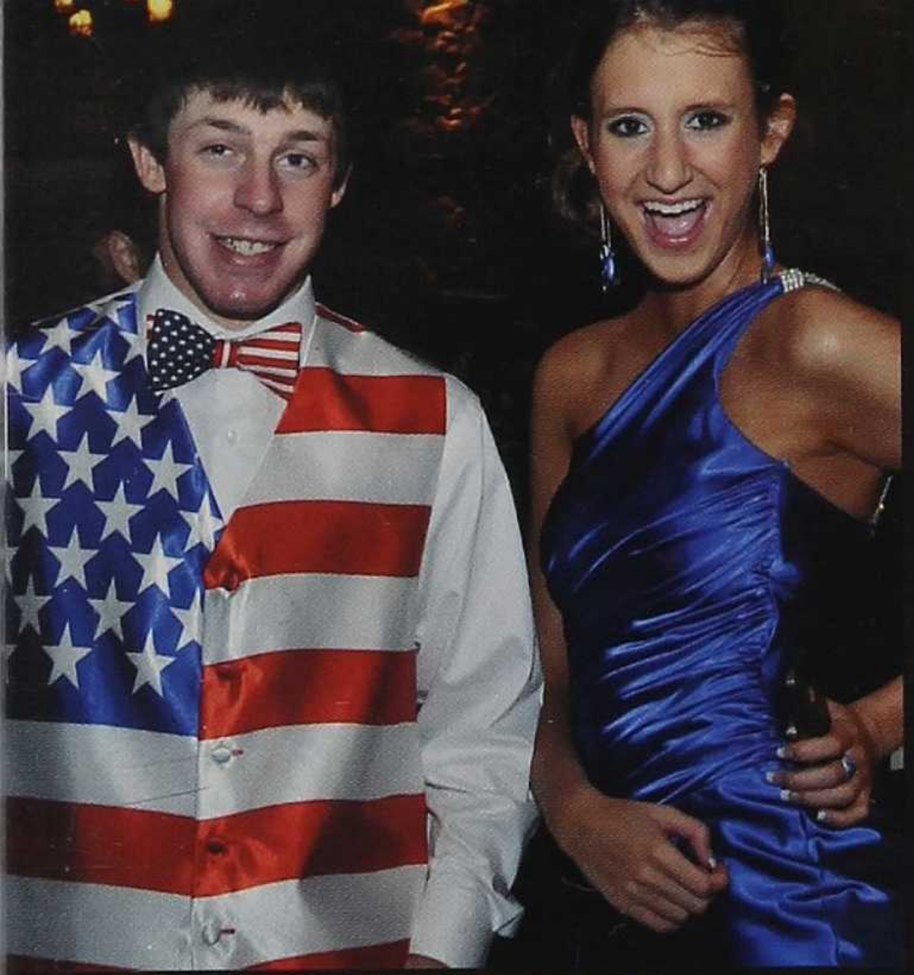
WE ARE KENNEDALE

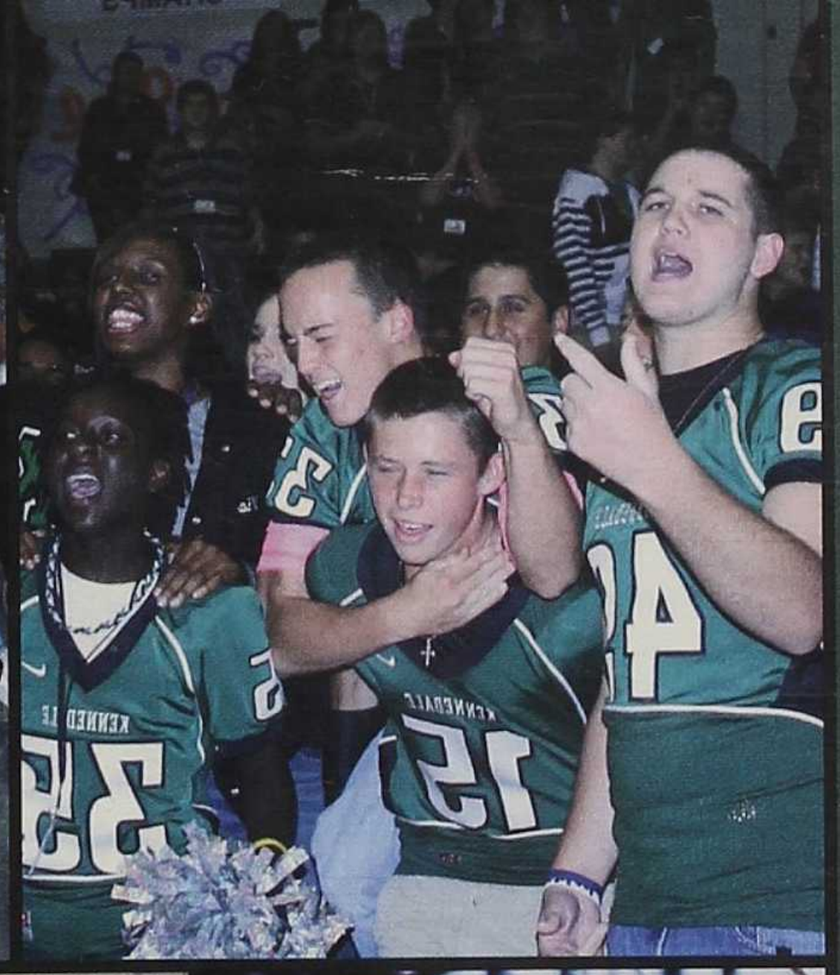
Sports unite us as we proudly cheer on our players
Clubs unite us as we learn and help the community
History of Kennedale has united us into a family
Our mascots united us by bringing spirit at games
Our school has united us as we go through school together
Lunch unites us as we socialize with students we care about

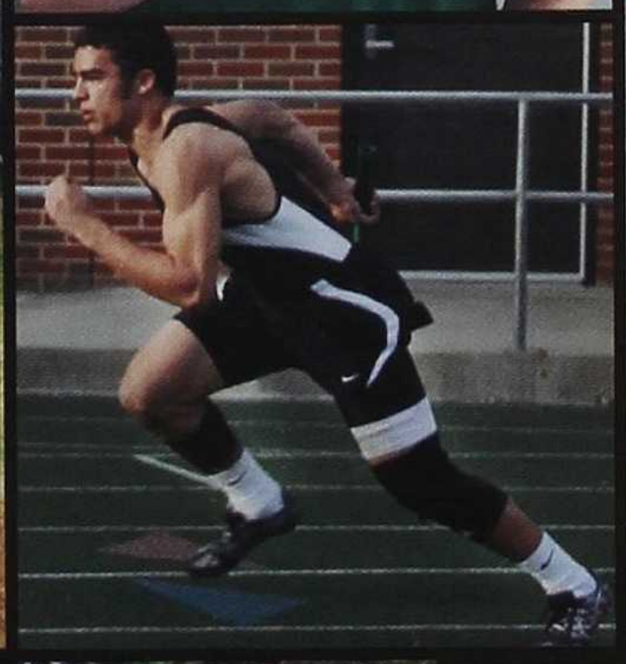
Students unite us as we proceed though the year
Parents unite us as they support the school
I help unite Kennedale with my time, patience and dedication
Ballies unite classes as we cheer for the spirit stick
I help unite us as I support and cheer on our athletes
Teachers unite us as they pour their words of wisdom into us

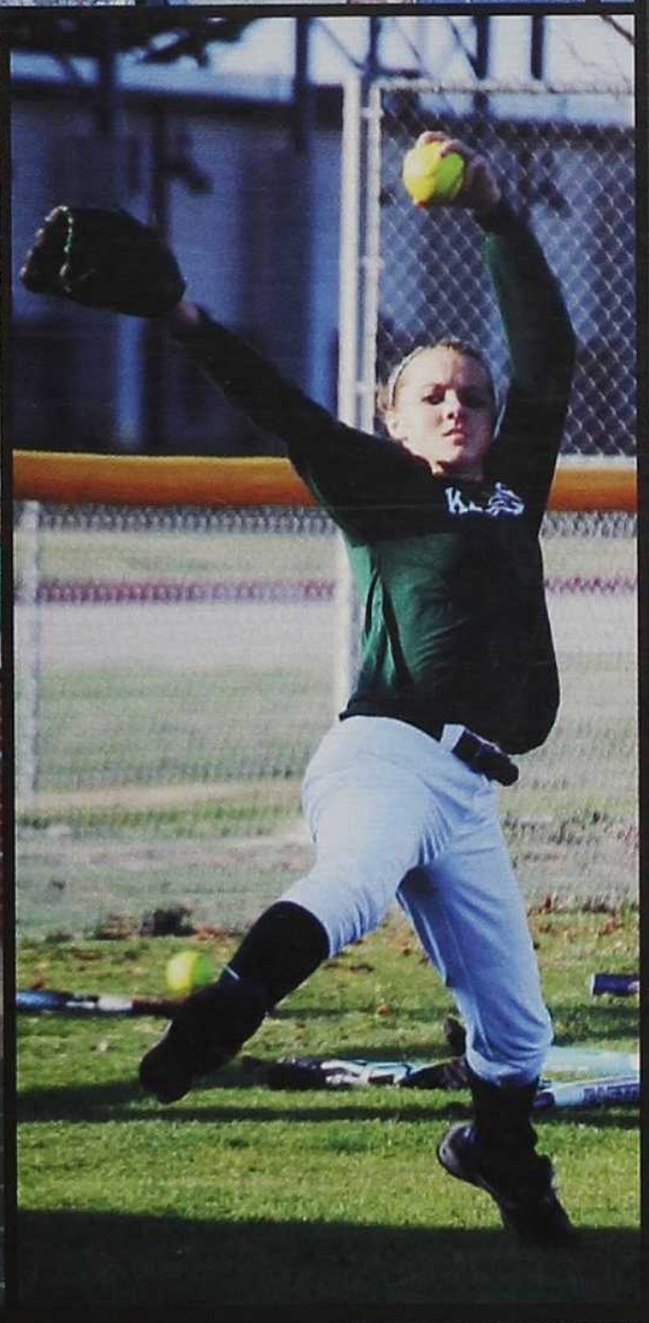
We are Students. We are United. We are Kennedale.

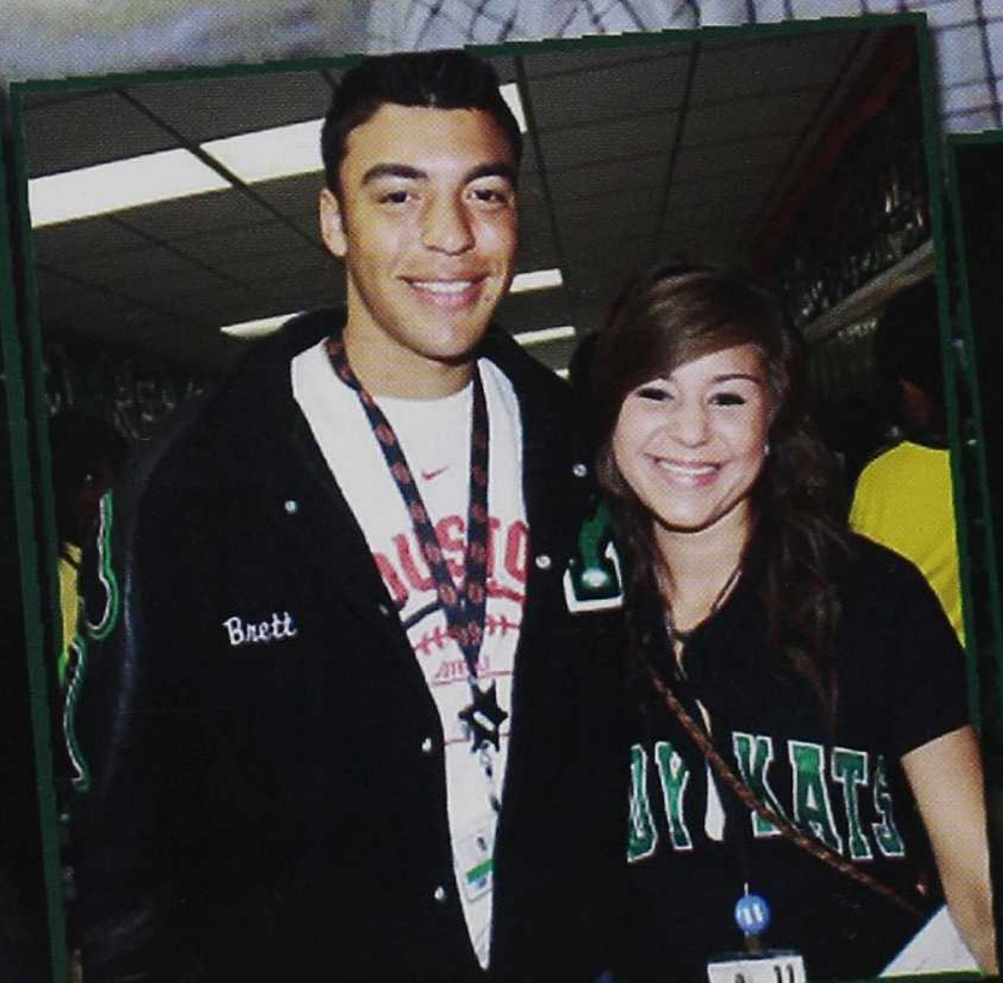
WE SURVIVED!!!!!

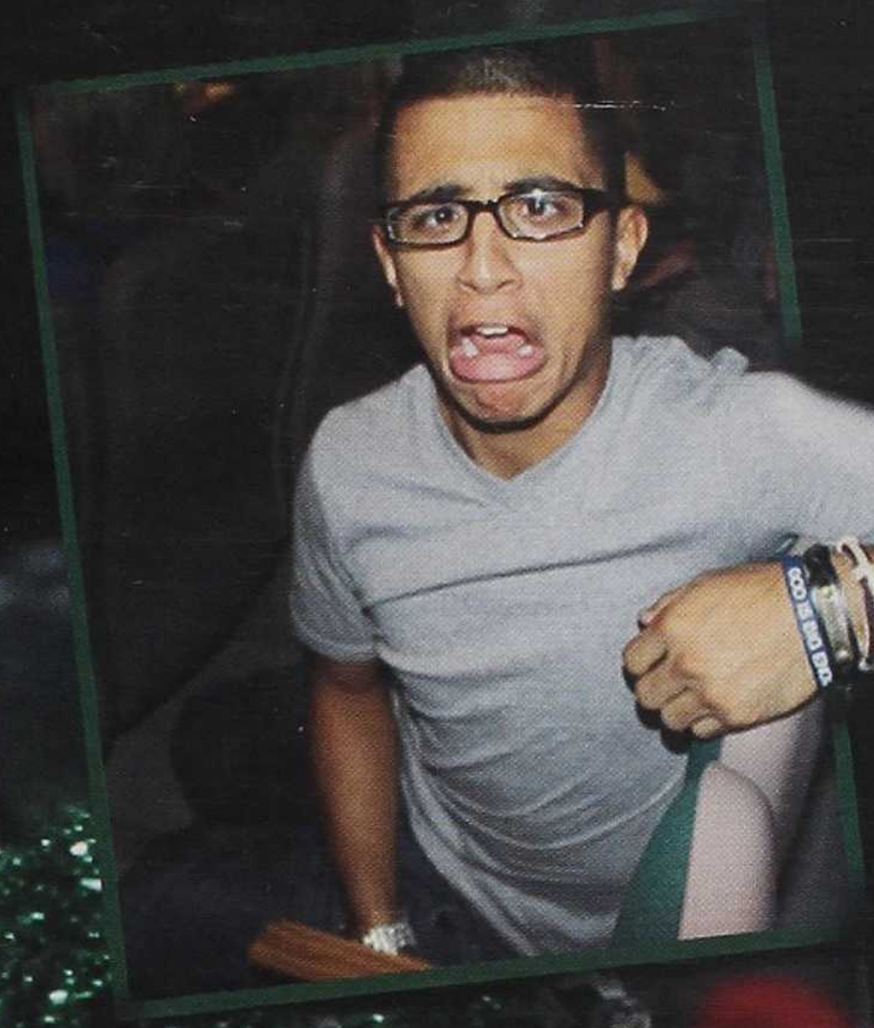






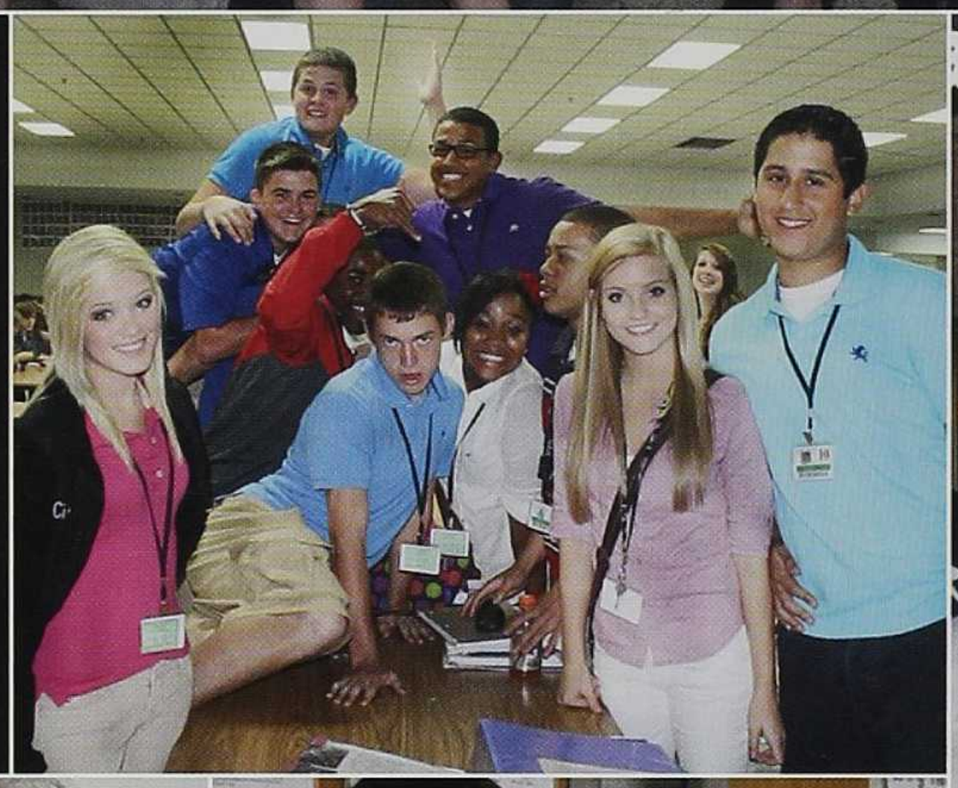






WE ARE DIVERSE

School spirit in Kennedale isn't just about the pep rallies and going to the sporting events. It's about coming together as a school and community to make the school a better place. Kennedale has a family bond that creates the enthusiastic and entertaining environment. Being a Wildcat has a definition of support and a foundation of being loyal to the school we all love. It's always great to be a Wildcat each and every day. In Kennedale we have great school spirit. We embrace the school and everything about it.



SCHOOL SPIRIT

Homecoming Week 2011 was fun and spunky! Nearly everyone participated and came up with some really creative costumes. The week started with Sports Team Day, followed by Decade Day and Character Day. Class Color Day ended this special week where many students wore their assigned class color from head to toe! During the pep rally, the varsity football players and cheerleaders entertained everyone with an eyecatching dance, the band kept the beats going and the drill team thrilled the crowd. For Homecoming 2011, we played hard and showed tons of spirit. Go Wildcats!

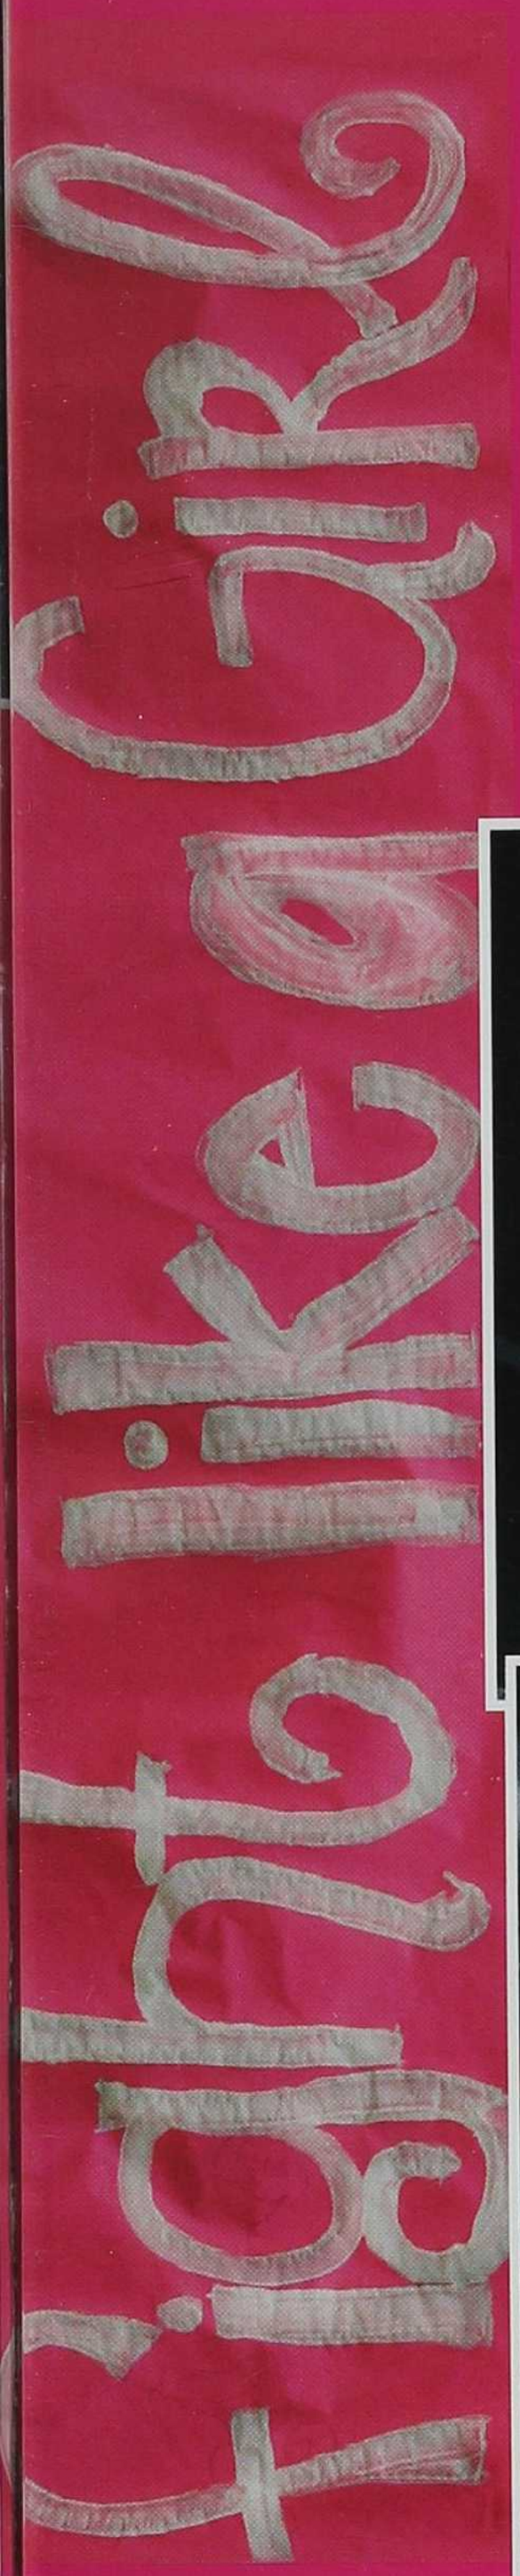
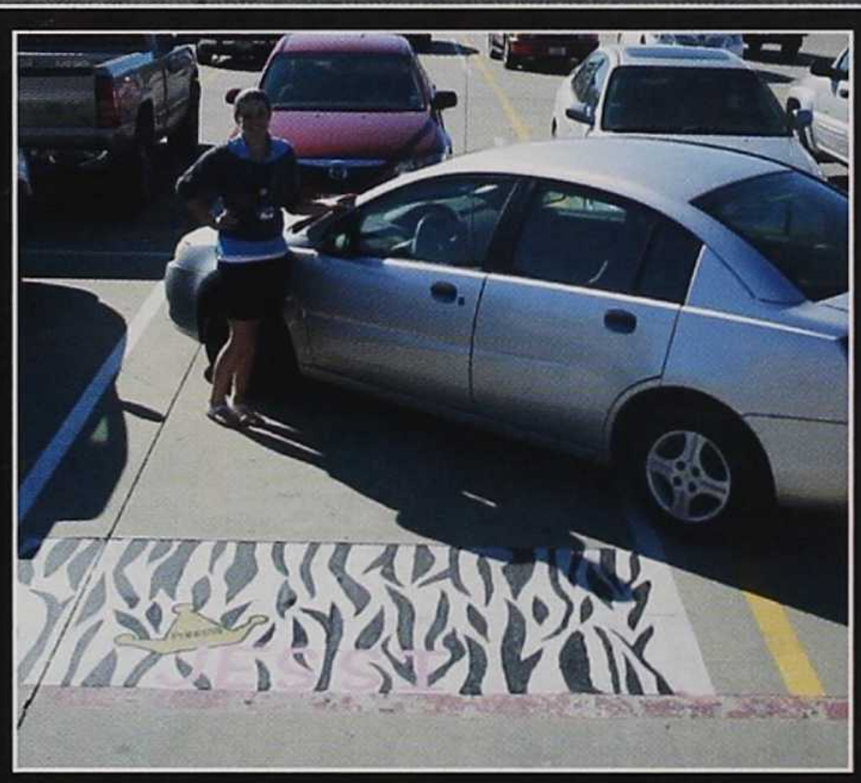
Wildcats brought out the pink boxing gloves for Pink Out 2011. With the theme "We Fight Like Girls", the LadyKat volleyball team hosted the annual event weekend in order to continue to raise breast cancer awareness among the student body and community. Beautifully photographed posters of the volleyball team and their cancer survivor relatives decked the hallways and local businesses.

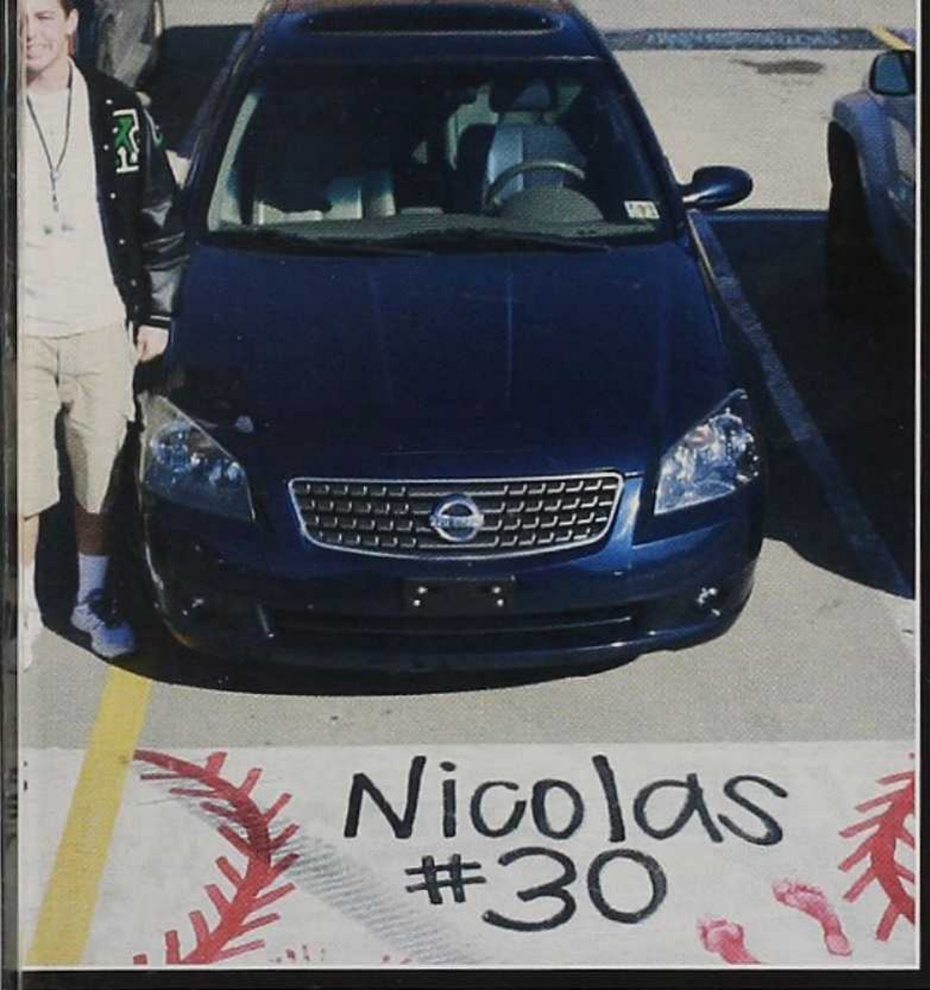
These posters and t-shirts displaying the theme were sold to help with the cause. Profits from the sales were donated to the Bradie James' Foundation 56, a breast cancer outreach program. The student body, football team, band, drill team, cheerleaders and community showed support by wearing pink during both the volleyball and football games. A big win by both teams…hundreds of dollars raised for cancer research…Kennedale really does know how to play a game with a fight!

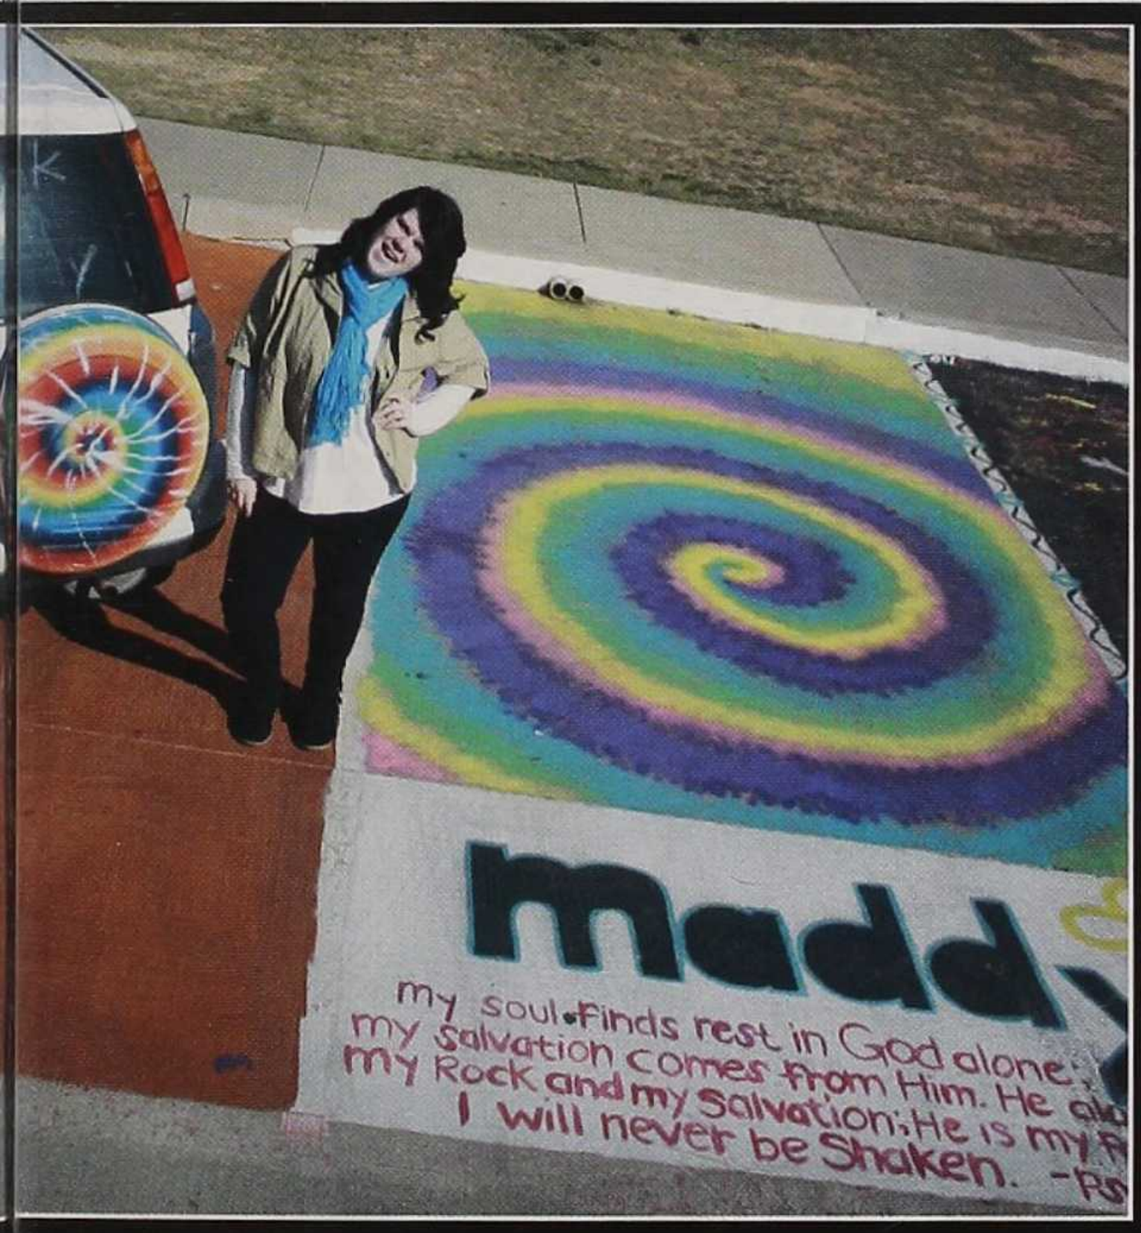


A game with a FIGHT!

A new tradition was introduced this year for students who drive to school: personalized parking spaces with a creative twist. Students were allowed to paint their own spaces with a theme of their choice, which not only made our parking lot very colorful but it also brought uniqueness to our school. This gave students a chance to express themselves through art in a new and different way.







Maddy

I will never be Shaken. -Ps

WHERE DO YOU PARK YOUR CAR?

We had so many really neat jobs this year that it was hard to pick our favorites. Razzoo's...Hollister...Alpine Shooting Range...Pump It Up and more! Working with friends, like the big crew at The Movie Tavern, makes the job better and you get paid for it; and who doesn't like getting money? These busy people can do it all. Now, if they're not working or at school or doing homework or sleeping, they can afford to go to movies or concerts, go on dates, and maybe even have money left over for off campus lunch!

A Passion for Fashion

Cole Ward & Kendel Capshaw

Senior Lance Heilig has shined in many ways during his years at Kennedale High School. This year, he was awarded "Best Overall Style" in the whole school. He is definitely a fashion icon at Kennedale. Always in dress code, he still finds a way to let his style show up and show out.

Junior SaTerrius Willis was chosen out of the KHS student body as "Most Likely to Become a Fashion Designer." He has found a way to show his own unique style on a daily basis while still staying in dress code.

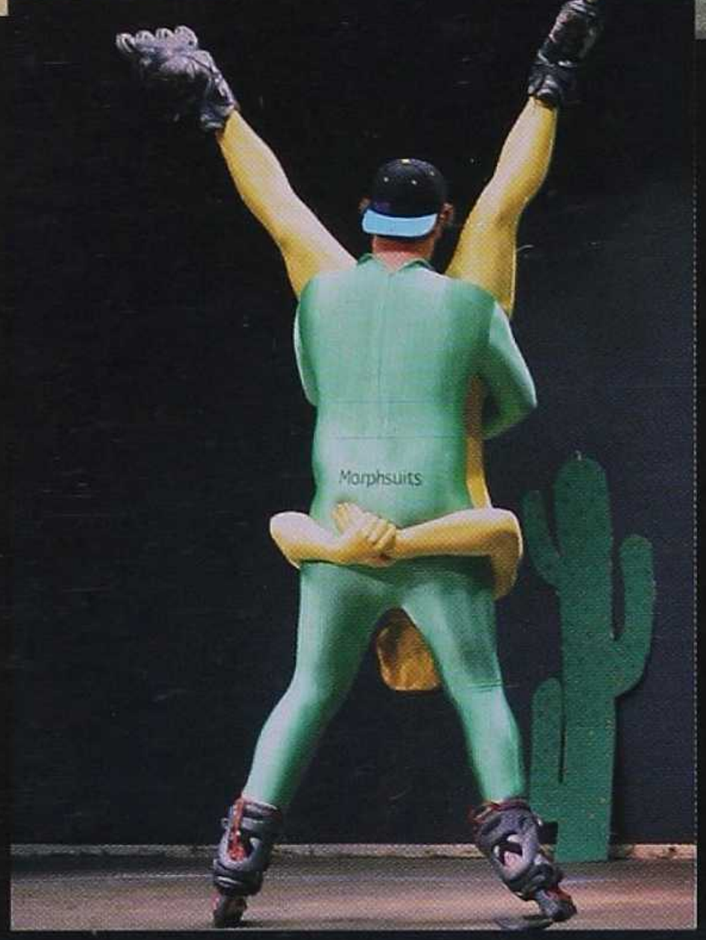
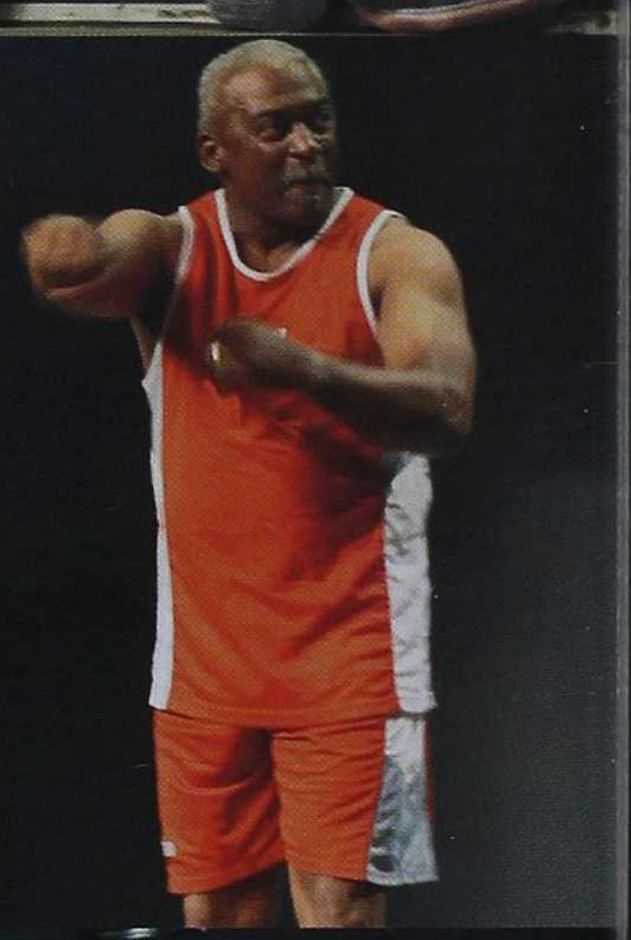
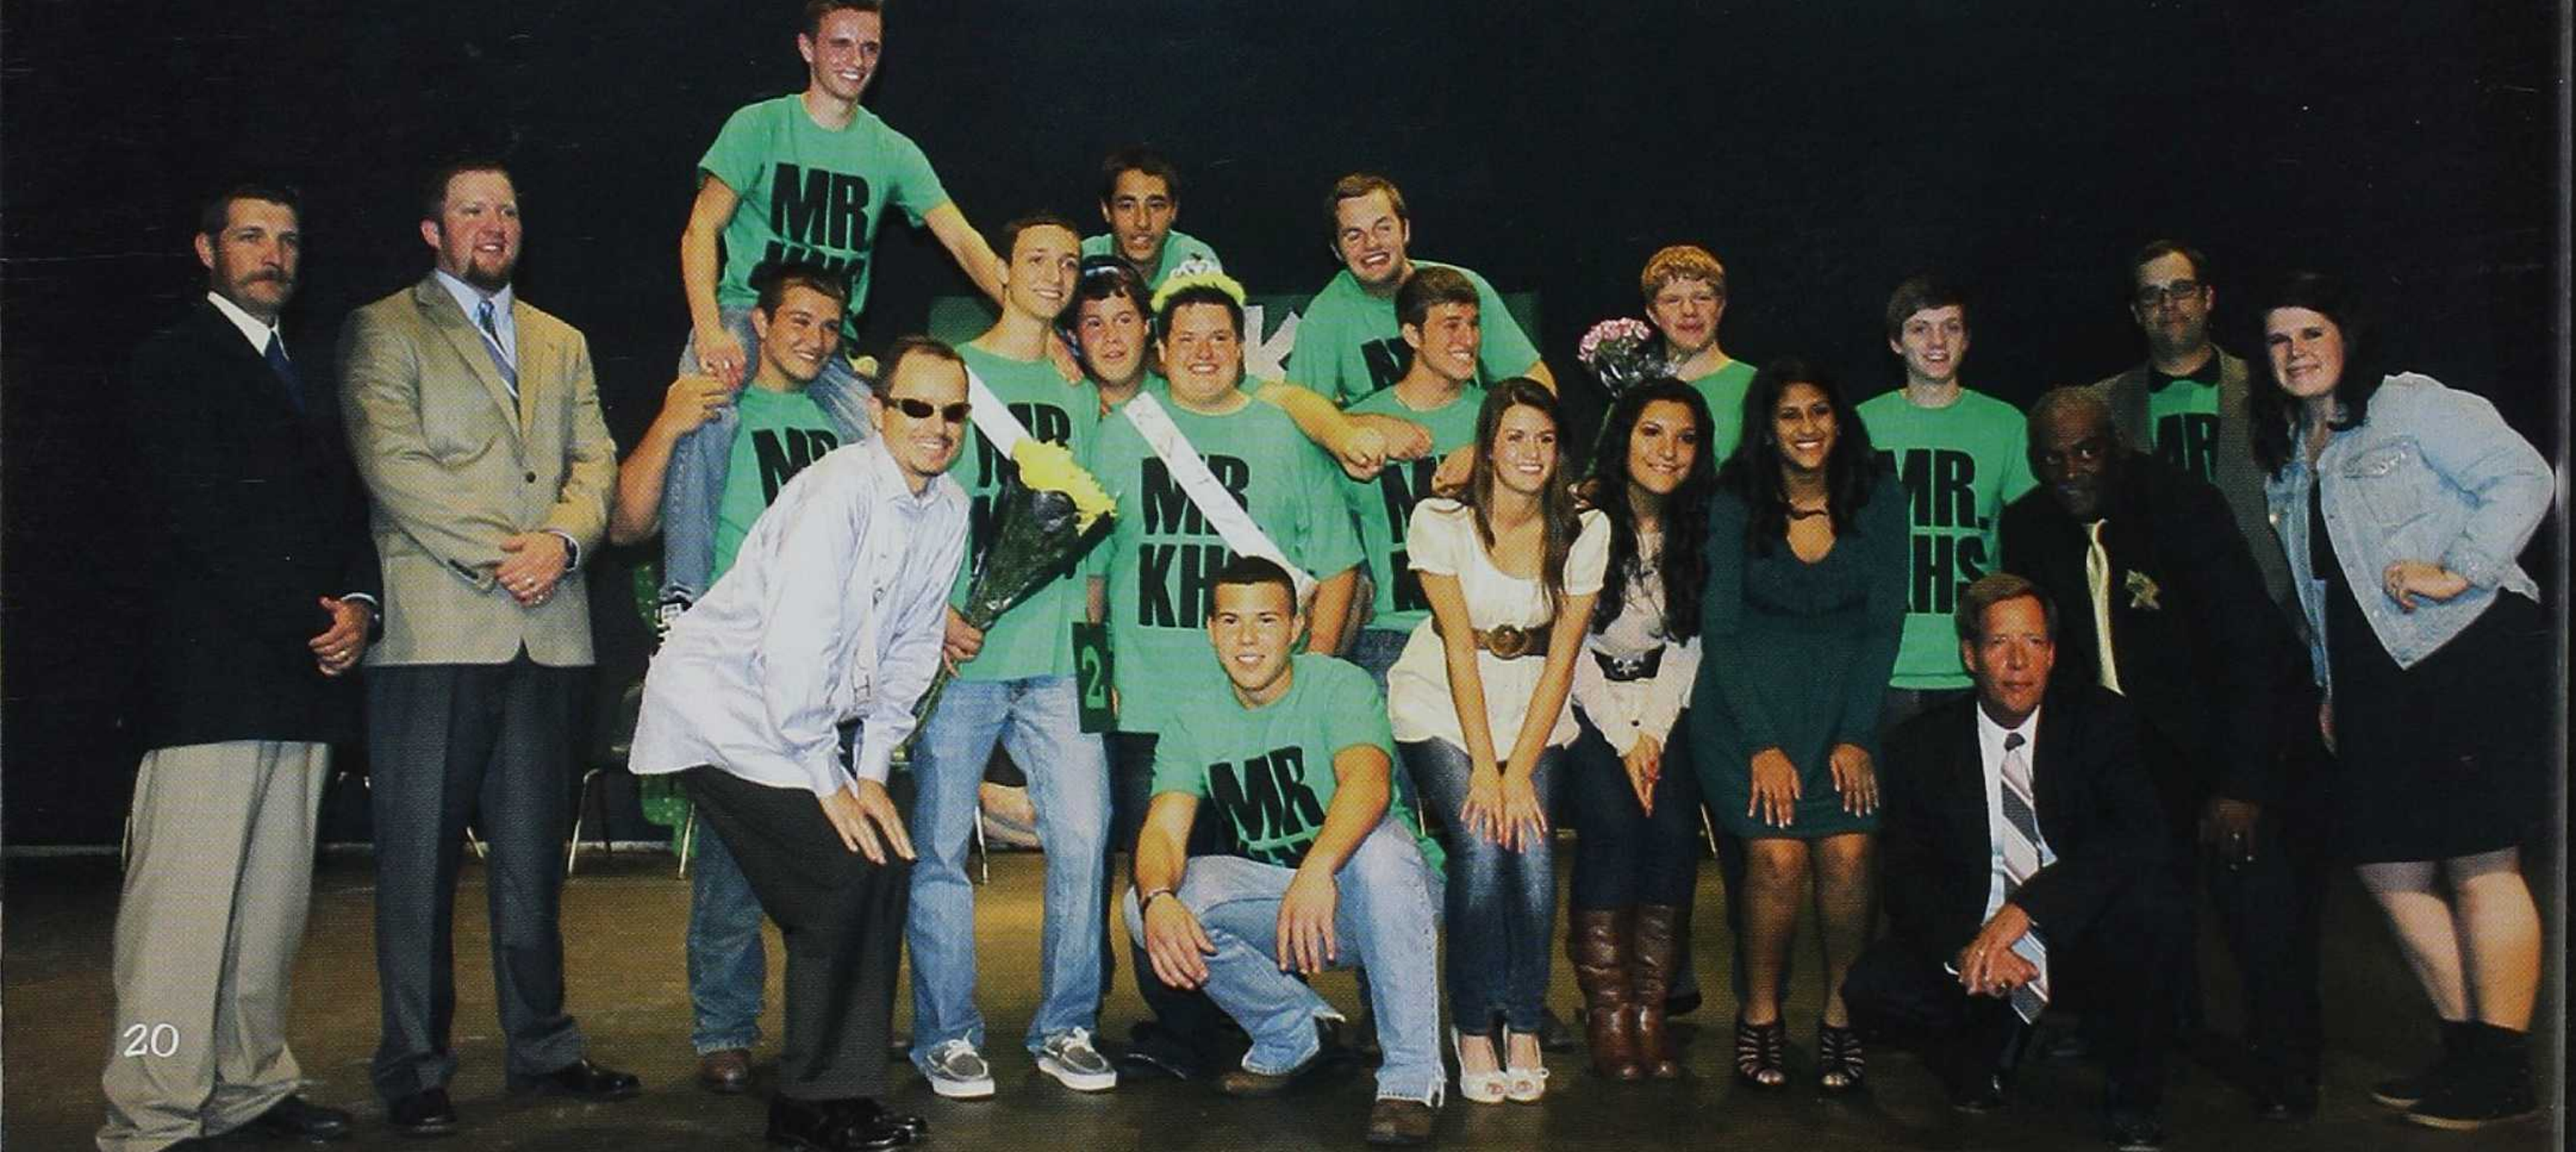
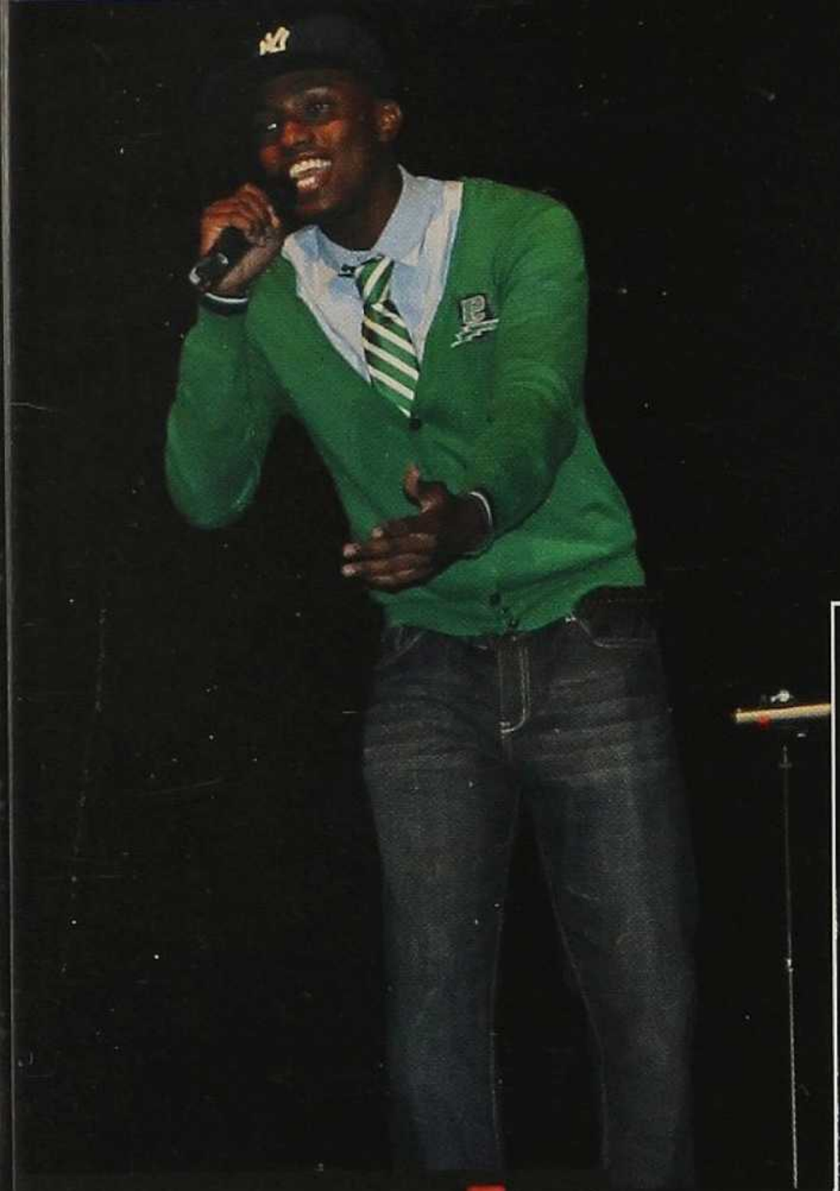
MR. KHS

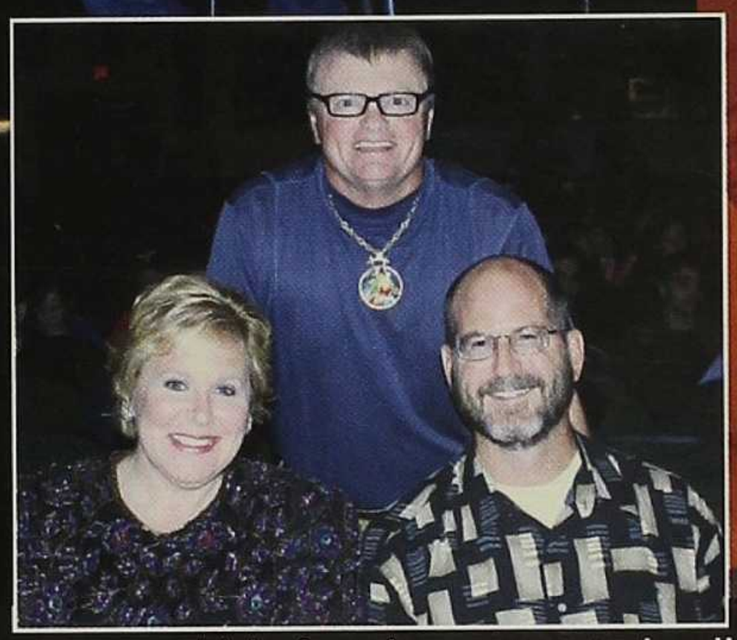


Mr. KHS 2011was exceedingly hilarious! We had great singers, "Blades of Glory" roller skaters, ribbon twirlers, and boys with amazing to not-so-amazing bodies. Tony Tiner was crowned Mr. KHS for his silly outfits and crazy personality (he even changed his name on facebook to Tony Mr. KHS Tiner!) Our favorite teacher was Mr. Young with his awesome dance routine and his funny personality! Mr. Heartthrob went to Kyle Richardson for winning all the girls' heart by performing "The Eye of the Tiger" on his plastic blow up guitar!



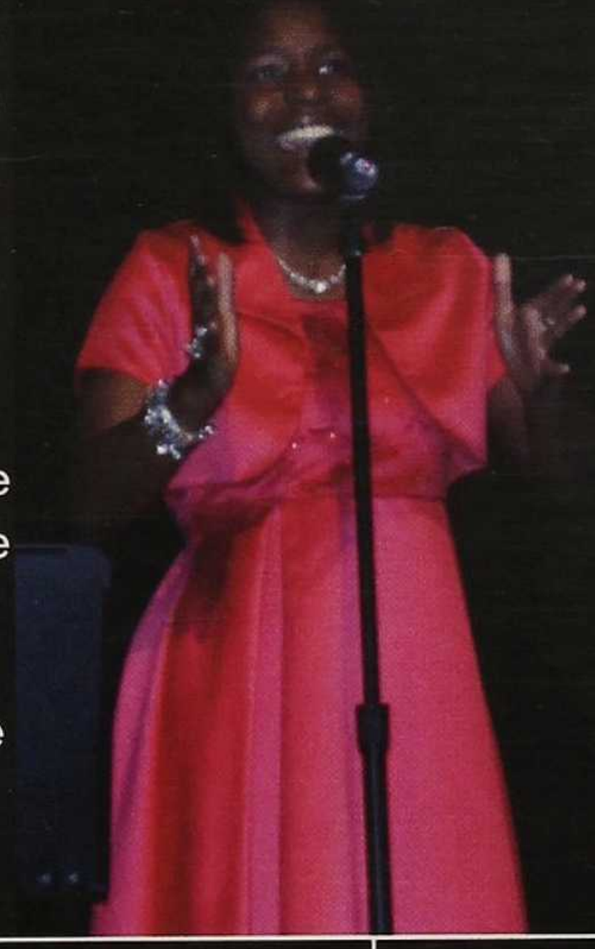


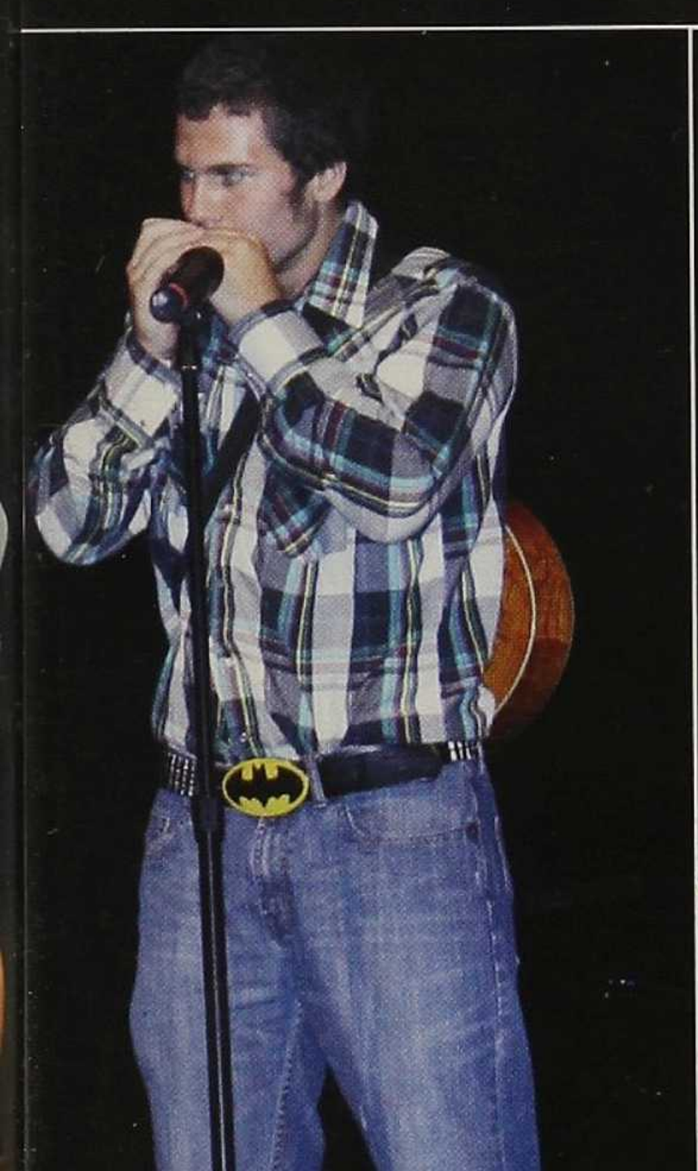


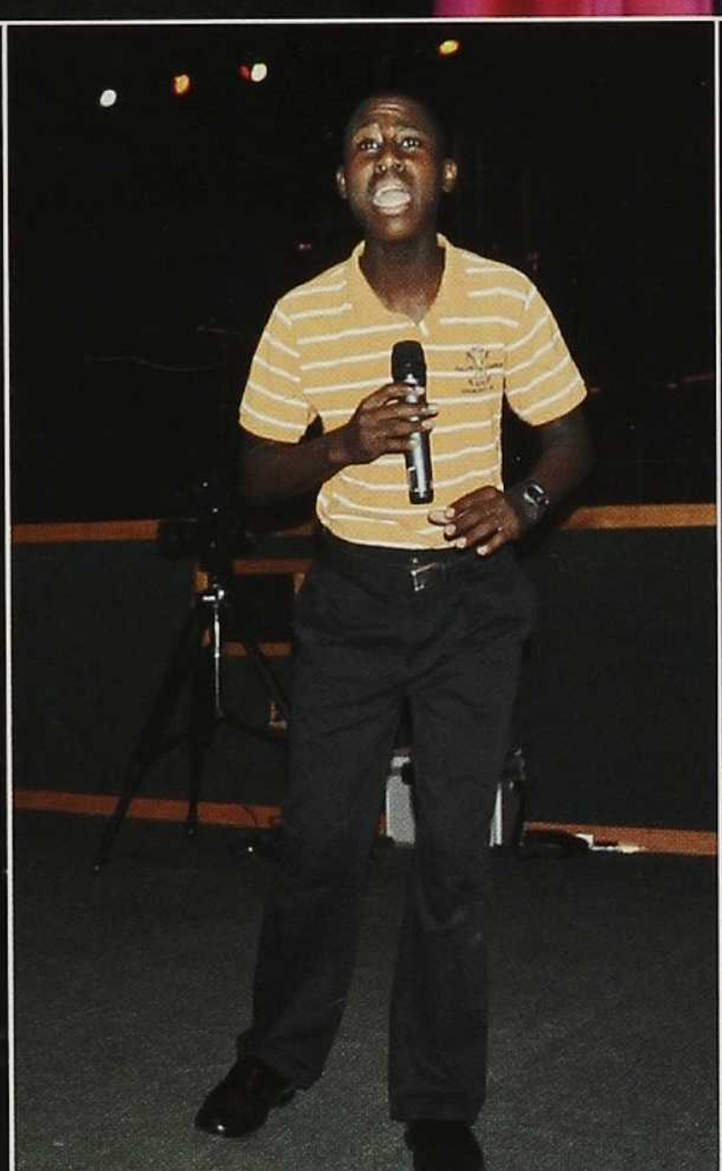


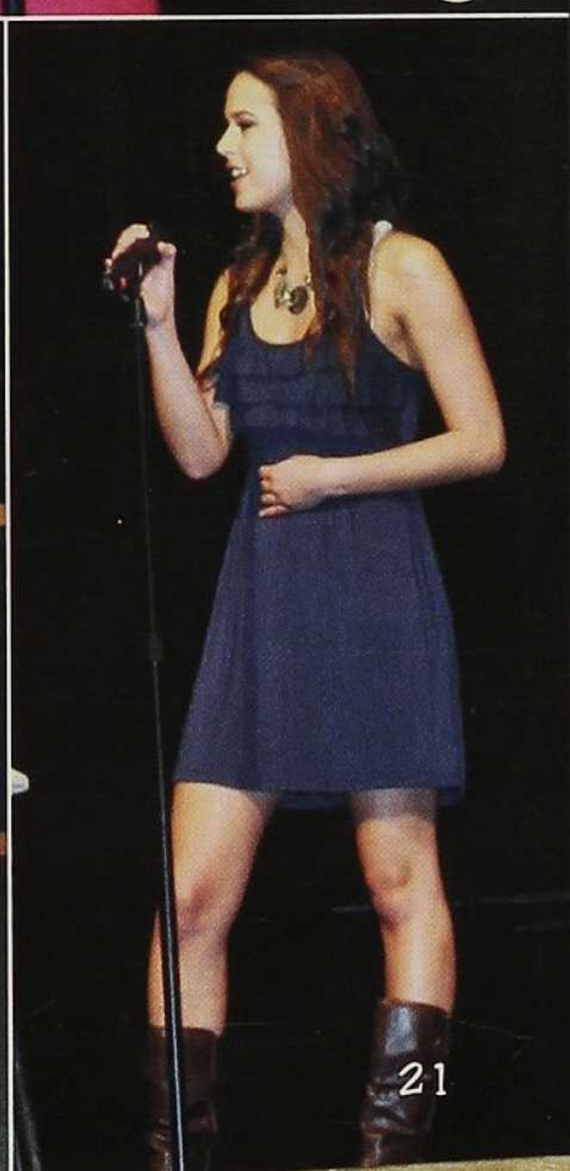
iSing

iSing was incredibly fun this year. With all the very talented stars, solo acapella singers, piano players, guitar and harmonica players, there was a little bit of everything! The winner, Meaghan Lawton, sang "Respect" originally by Aretha Franklin, and she added her funky style that blew the judges away. In second place was Kayla Marshall, who sang "Home" from the movie "The Wiz". And third place went to Lance Heilig for his rendition of the Chi-Lites' "Oh Girl!" Lance enjoyed performing his song as much as the audience enjoyed hearing it to the point that he went into the audience to dance with some of his female fans!

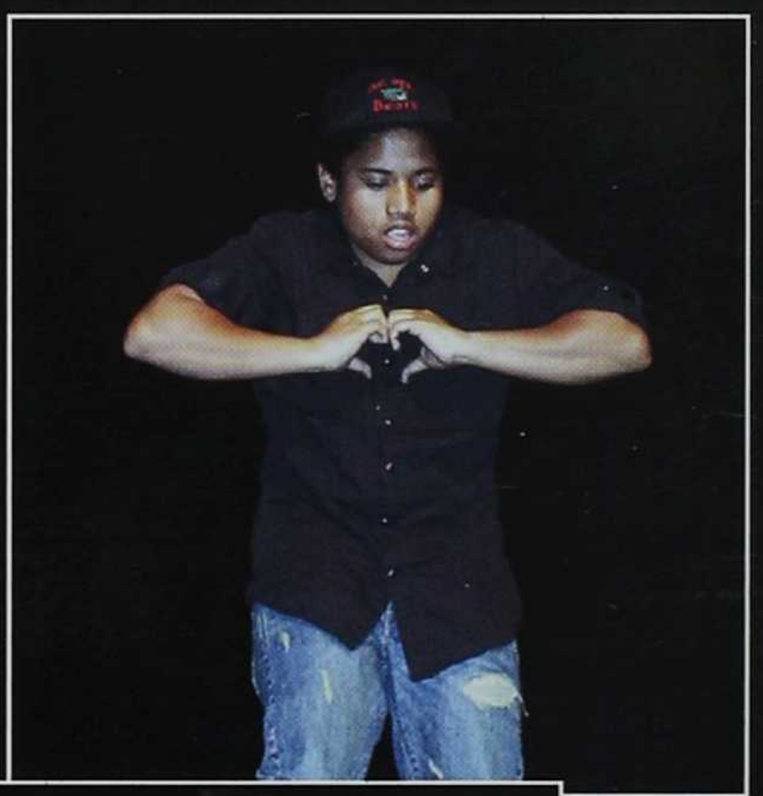


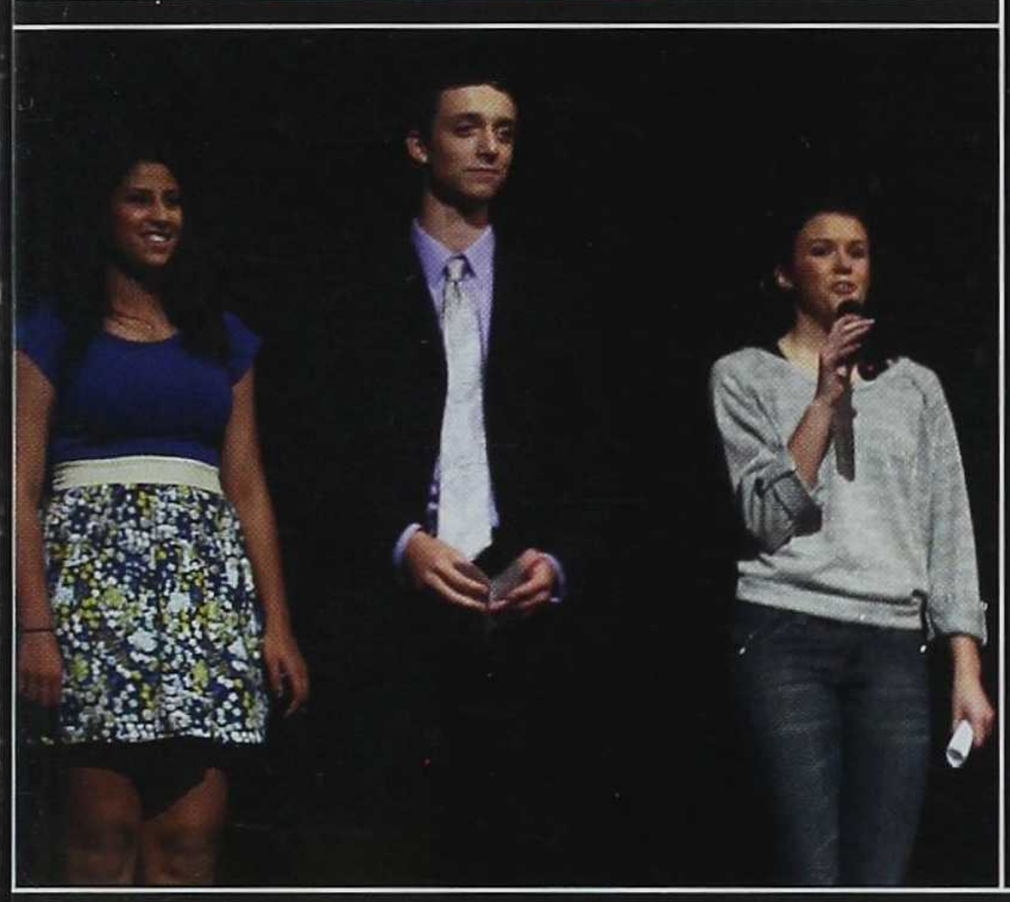


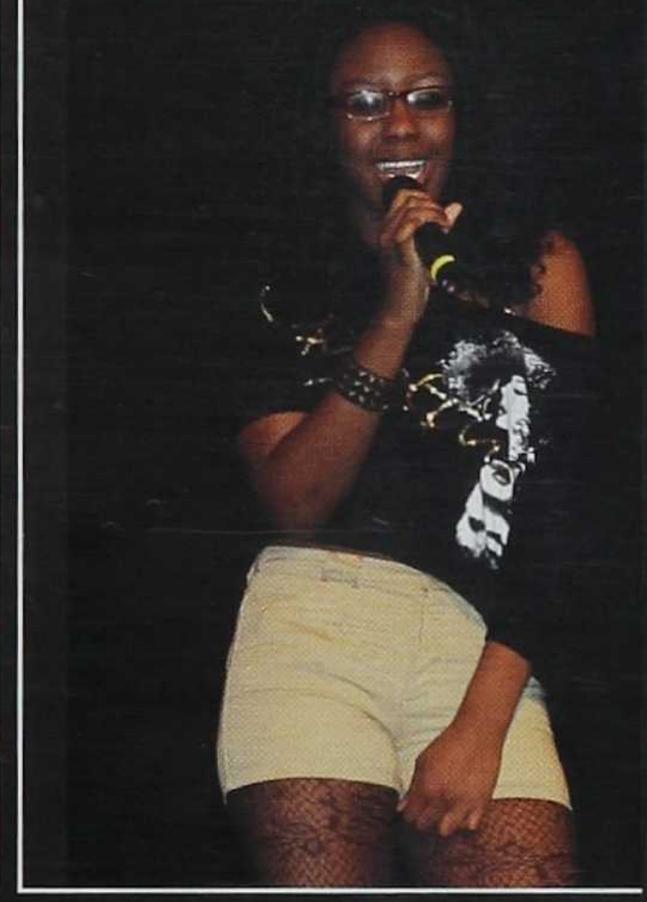


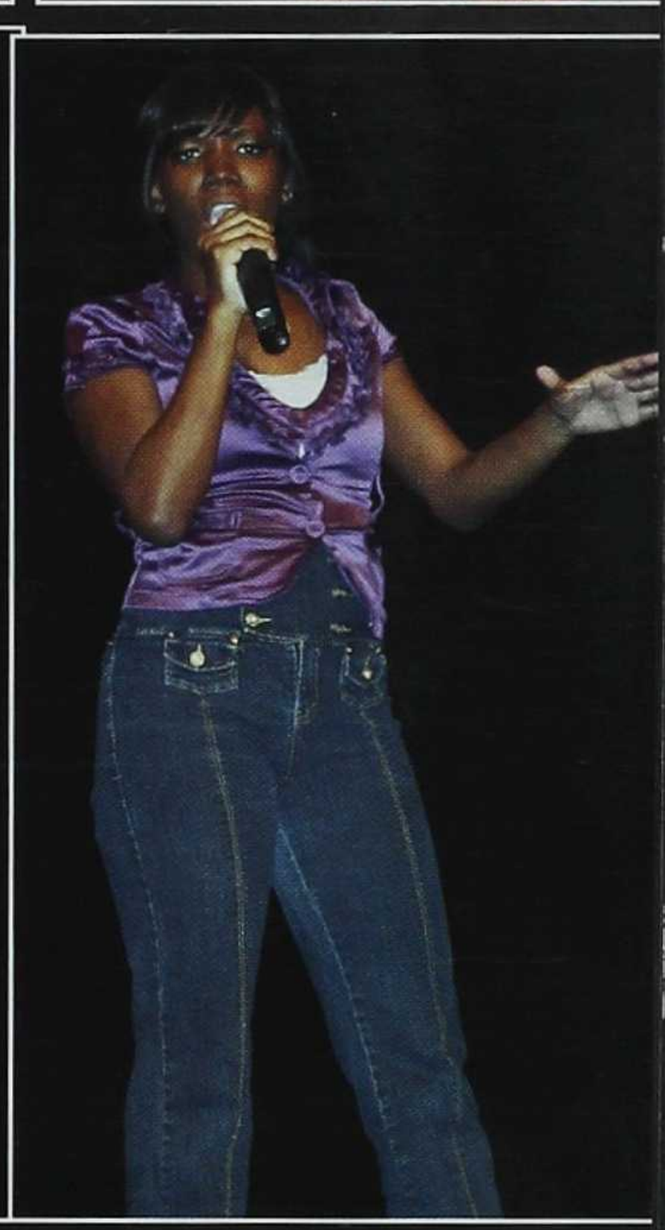


Kennedale is full of amazing talent and the Annual Talent Show, hosted by senior class officers, presented the wide variety that the students had to offer. Terrence Benard started the night singing "Run to the Arms of the One Who Loves You." Adding his smooth style, Keshawn Ng danced to "Let Me Love You" by Mario. Our own chemistry teacher, Coach Wade, sang and played the guitar to "Heartbreak Warfare" by John Mayer. The runner up, Senior, Kaycee Patterson provided a unique show of her tap dancing skills. Ali and Nick Autrey not only won the crowd favorite, but also won first place! The duo performed "Requiem on Water" by Imperial Mammoth, with Ali singing and Nick playing guitar. The night was filled with many entertaining and fun performances that kept the crowd on the edge of their seats!







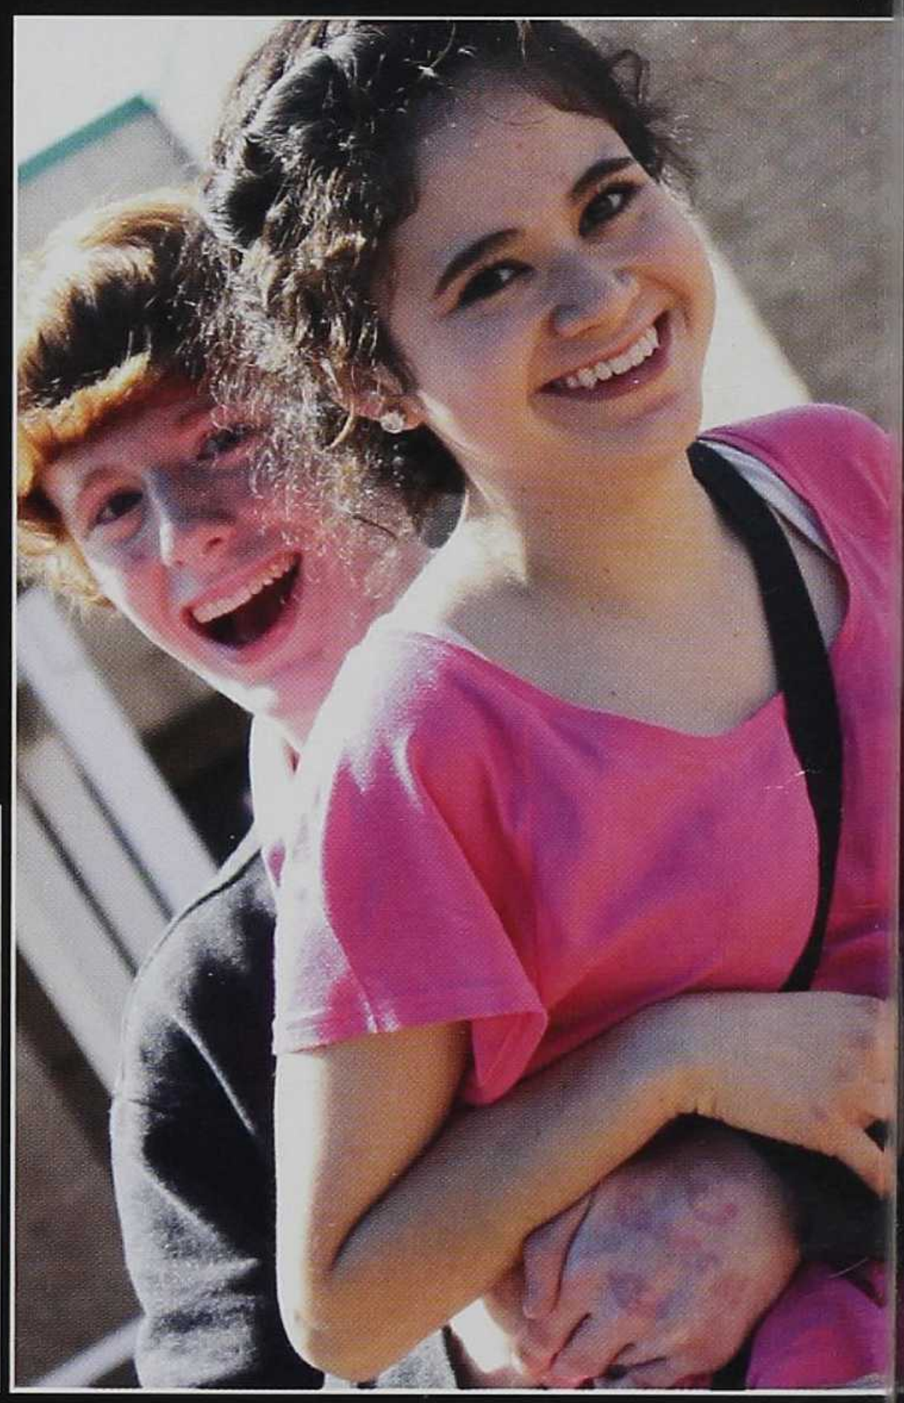


TALENT SHOW

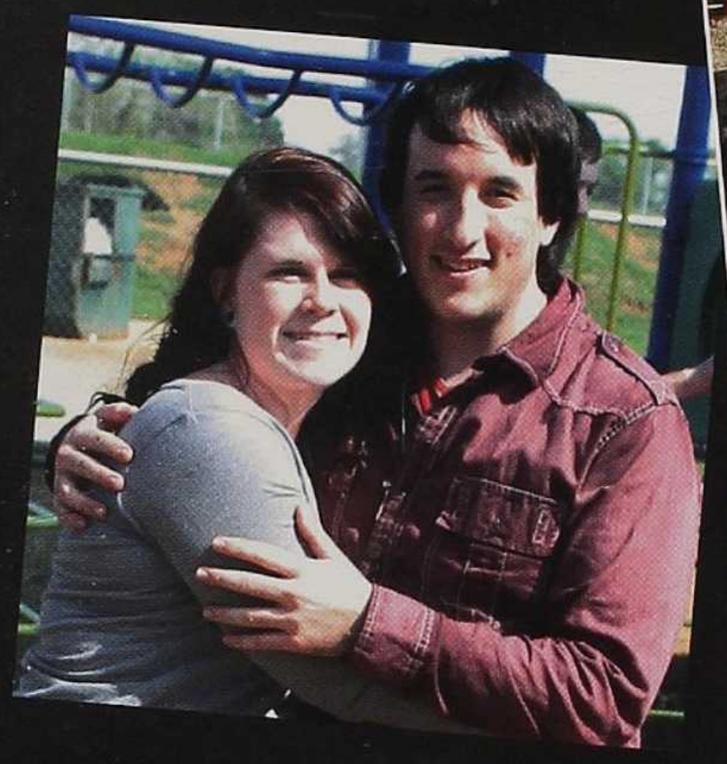
How did it get so late so soon?
It's night before it's afternoon.
December is here before it's June.
My goodness how the time has flewn.
How did it get so late so soon?
~Dr. Seuss

James F. Delaney

Thirteen years as a student in the Kennedale ISD is a major accomplishment and something in which to be proud. Some of these students were fortunate to walk the halls of Delaney Elementary while Mr. Delaney was principal. Some spent many fun days on the United States map painted on the playground at Patterson Elementary to see who could locate which state first. No matter which school they attended or which teacher they had each year, these students formed a special bond through the years. They have spent most of their lives with each other, going through both the good and bad times. But, most of all, they have learned to depend on and support each other as well as the community. This is a special group and we honor them. Congratulations!



"Mr. Delaney was nice, cool, and always was involved with everyone." "I've spent my whole life with you guys, been through so much, you all are my family, and I'm going to miss all of you when I'm in college."
-Marty DeLeon



What lies behind us and what lies before us are tiny matters compared to what lies within us.

Our staff's true colors showed very clearly as they progressed through a hectic school year. Whether they were making preparations for the new STAAR test or helping the students and community recover from the tornado that ripped through Kennedale in the Spring or just being there for the students on a daily basis, their presence and impact was invaluable. Of course, through all of the craziness of the year, there were fun times, too. We enjoyed seeing the "other side" of our teachers during Spirit Week Character Dress Up Day, Math & Science Night and the annual volleyball game. All of this made for an exciting and memorable year!

Paraprofessional of the Year: Coach Jay Beck

Coach Beck has won this title for the second year in a row. He is responsiblie for the day-to-day operation of the K.A.T. program. He also teaches Fresh Start and helps coach our amazing baseball team. As you can see from his picture, Coach Beck has quite the entertaining character and that's why his students love his class and his co-workers honored him with this title.

This marks the third time Coach Trantham has been voted "Teacher of the Year". He teaches U.S. History and A.P. U.S. History, as well as coaches football and baseball. Most students say he is their favorite history teacher. His distinguished way of teaching and his comical personality have significantly helped him win the Teacher of the Year award. His love of teaching isn't just for the classroom, but beyond as he always says, "Enter to learn, go forth to serve."

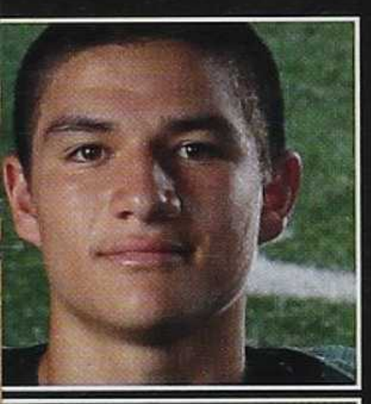
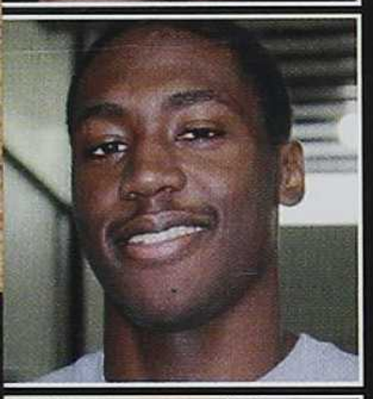
SWIMMING

WE ARE STRONG

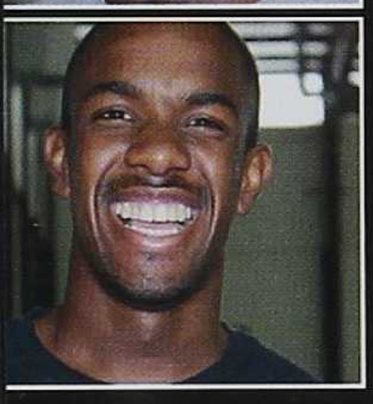
The football team had another very successful season. Despite a few setbacks, the Wildcats pushed through all the way to play offs for the third year in a row. Even the small senior class and many injuries couldn't stop our Wildcats. They always went "All out, All game, All season" and it showed. Our Kennedale Wildcats are a great team, and we're looking forward to an even greater season next year.



"**Steven Rivera** stayed positive, endured and persevered through some really difficult times this season. He is very athletic and a real competitor."



"**Kola Alli** is a great young man. He will be a great player on the Air Force Academy. His will and determination to get well is what got him to overcome his injury."



"**Cody Coleman** had a great year. His work ethic over the course of the summer enabled him to perform as an All-District & All-State player."

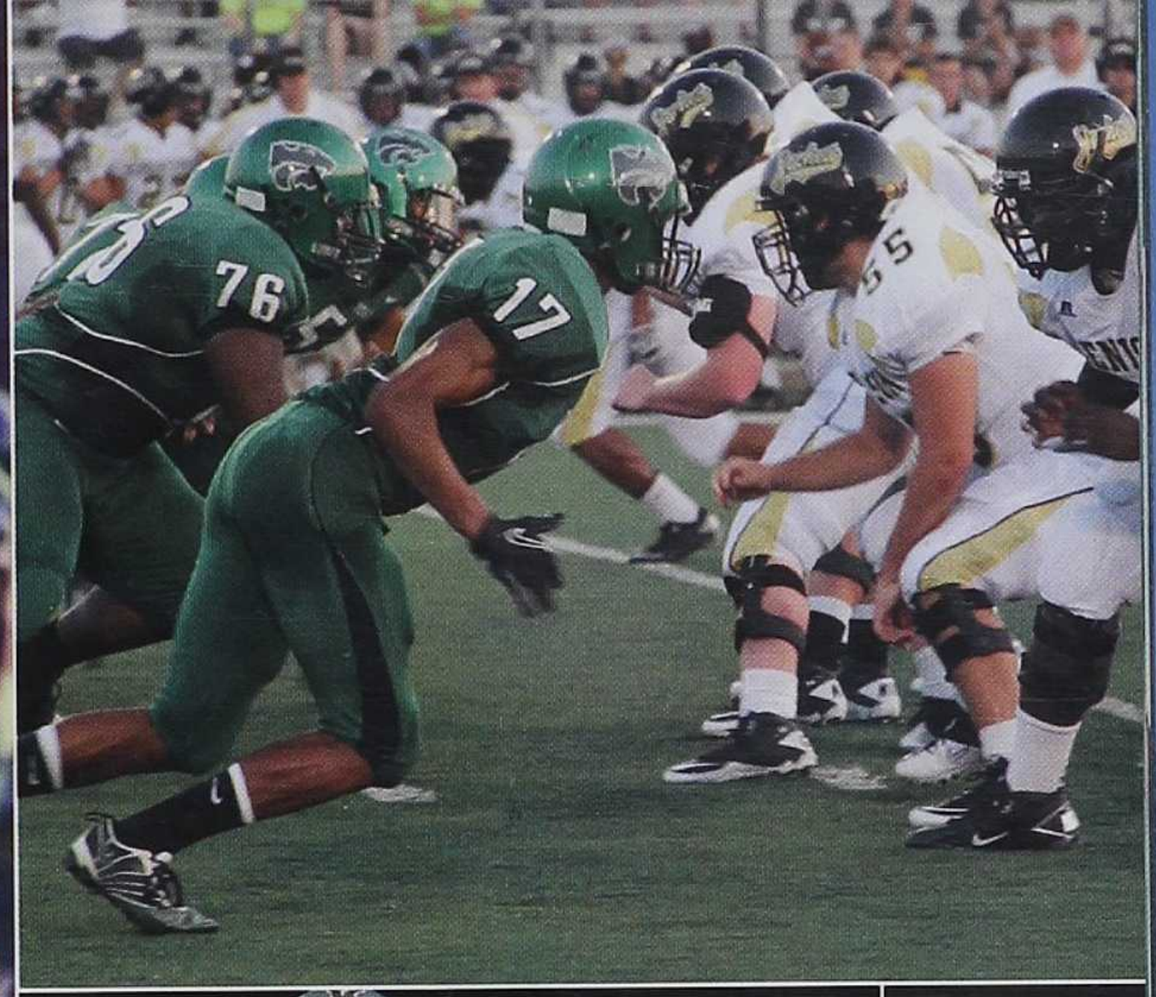
-Coach Barrett

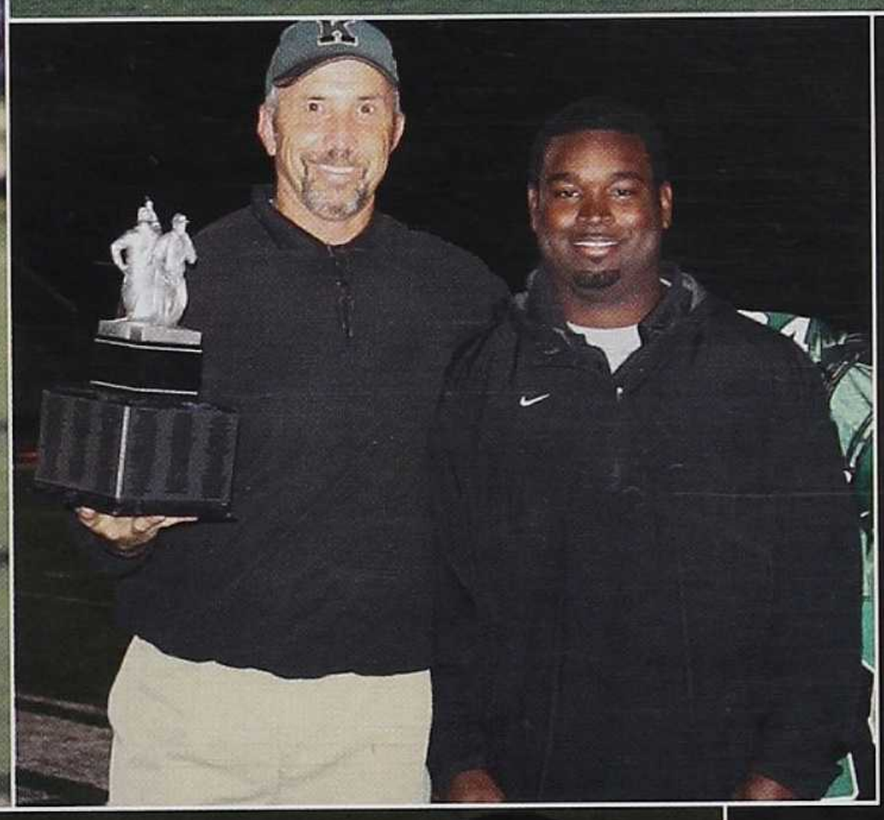
Zac Michener, Varsity, #3

Zac was junior All American Team 2 punter and served as quarterback. In the game against Decatur, Zac ran for 156 yards and 2 touchdowns to lead Kennedale to a 24-14 Class 3A Division II Bi-District victory.

His longest punt was 84 yards.

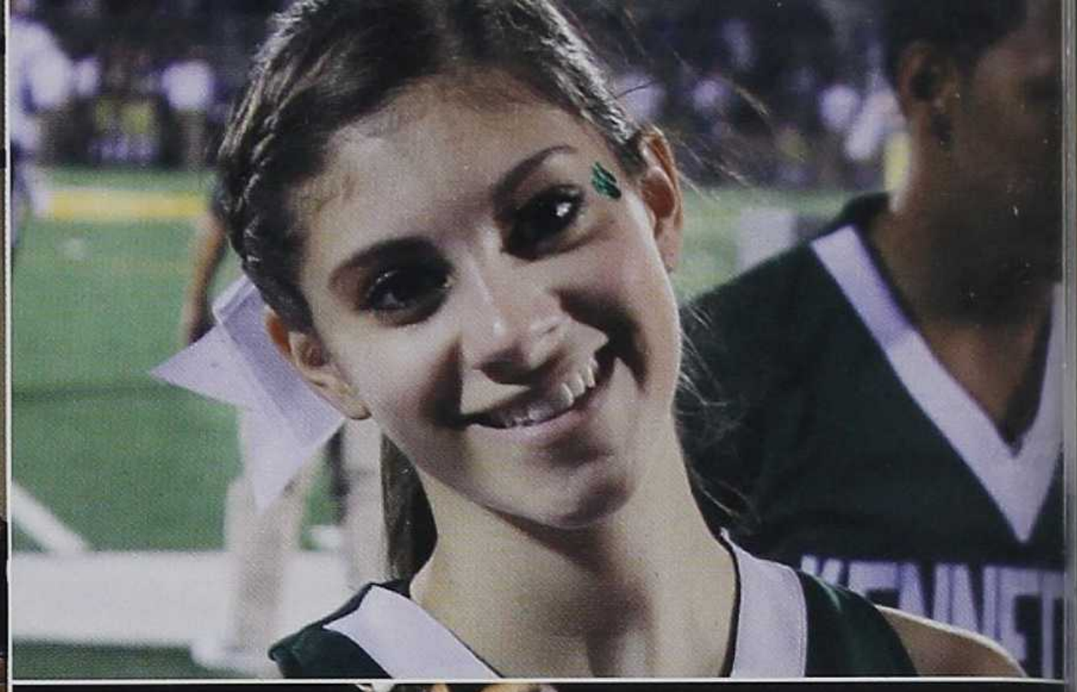
Needless to say, he had a great season!



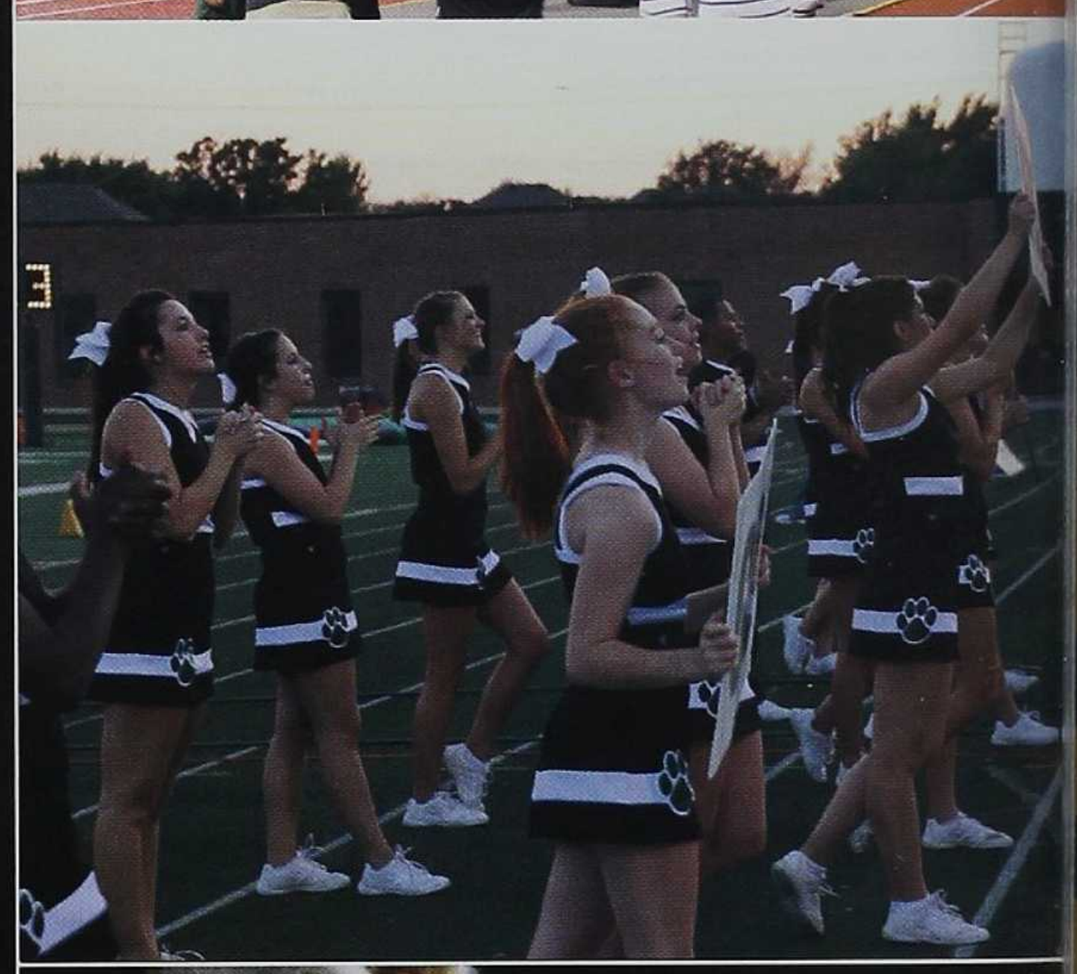


FOOTBALL

WILDCAT



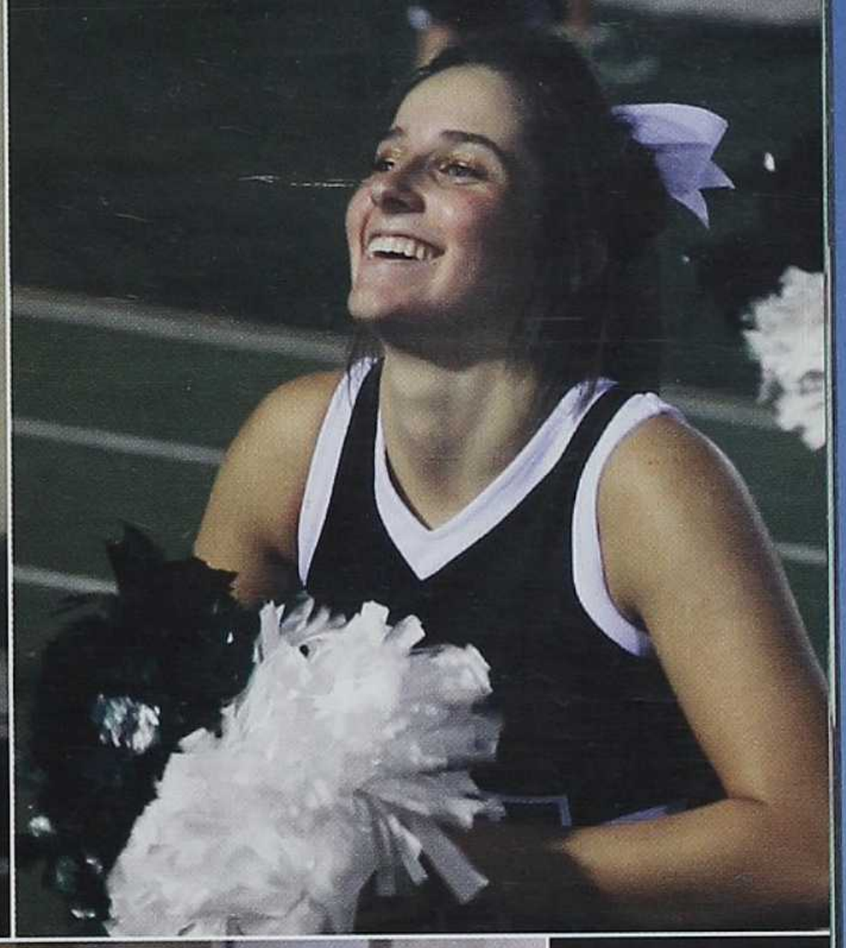
The 2011-2012 cheerleading squad had an amazing year! In addition to their regular duties of cheering for the KHS sports teams and providing school spirit, several members represented the Wildcats well in cheer competiton. Eight of KHS's cheerleaders were named NCA All Americans - Jaz Poe, Danielle Hedglin, Evadean Grant, Anali McLaughlin, Regan Hunt, Jazzy Owens, Allie Young and Maddie Sublette. Also, this year's National Team finished 17th in the Nation at NCA's High School National Championship. Squads came from across the country from as far way as Alaska, Hawaii, Idaho and even Beverly Hills!

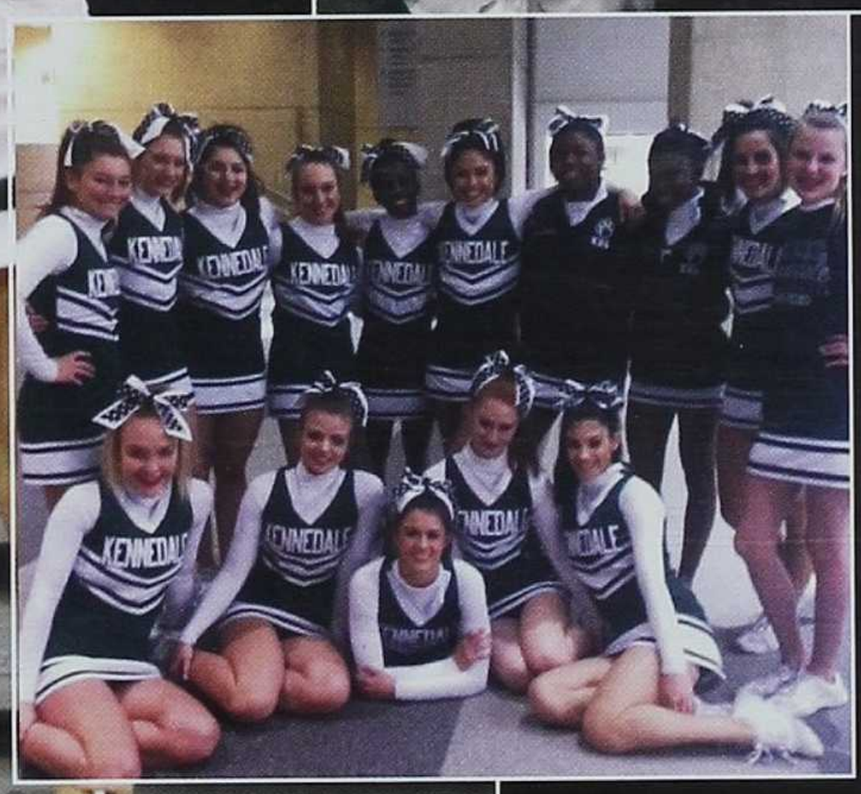


Briana Brown, Courtney Darville, Brooke Adams, Josselynn Thomas, Regan Hunt, Allie Young

"The SENIORS of Kennedale Cheer. You have been amazing leaders and role models for the cheerleaders to come. I will carry in my heart amazing memories of each of you. I have been so blessed to be a part of most of your lives. I watched you form friendships and lose them only to gain better ones. I have watched you become beautiful young women ready to take on the world. I have watched you learn things you never thought possible and conquer the competition with skill. I pray that you have immeasurable blessings and you will remember your time at KHS as one of laughter and growth.

Lots of Love!" – **Coach J**

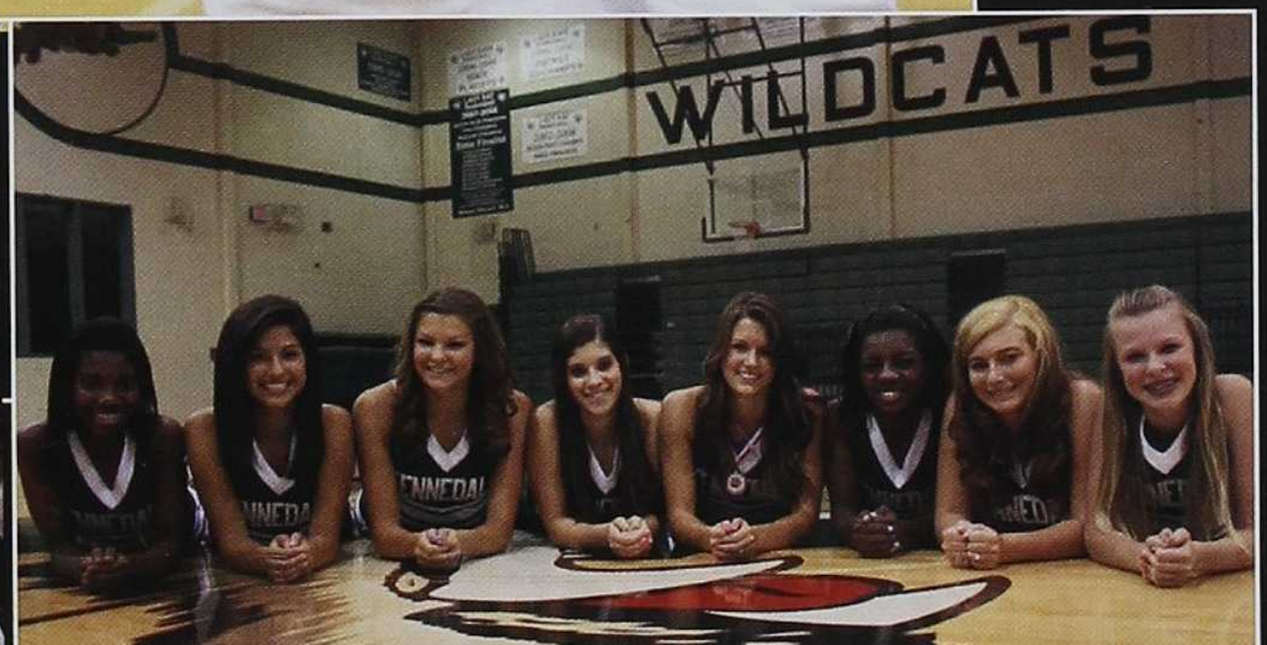


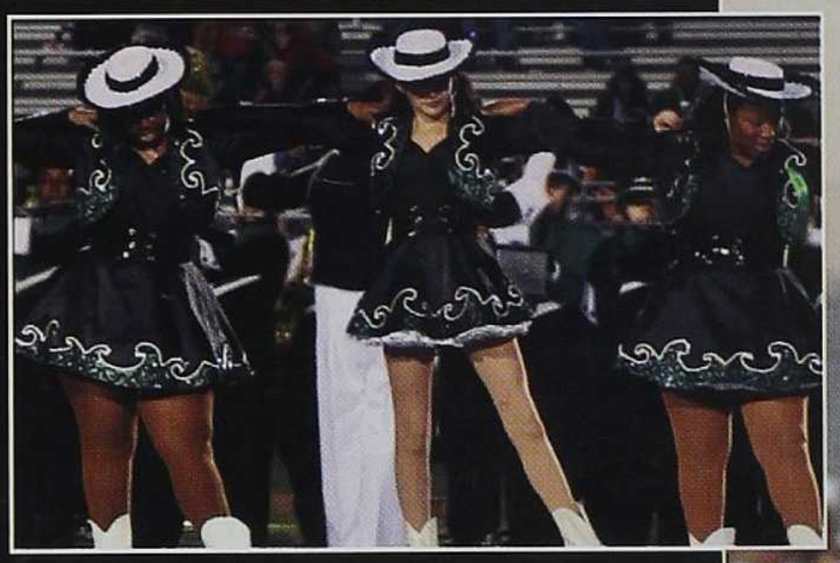


CHEERLEADING

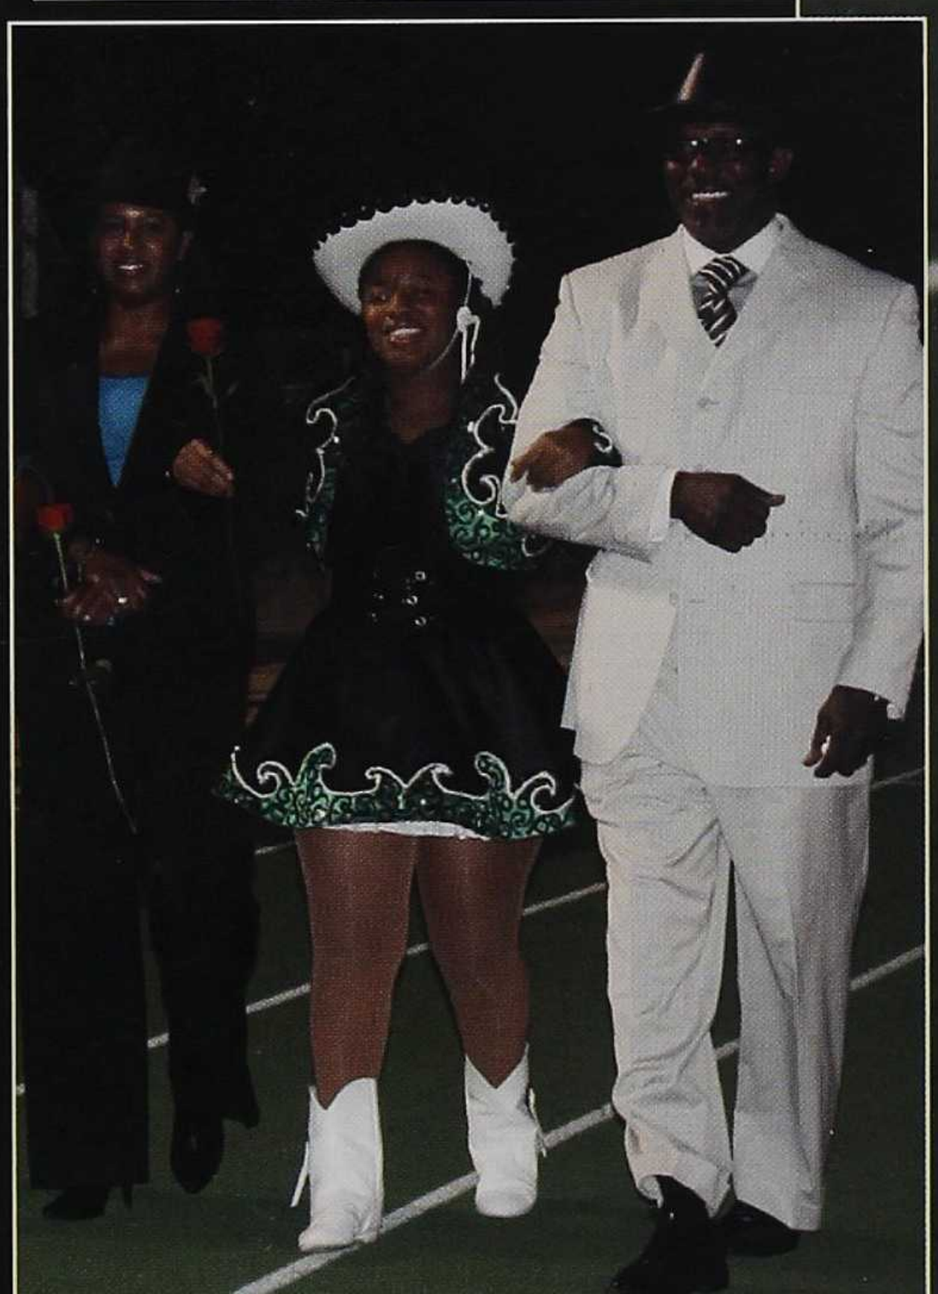
Reagan Hunt, Cheer Capitan, Varsity

Varsity Cheer Captain, Regan Hunt cheered for Kennedale ISD for six years. She was named All American, earned the NCA Leadership Award, made NCA staff and made the Varsity Orange Squad at The University of Texas. Pictured in the background, is Regan's Cheer Lil' Sis, Danielle Hedglin, JV, who also was named All American.





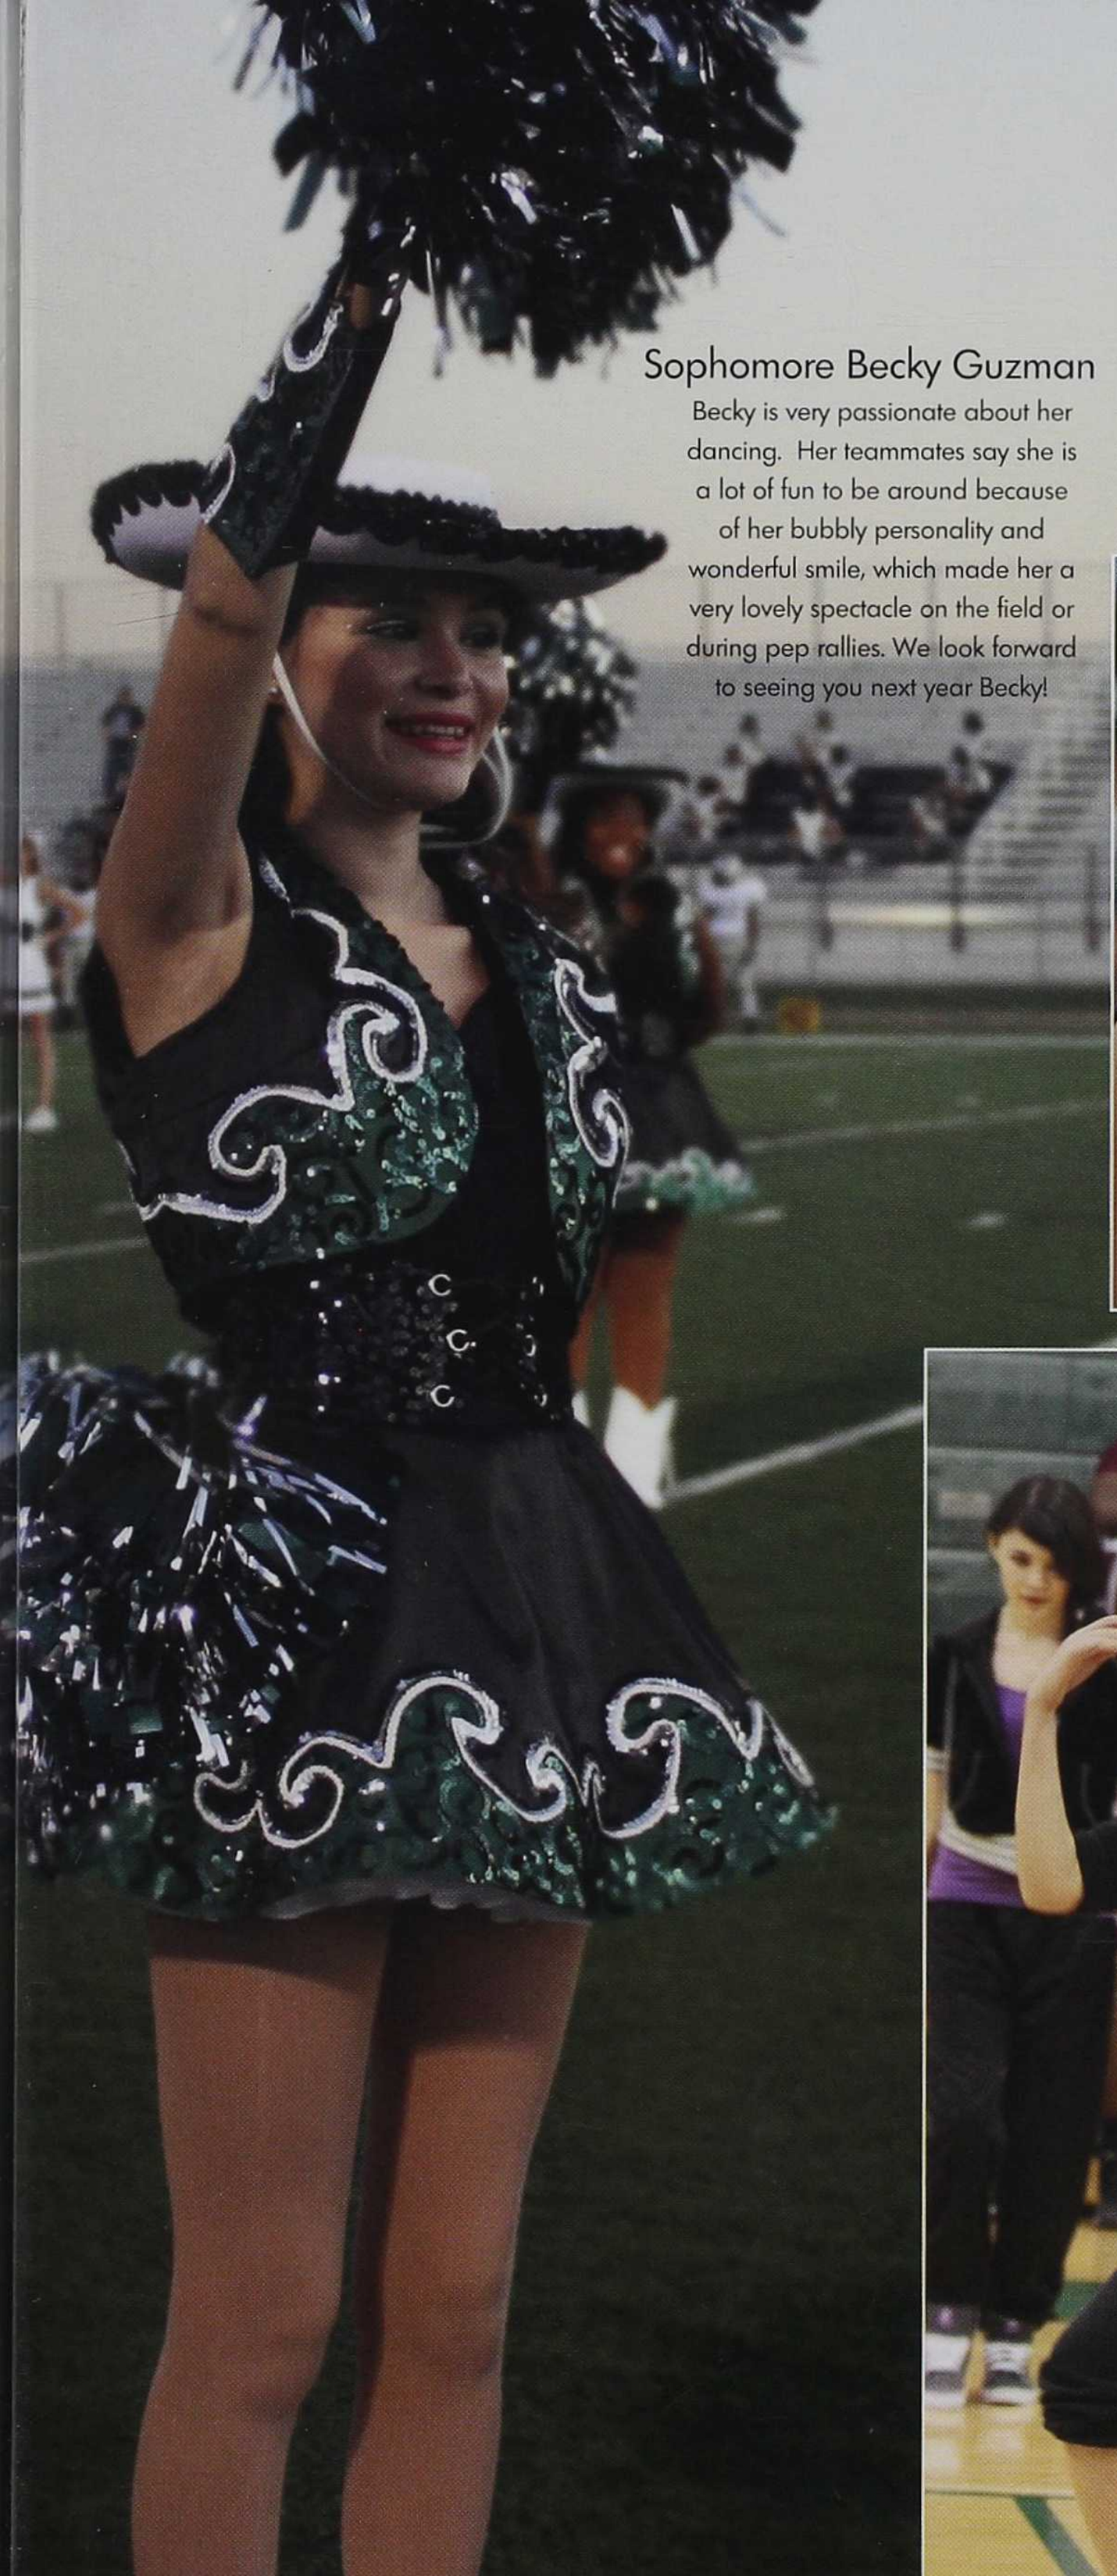
The KHS Aristokats really impressed everyone with their eye catching routines this year. They showed off their flare at pep rallies and football games and wowed the crowd with their mad dance skills. The sparkle and dazzle of their new uniforms helped make the halftime show even more entertaining for the many Kennedale fans. Each time these young ladies perform, they display confidence and charisma that sometimes brings the crowd to their feet. KHS could not be more proud of these talented students.



Kayla & Aja:

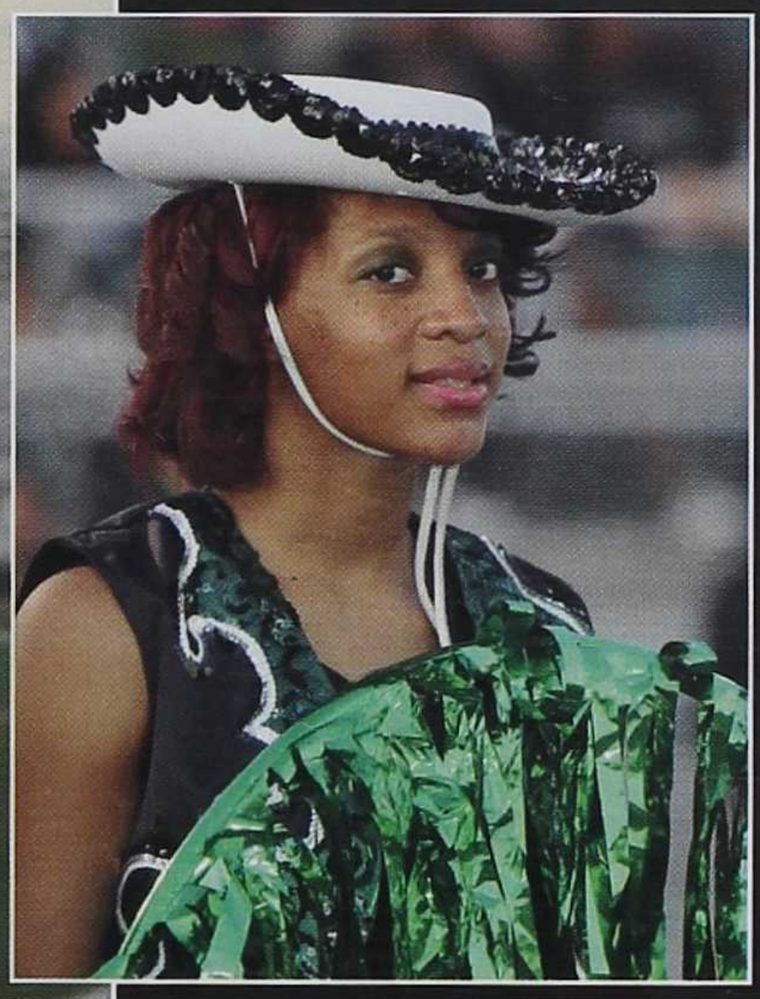
"You both have made me so proud this year. You two have gone above and beyond the call of duty as officers and words can't express my extreme gratitude I have for the two of you. You have also blossomed into beautiful young women and AMAZING dancers!!! I love you both."

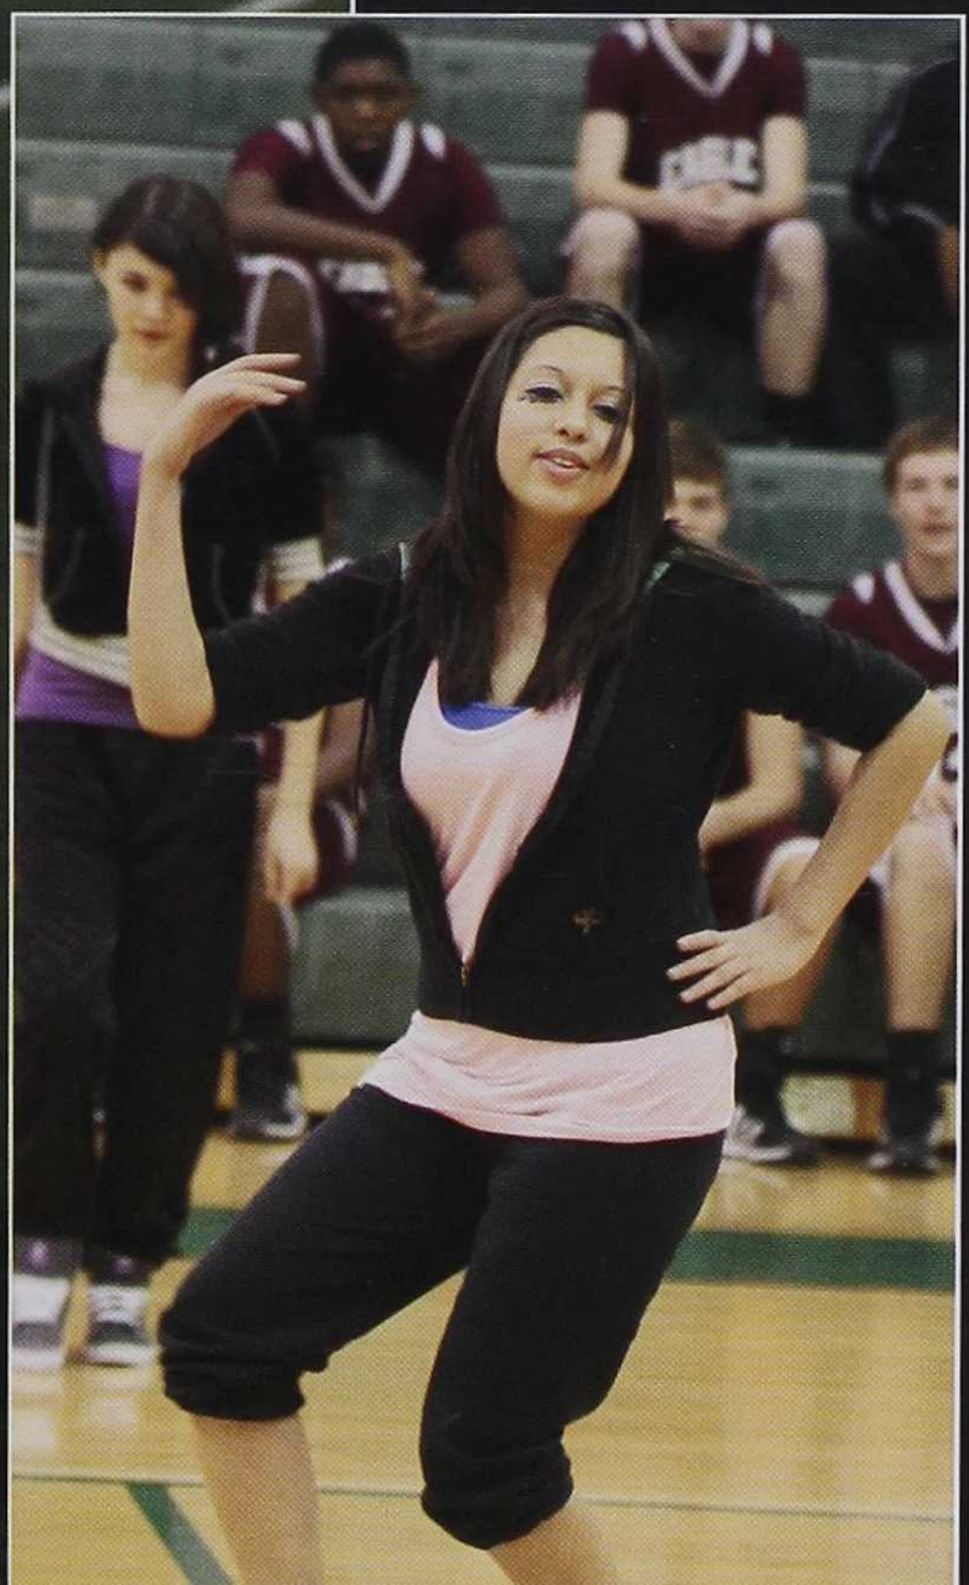
-Coach Hatcher



Sophomore Becky Guzman

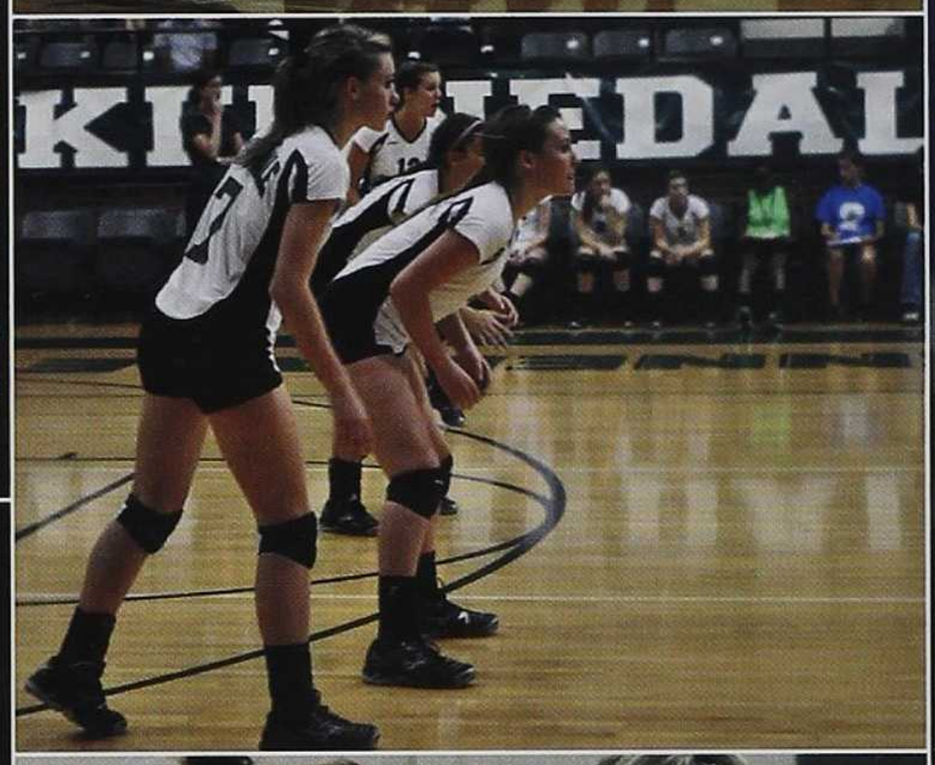
Becky is very passionate about her dancing. Her teammates say she is a lot of fun to be around because of her bubbly personality and wonderful smile, which made her a very lovely spectacle on the field or during pep rallies. We look forward to seeing you next year Becky!





DRILL TEAM

LADYKAT



Team captain Chandler Thornton lead her team to victory, from destroying the Venus Lady Bulldogs on homecoming to defeating the Alvarado Indians making their record 26-8 this year! Along with all their wins, senior Kendel Capshaw and sophomore Rachel Dixon made the All-Tournament team and Chandler Thornton was named tournament MVP! "Kennedale Volleyball... it's a beautiful thing!"

"Ali Autrey's quickness and defensive consistency will be missed. She is a great volleyball player, but more importantly a great person."

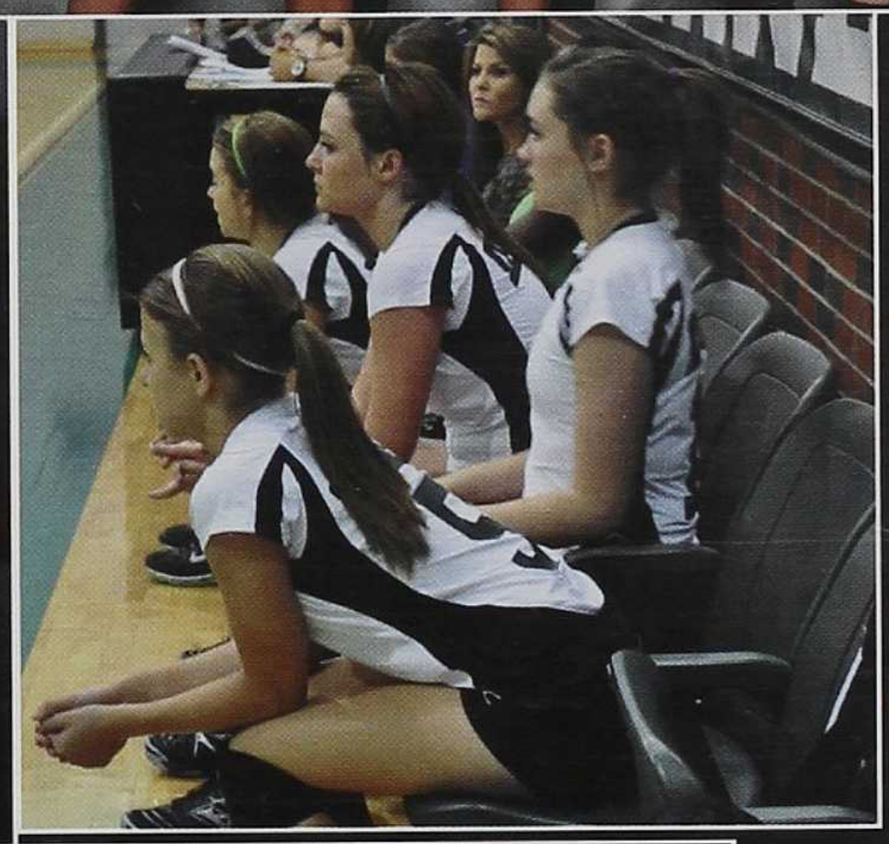
"Kendel Capshaw is a powerhouse. She was an offensive weapon and provided the team with a great deal of maturity and leadership."

"Chandler Thornton I don't know if I'll ever find another kid that works as hard as Chandler. Her volleyball skills are worth recognizing, but her attitude is worth remembering."

-Coach Cargile

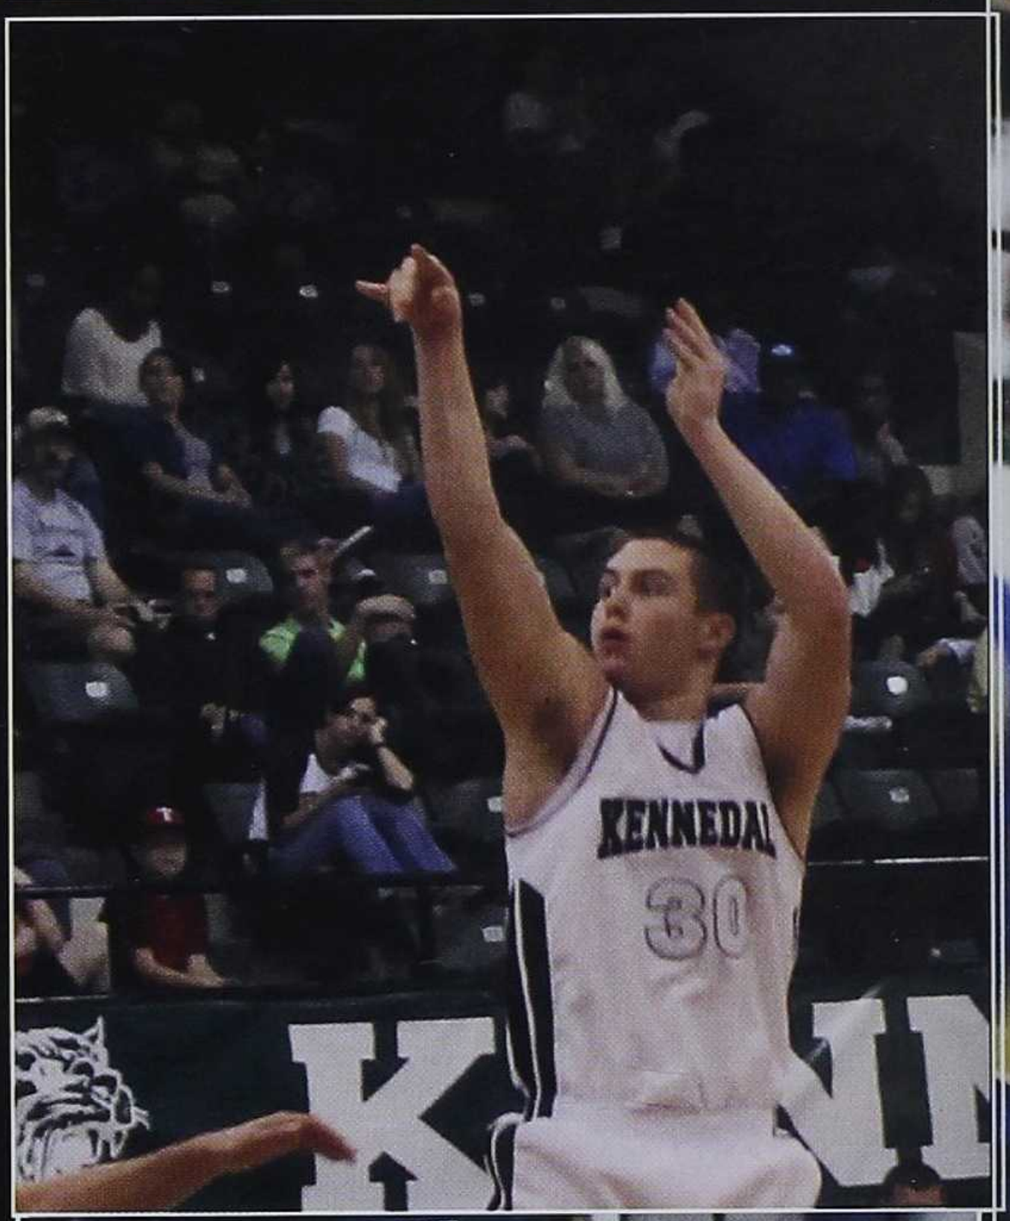
Senior, Ali Autrey, #2

Ali beautifully serves the ball at the opposing team. She's a returning player who has been with The Lady Kats for two years now. Her dedication to the sport is shown through her attitude. Everyone can tell how much she strives to be the best.

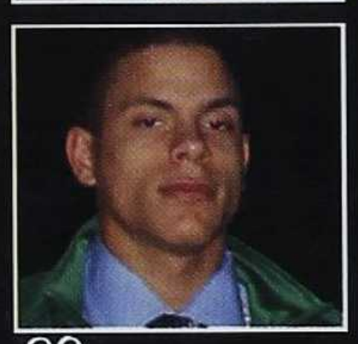


VOLLEYBALL

LADY KAT



The Wildcat Basketball team ended their wonderful season with a record of 23-10. This team strived for excellence every time they stepped on the court. They worked hard and showed they loved the game of basketball and did everything they could to progress to the next level. They know what it takes and will go all out to even further their abilities for next year.



Nic Williams, Brandon Smith, Tito Martinez, and Tim Benton:

"The four seniors showed leadership and guidance to the underclassmen throughout the 2011-2012 season. They were very hard working and dedicated, giving one hundred percent every time they touched the floor. They will all be missed, and I wish them much success in the future."

-Coach Groff

BASKETBALL

WILDCAT

ophomore, Aundre Jackson, #54

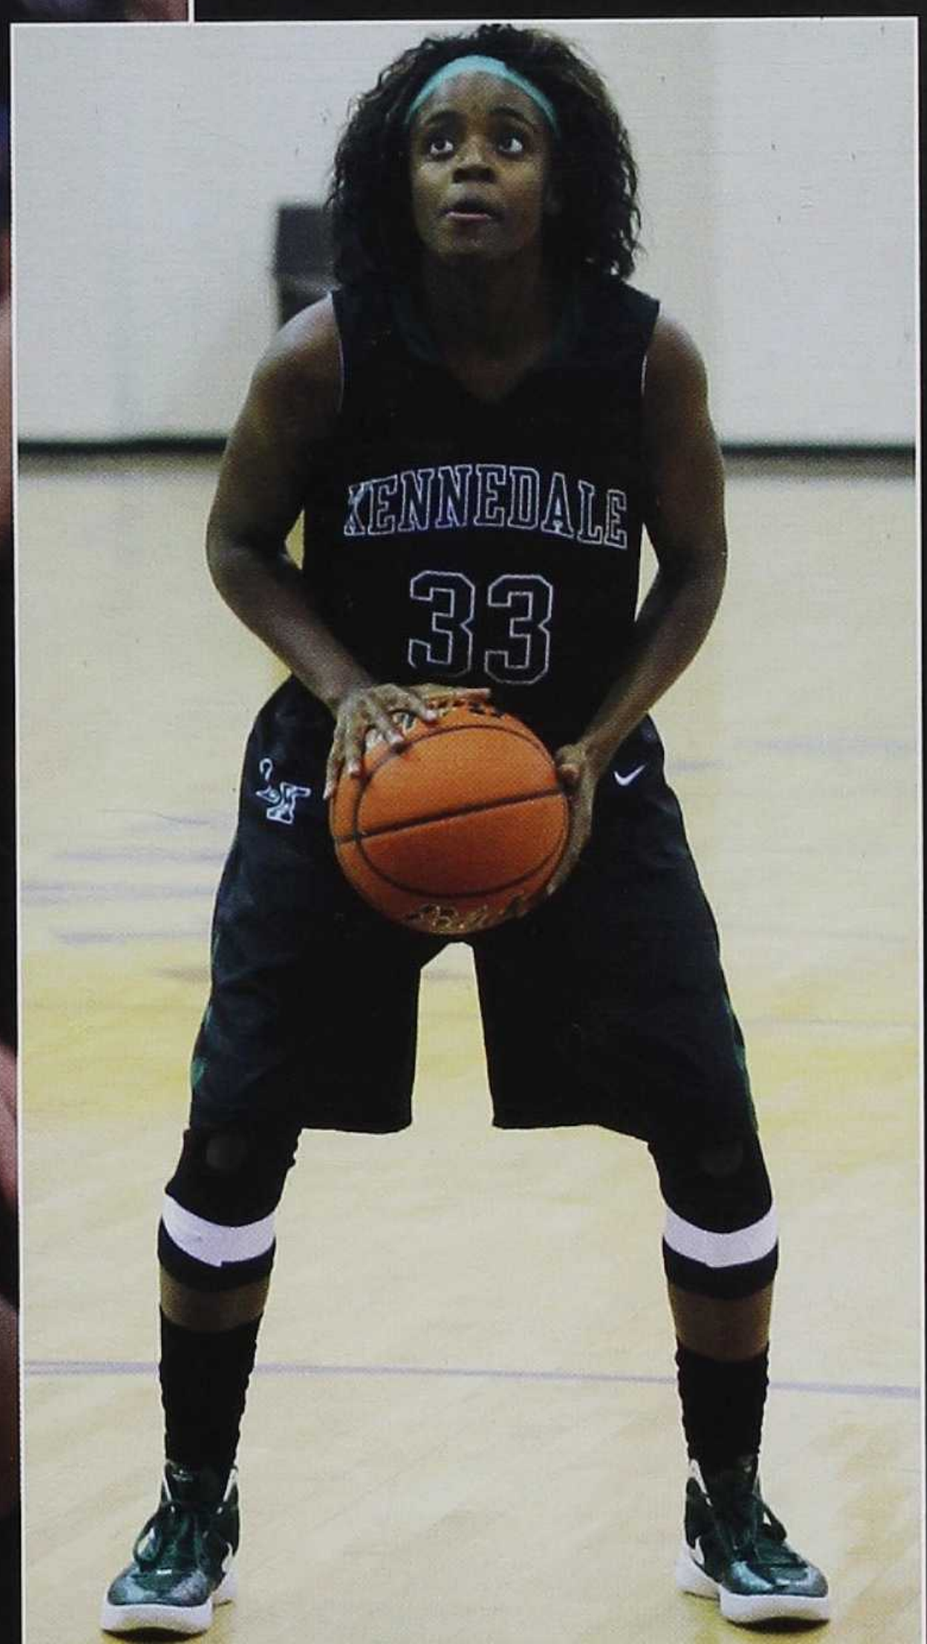
Aundre Jackson was a very big help to the Wildcats this season. He was a post that got the job done inside the paint. He motivated his teammates to be involved and worked hard to achieve excellence.

The Lady Kat Basketball team ended with a season record of 30-7. It was an amazing ride throughout the whole season. The main goal that these girls had was to make it to state in Austin. However, the wonderful Lady Kats ended the season in an unfortunate loss in the Regional Championship game. The talented Lady Kats are striving for excellence, and will work their hardest to enhance their performance in future years.

"Josselynn Thomas
was a 3 year varsity player, and received 1st Team All-District Honors two of those years. Josselynn is the kind of person every coach wants to coach. She was a true leader on and off the court. She has raised the standard of what it means to work hard in the Lady Kats Basketball program. Josselynn's shoes will definitely be hard to fill. "

"Jawanda Adams
was named to the district 8-3A Honorable Mention team. JaWanda was a pleasure to coach. She does everything you ask her to do 100%. She was also always good for a good laugh. We will truly miss her. "

-Coach Hughes,
Coach Morris



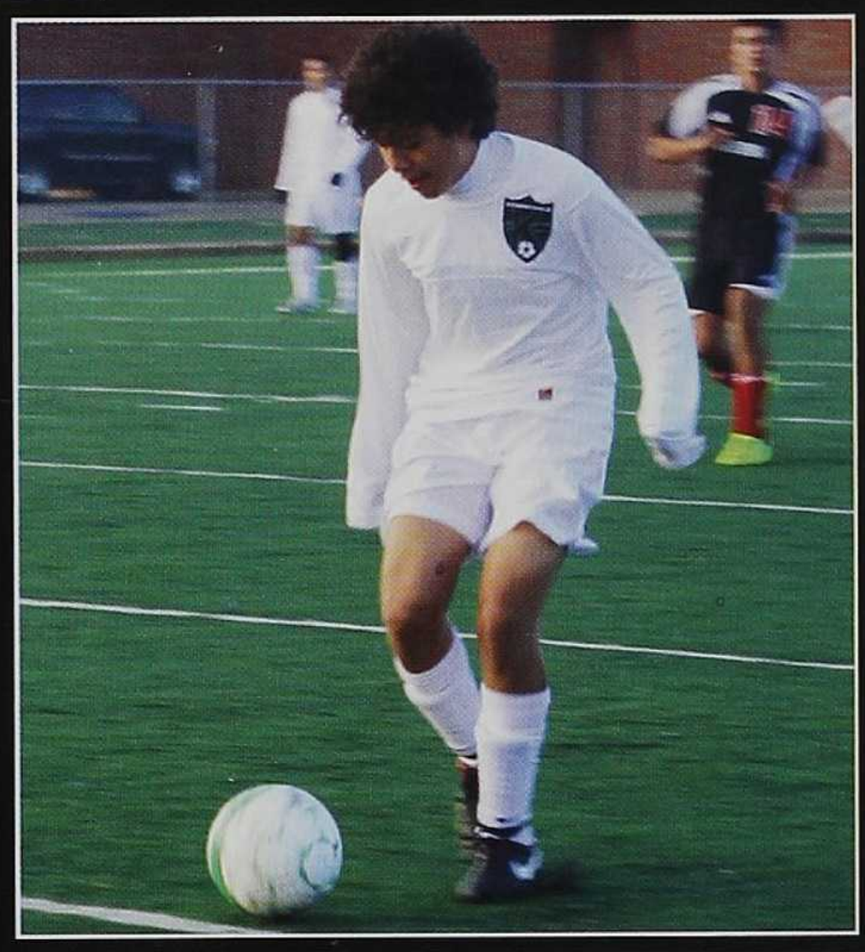
BASKETBALL

LADY KAT

Junior, Autummn Williams, #32

Autummn has achieved many goals, including: TABC All Region and All State Team. She was the District 8-3A Newcomer of the Year.

A new coach and a new approach! The Wildcat Varsity Soccer Team consisted of 6 seniors, 6 juniors, 2 sophomores and 3 talented freshmen. Coach Jesse Tovar says, "Players should respect one another and also remember that playing for Kennedale Soccer is not a right but a privilege!" These boys worked hard this season and accomplished more than this team has seen in a long time!



Doug Ream

"Co-District MVP; was the ultimate player. He could defend, score and above everything, lead! A great team captain will be hard to replace. His leadership helped the entire team grow as one complete unit."

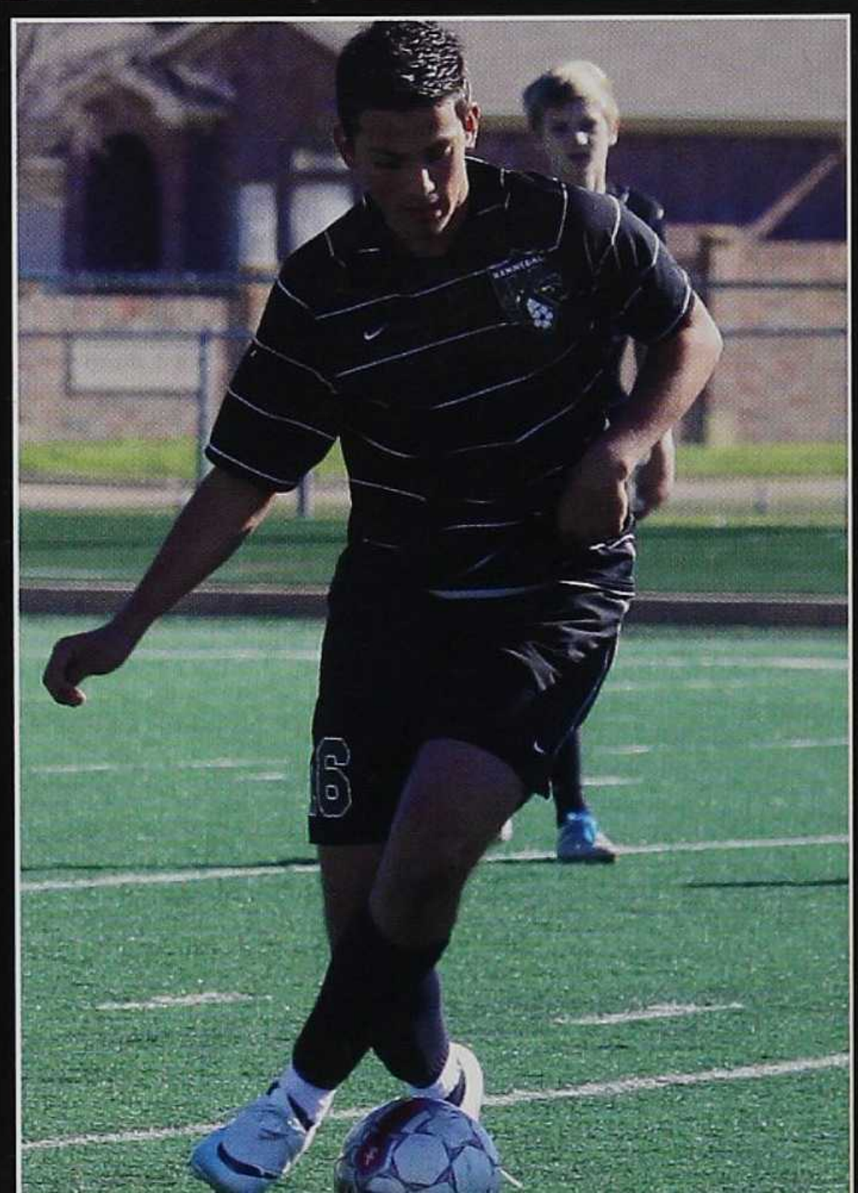
Rojen Pradhan

"1st Team All-District; was the most talented player in the district! Every team has that one player who propels other players. He made everyone around him better."

Jack Geiger

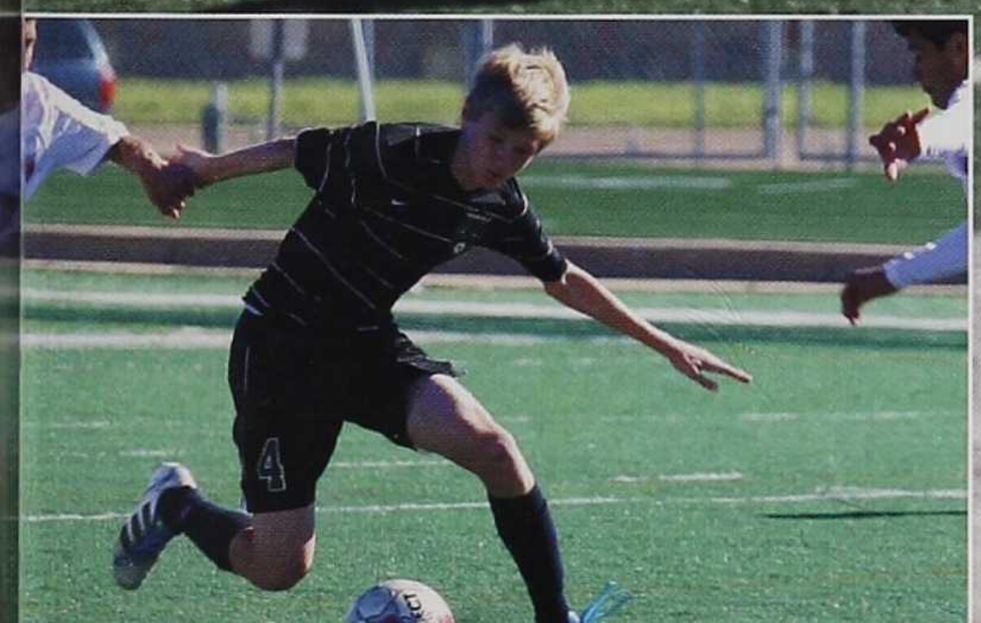
"Co-Offensive MVP; was the top goal scorer of the Wildcat Varsity Soccer Team. His goals allowed us to play in the Palestine Tournament championship game! Jack, thank you for the magic!"

-Coach Tovar

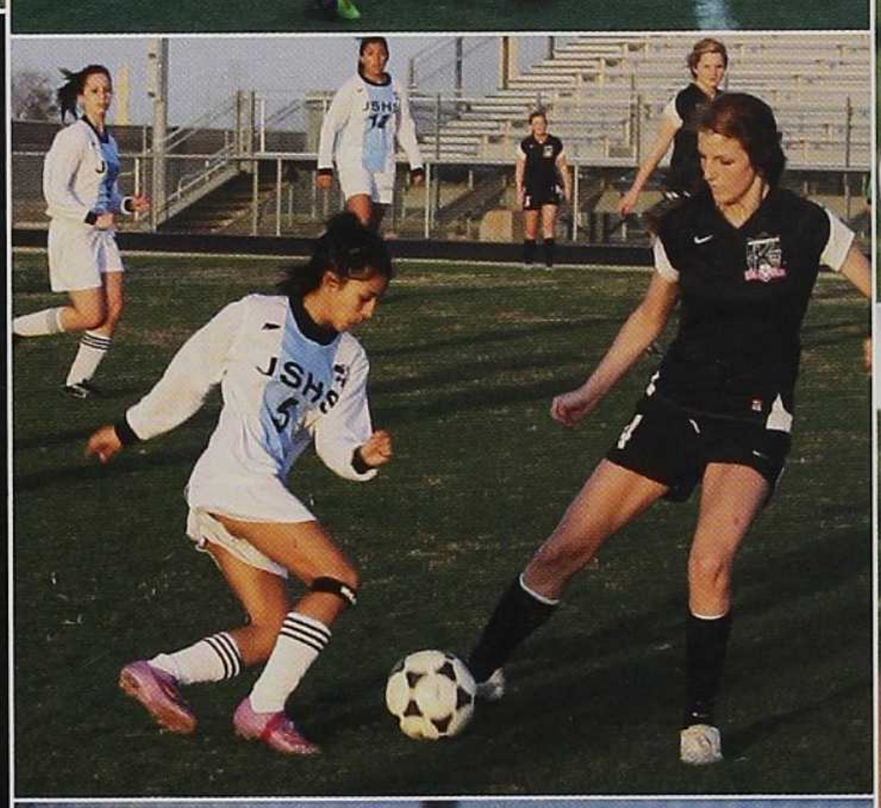


Senior, Jack Geiger, #12

Jack Geiger has really showed off his skills this season. He's known for his gnarly headers and headbands! He is the tallest on the team, which benefits him because he is able to quickly get to the ball before the opposing team. Jack is one of the team's starters and is the leading scorer with 11 goals this season.



SOCCER



This year's LadyKat Soccer team started off the season with a new coach, Coach Ryals. She made many improvements to the team, and brought in many wins for the LadyKats. They had a balanced age group, including three seniors. Captains were Seniors Hannah Allen, Nicole Degen, and Sophomore Skylar Crowley. The team struggled last year, but stepped up a lot this year, facing many fierce competitors and playing every game with great determination. Everyone is looking forward to next year, which will be an even greater year for the LadyKats.

Hannah Allen

"You have grown up to be a wonderful, caring leader. You have made it easy for me to coach you. Stick to who you are and you will go far. GIG 'EM AGGIES!"

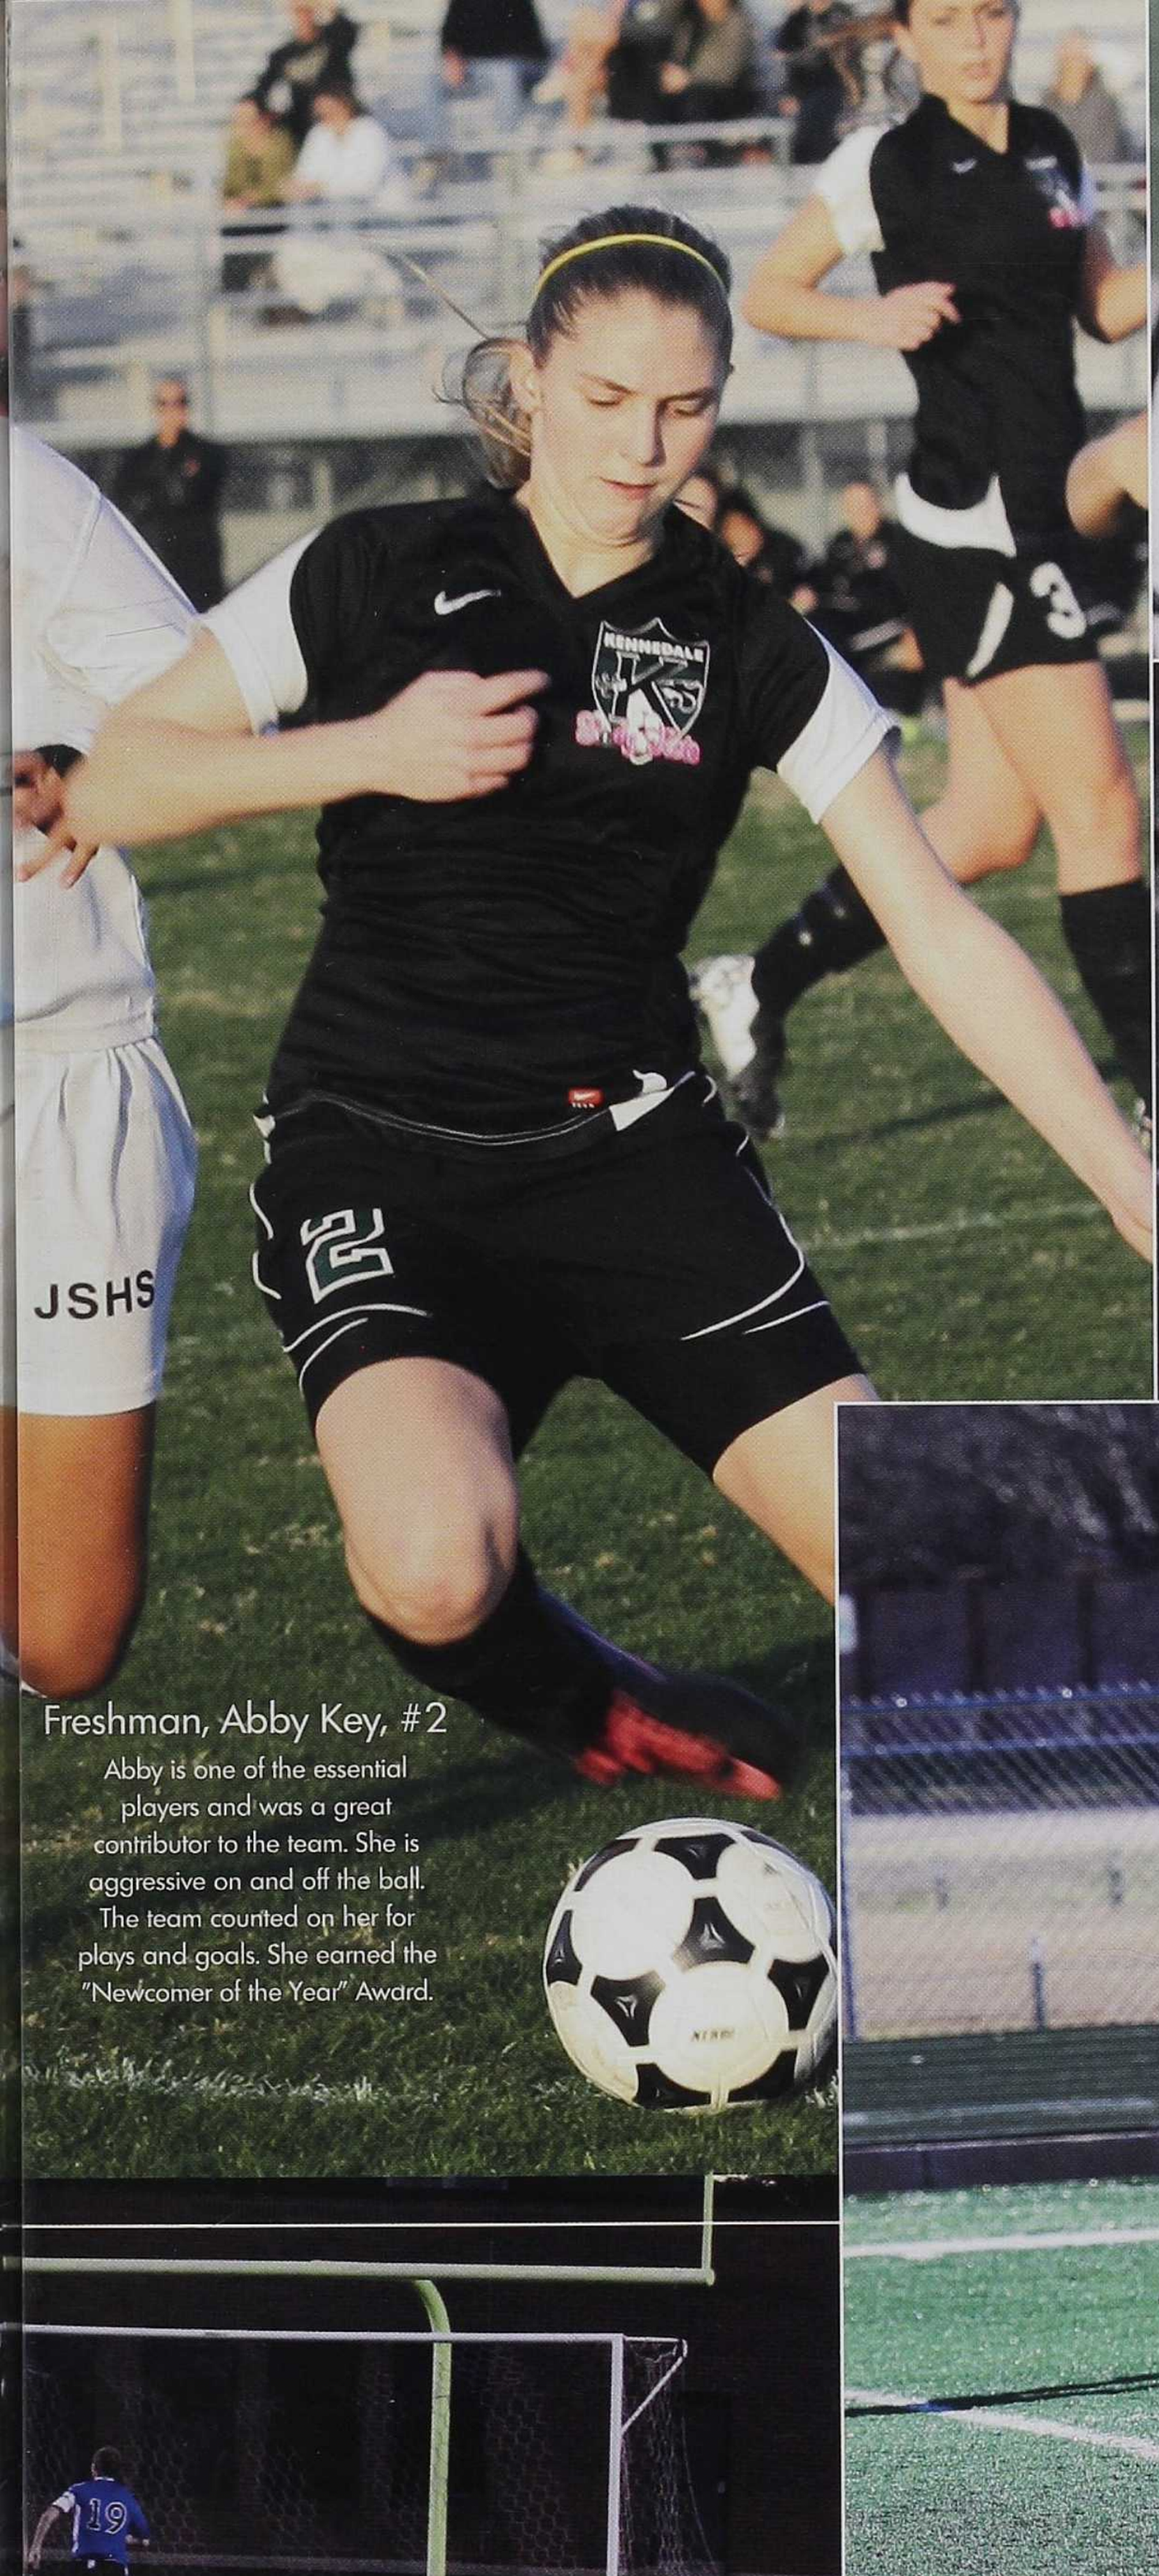
Nicole Degen

"You made this year such a fun and enjoyable season. I will never forget the laughs and Ellie May! Thank you for being a hard worker and I am very proud of all that you have accomplished. "

Tia Angadicheril

"THANK YOU for making my first year as a head coach easy, fun, and crazy! You made me love the game of soccer even more!"

-Coach Ryals

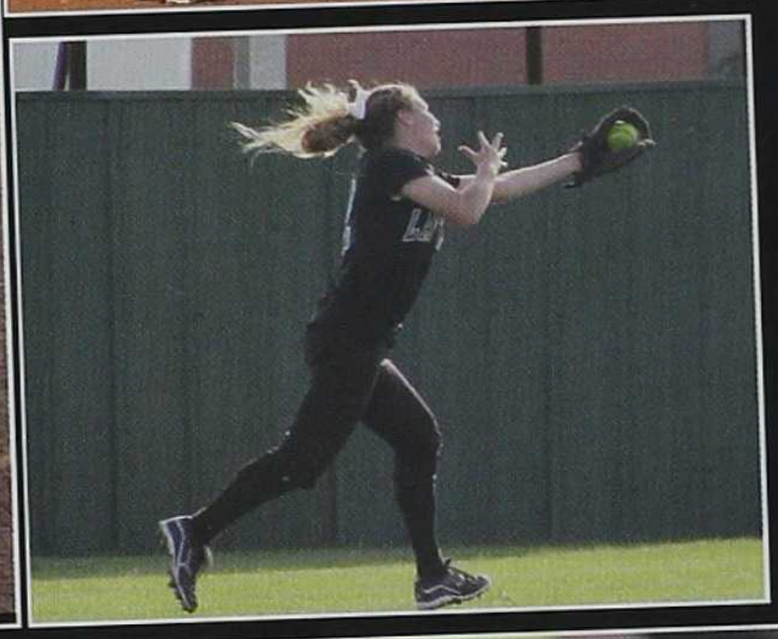


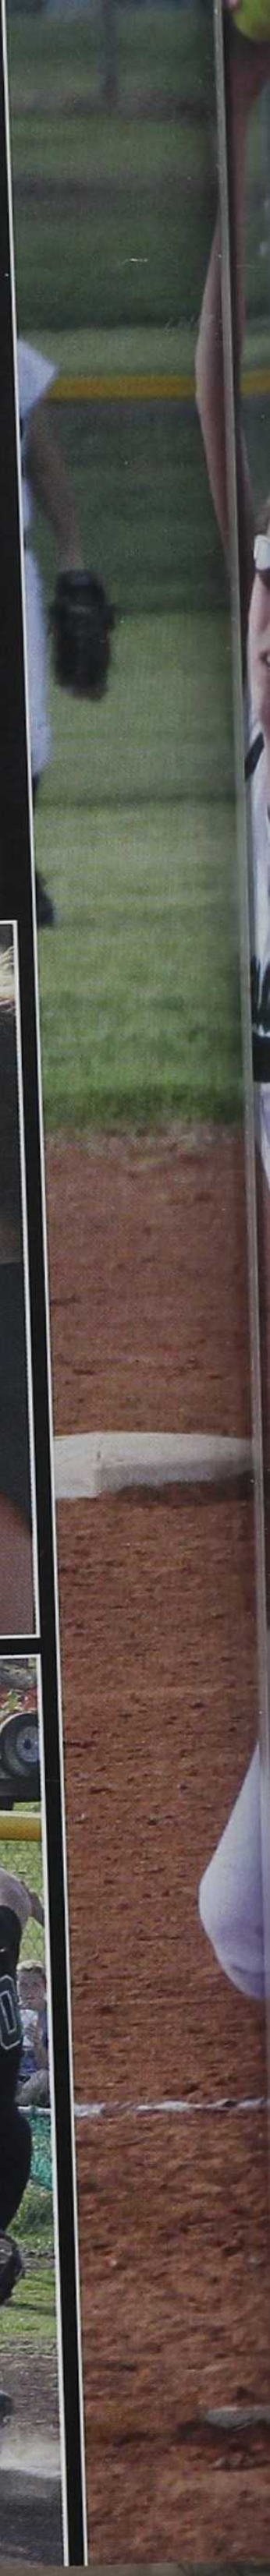
Freshman, Abby Key, #2

Abby is one of the essential players and was a great contributor to the team. She is aggressive on and off the ball. The team counted on her for plays and goals. She earned the "Newcomer of the Year" Award.

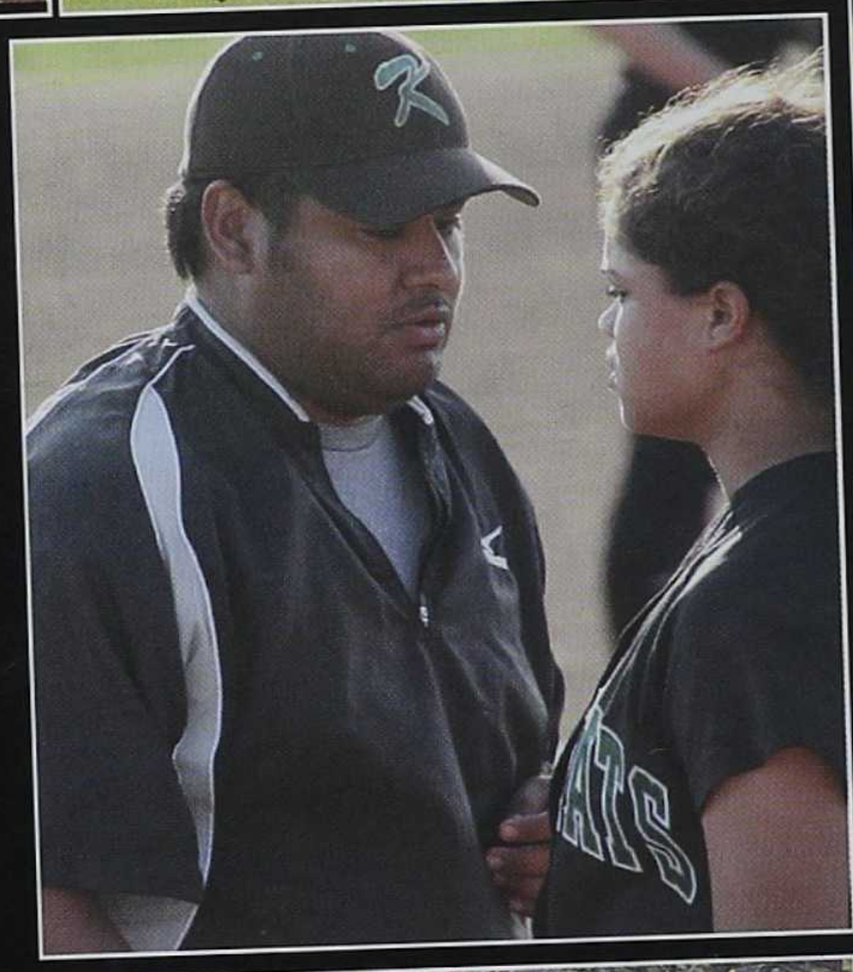
SOCCER

LADYKAT





The 2011-2012 Lady Kats Softball team had a thrilling season! These girls put all their blood, sweat and tears into the game and advanced to the playoffs for the 18th season in a row. The Lady Kats defeated Pampa to earn Regional Semi-final Champs, but unfortunately the season ended too soon when they reached the Regional Final game against West. Although the Lady Kats were cut short, it was a fantastic season!



"**Kayla Jones** and **Amber Sather** have been 4 year-starters and letter winners for the Lady Kats. As Seniors, Kayla earned 1st Team-All District, and Amber has once again been named district 8-3A MVP. Both young women were named team captains and the Teams Co-MVPs. In their senior campaigns, they led the Lady Kats to Region I finals. Amber leaves the Lady Kats batting .495, holding the team single season, and career homerun records. Kayla batted .364, and fielding .981. These young women have left a legacy for all future Lady Kats to build on. They have taught us all how to love this game, and 'play for Monday'!!!"

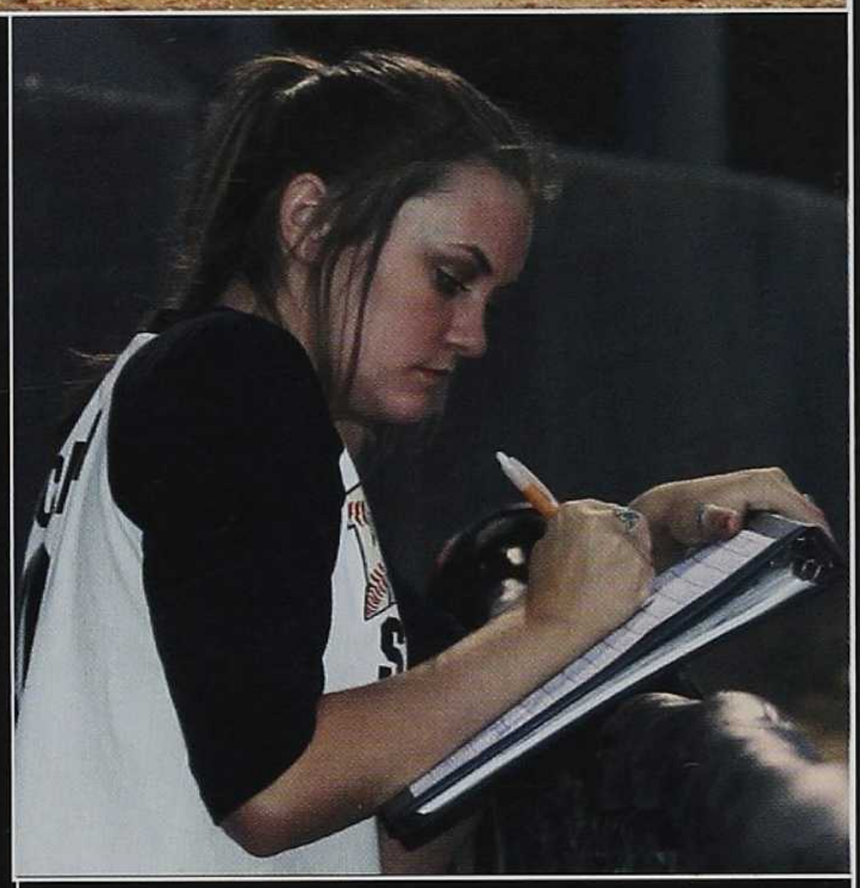
- Coach Kirkpatrick

Junior, Kaitlyn Leeds, #4

Junior Kaitlyn Leeds is an outstanding young pitcher. She has been on Varsity since her freshman year.

SOFTBALL

The KHS Baseball Program advanced to Playoffs for the 17th year in a row. It was a tough year after losing ten seniors from the 2011 State Championship Team and only returning two starters, but your 2012 Wildcats found a way to battle, grow, improve and show that "Tradition Never Graduates." The Wildcats finished District 8 - 3A in second place to West, with a record of 7-3. Coach Teague also won his 400th game this year! It was a tough battle but the will to win was never in question.



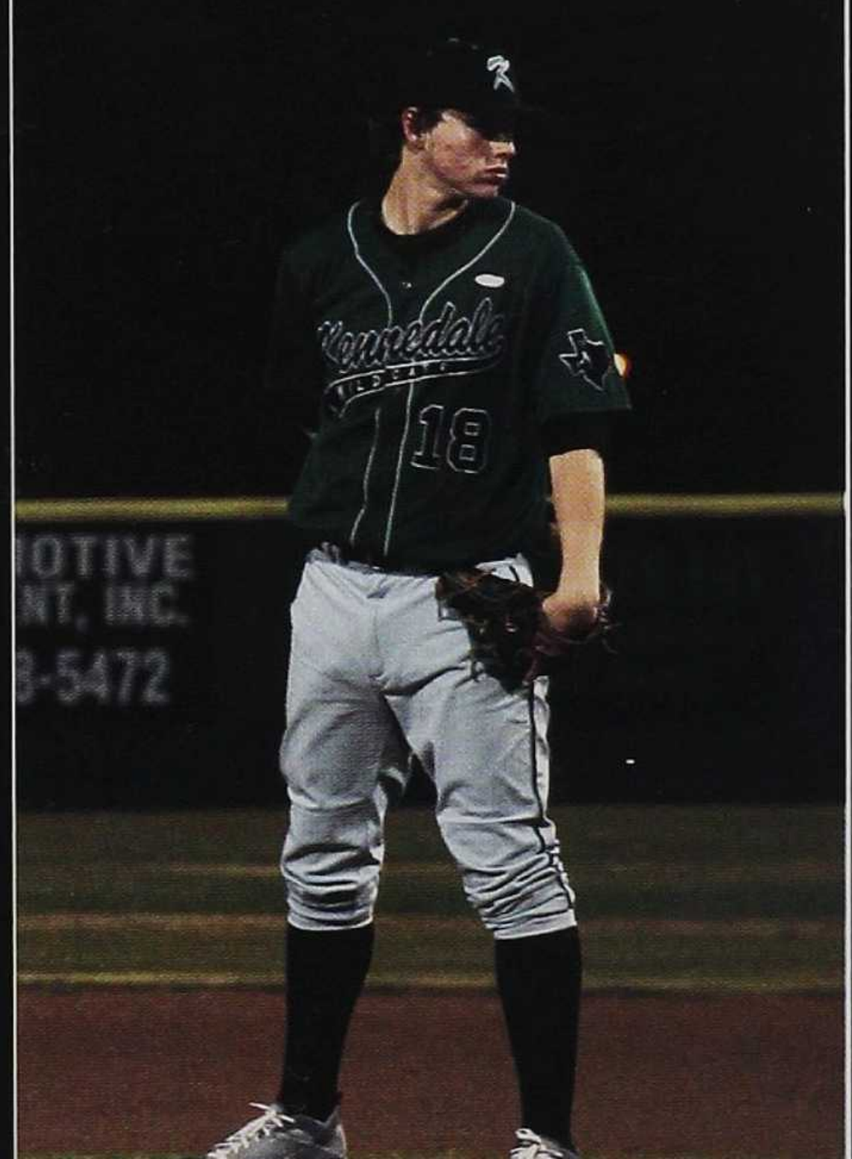
"Nic Williams
overcame his injury to make an impact on the team. He became our designated hitter and was remarkable with runners in scoring points. "

"Cole Thompson
patrolled the outfield for us and was our leadoff hitter. Cole was always taking the extra base on the hit or stealing bases for the team. "

"Jake Lowry
came back after a year off. Jake became our closer when we needed one the most."

"Clint Crabtree
joined the Wildcat baseball team last year when he transferred to Kennedale. Clint made his impact on this year's team with his pitching, playing defense and his contact hitting."

- Coach Teague

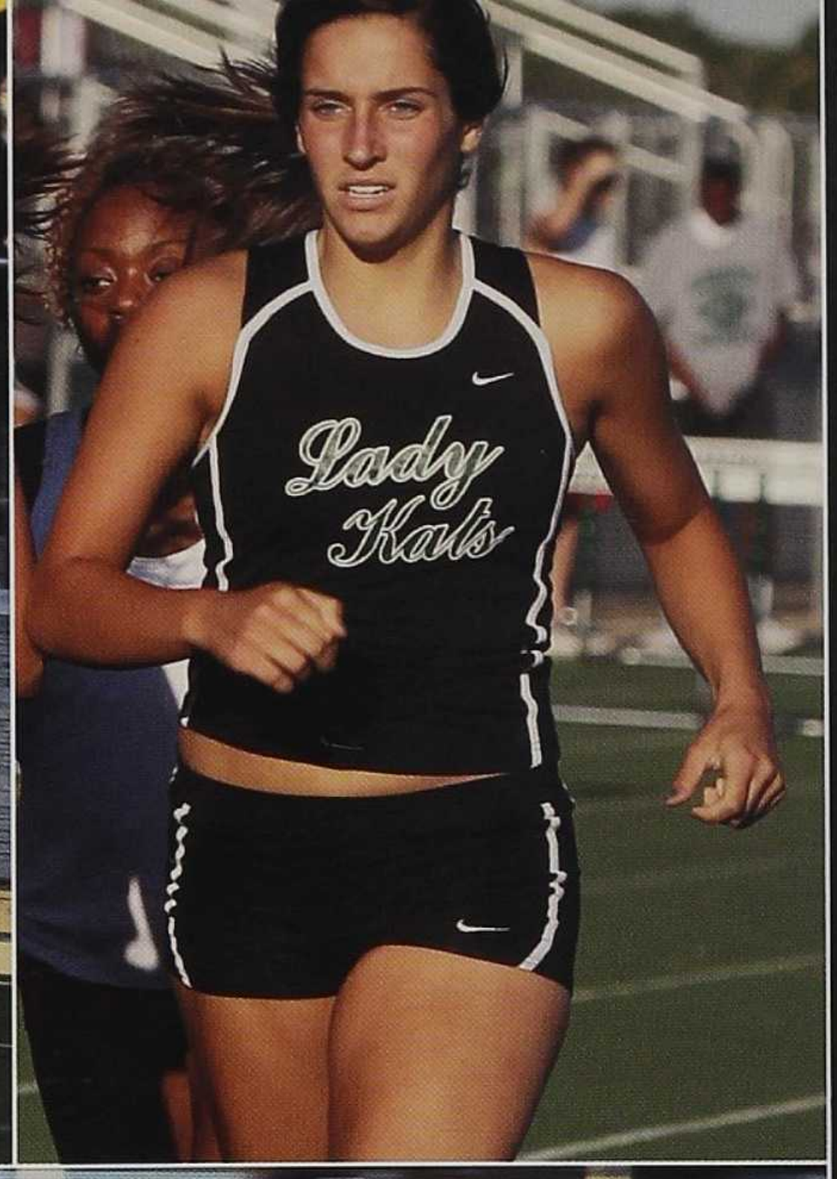


Senior, Clint Crabtree, #21

Clint was a very special aspect to the Kennedale Wildcats. He was one of the main pitchers this year on the Varsity team. Clint always had high hopes for the team and he would do whatever it took to help his teammates out. He always kept his head held high and constantly put smiles on faces. Good job on a geat season!

BASEBALL

WILDCATS



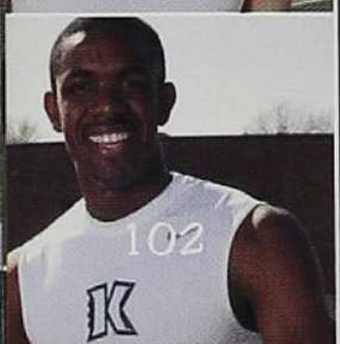
Our KHS track program has represented Kennedale very well. From district champions to more than half the team advancing to regionals, our track athletes have worked very hard. Juggling track meets and school work is not easy, but our track team made it look easy. We are very proud of the accomplishments they have achieved. Good job on a wondeful track season!

"**Jill Bietendorf** participated in her 3rd straight state track meet, qualifying in the 4x200 this season. She recently signed her letter of intent to run track for McMurry University in Abilene, TX. Jill brought great leadership and work ethic to our team this year and it's great how no matter how tough it is, nobody can get that smile off her face."

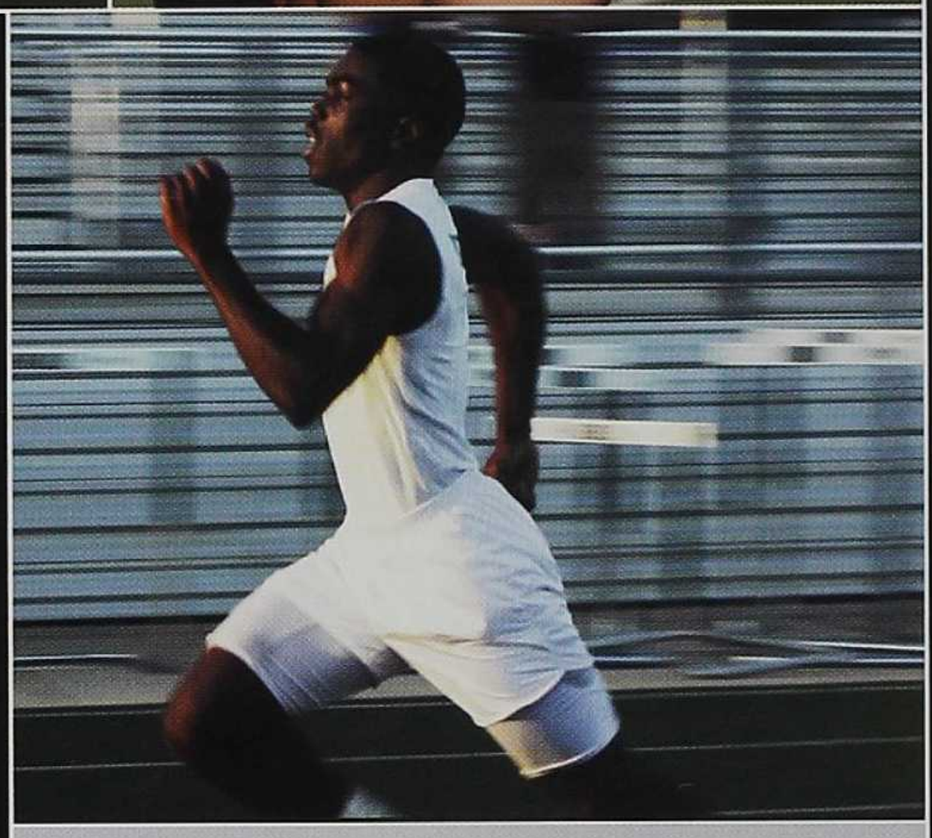
"**Regan Hunt** won her 3rd straight district high jump championship this year and also made it to regionals in the triple jump. It was great that Regan was around to help mentor the young girls and keep a smile on everyone's face. Even with that busy schedule, she managed to have a very successful year . Good luck at UT next year!"

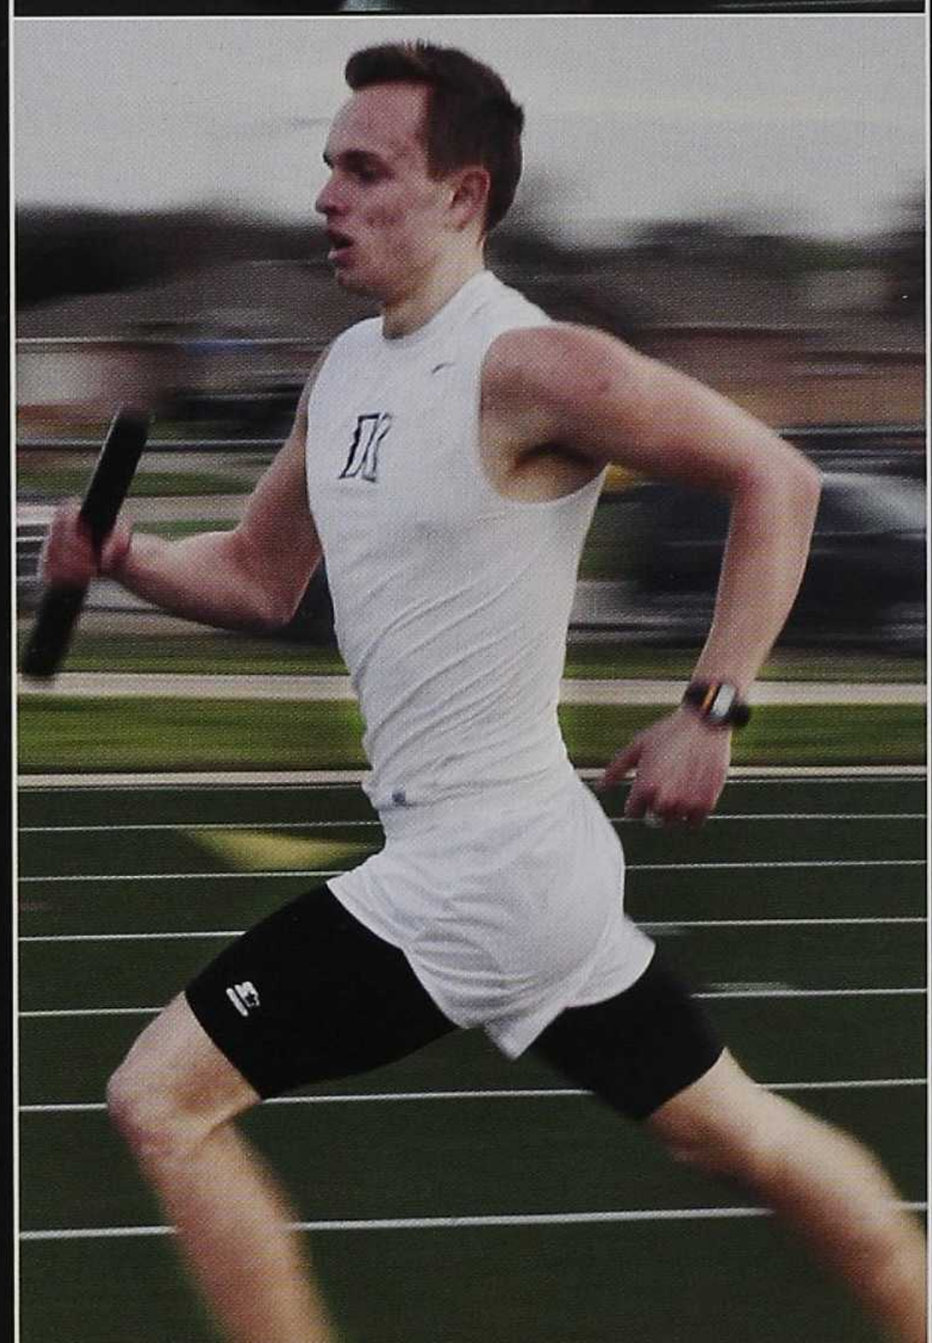
- Coach Youngs

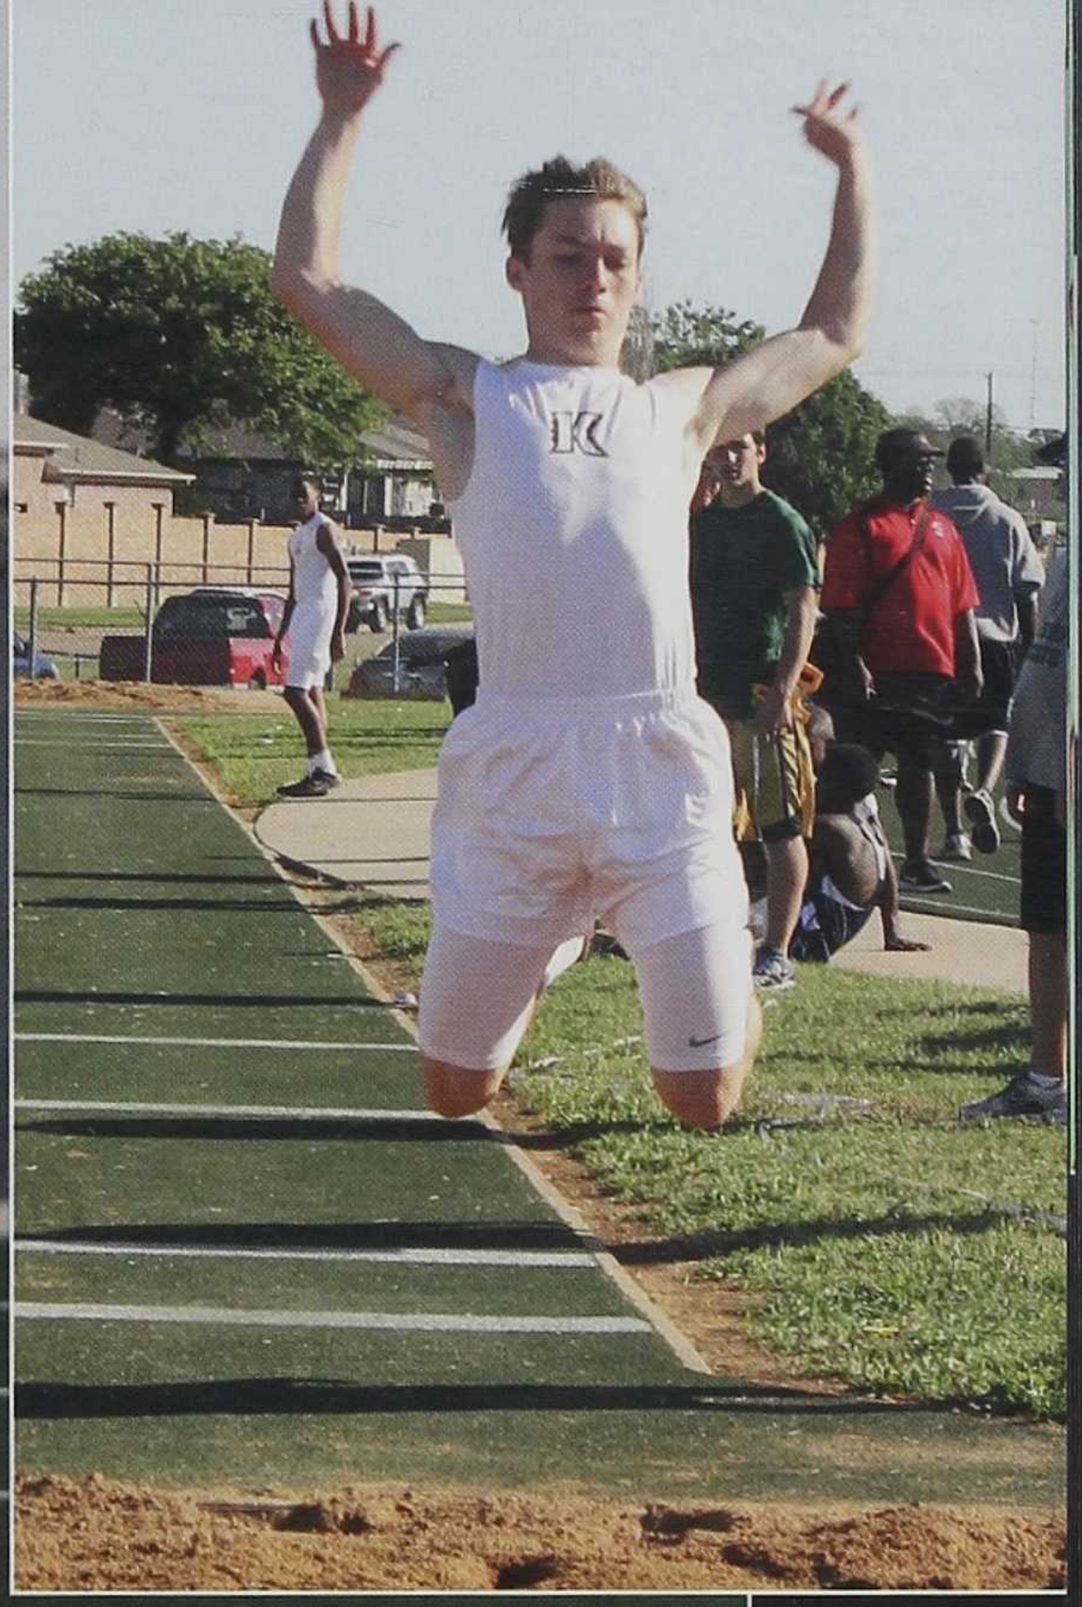
"**Cole O' Brien** was our only senior in long distnace this year. He started off running the mile and the 2 mile. During the middle of the season we decided to try him in the 800 and he did extremely well. Cole was a great leader and always put forth effort. He never complained and always had a good attitude. Good luck in college!"

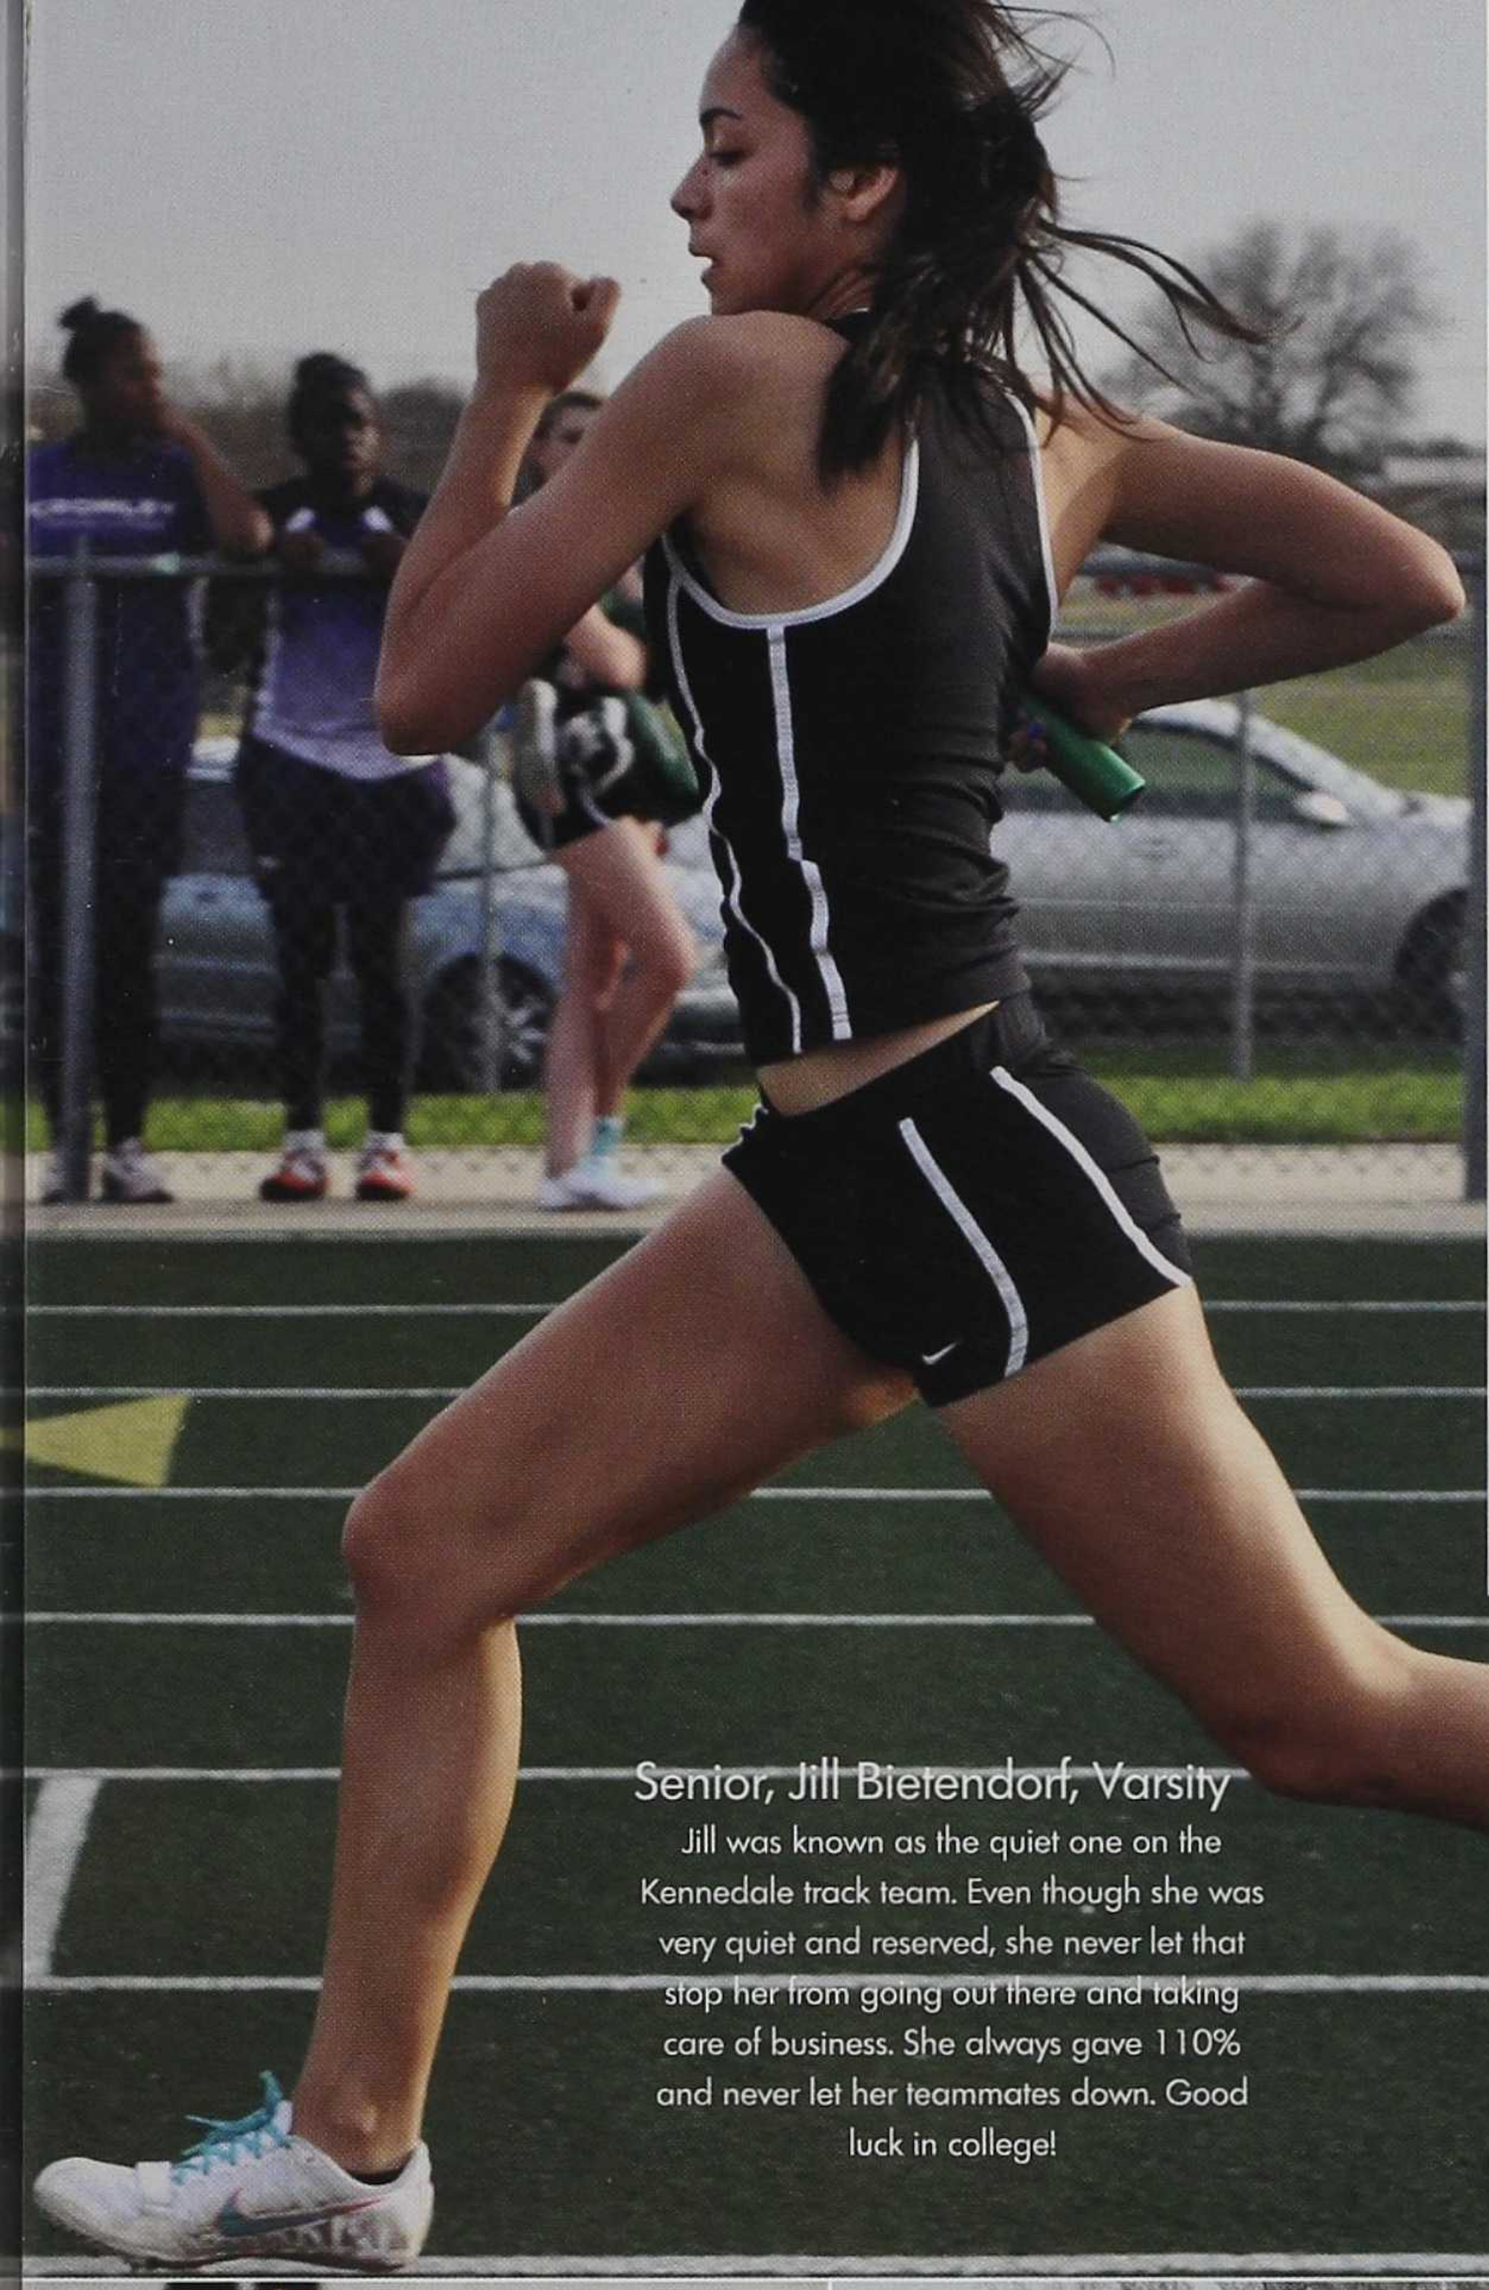


"**Cody Coleman** was the MVP on the boys varsity track team. Cody is very talented and can almost do anything he sets his mind to. With Cody being able to run almost any race, he made the choice to run in every relay to try and get as many of his team members to Lubbock. Cody really took charge and showed what a great leader he was. He had a successful year! Good luck in college!" **- Coach Polk**









Senior, Jill Bietendorf, Varsity

Jill was known as the quiet one on the Kennedale track team. Even though she was very quiet and reserved, she never let that stop her from going out there and taking care of business. She always gave 110% and never let her teammates down. Good luck in college!

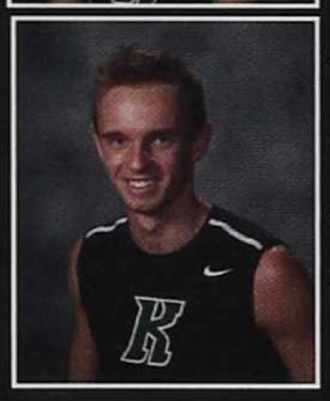
TRACK

The cross country team was very grateful to welcome a new group of dedicated and hardworking runners this season. With a lot of help from boys on the KHS soccer team as well as freshman runners on the girls team, Kennedale XC was able to perform at an excellent level this year with the boys placing 3rd in district and the girls placing first.

"**Jill Bietendorf**
is a 3 year CC letter, and 2 year Regional Qualifer, and finished the year with a personal best of 13:55. Jill is one of the 'hardest working' runners."

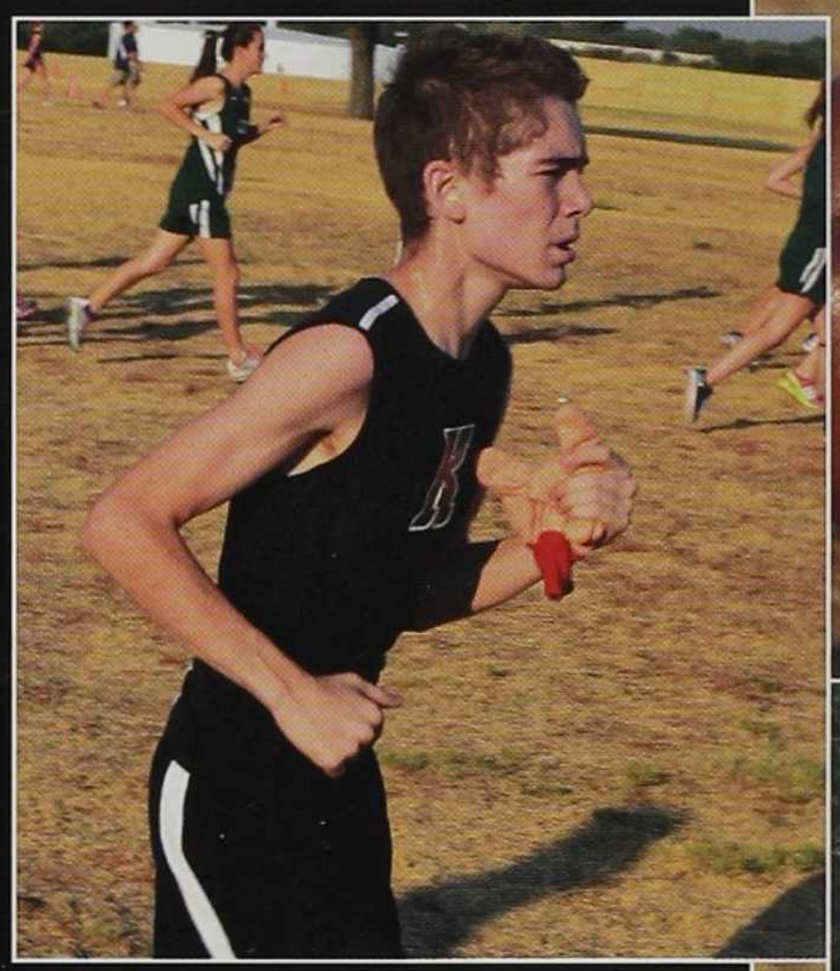
"**Candace Jackson**
finished the year with a personal best of 14:38. Candace is the "Most Determined"

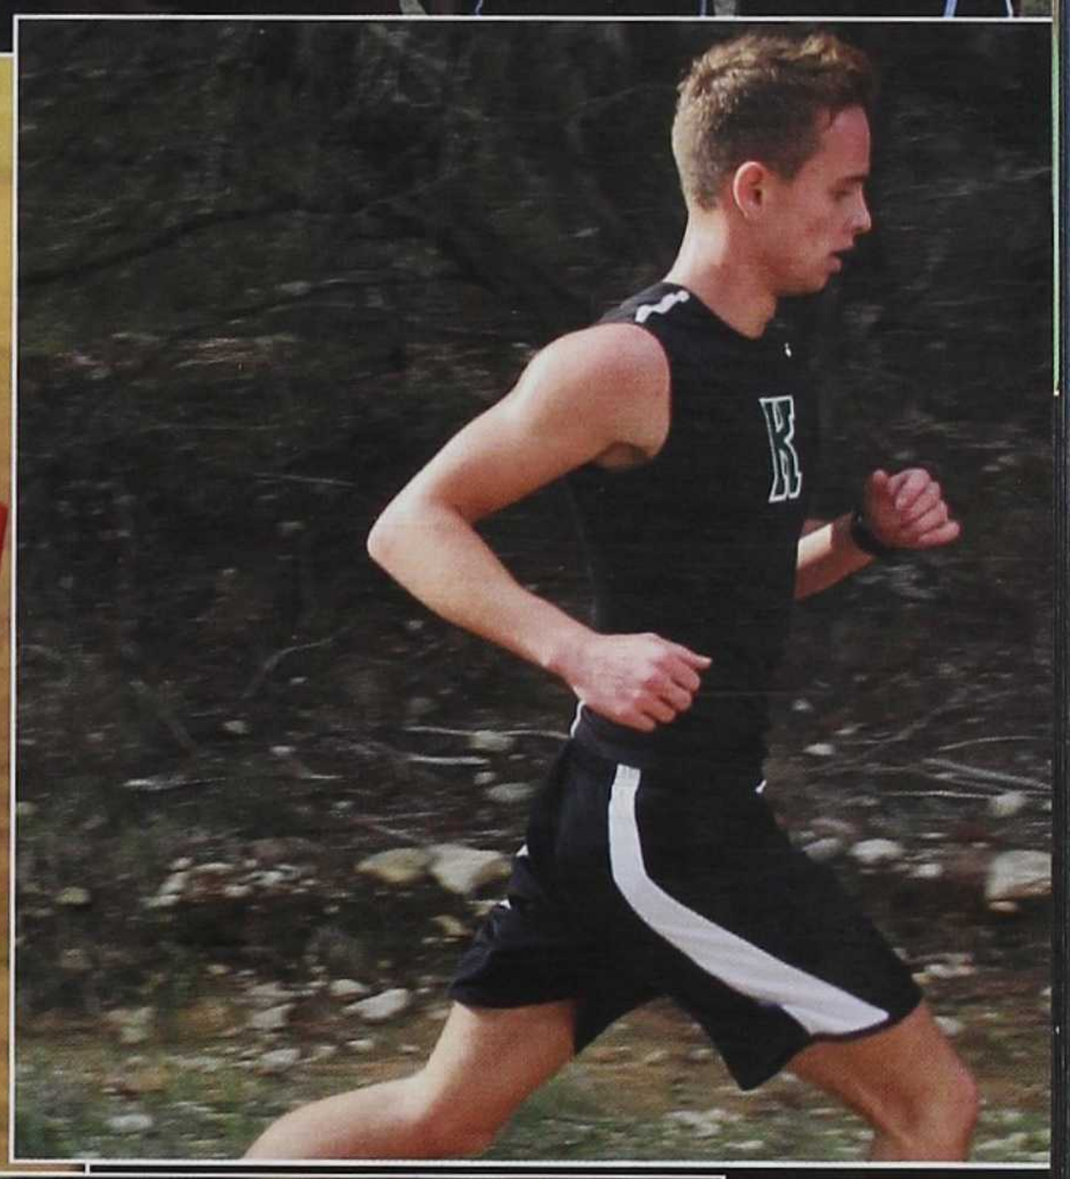
"**Regan Hunt**
is a 3 year CC letter, 2 year Regional Qualifier, and finished the year with a personal best of 13:21."



"**Cole O'Brien**
is the biggest diva in cross-country, but a true die-hard long distance runner. He is a Regional Qualifier, and finished the year with a personal best of 17:24 in a 5K race."

-Coach Smith



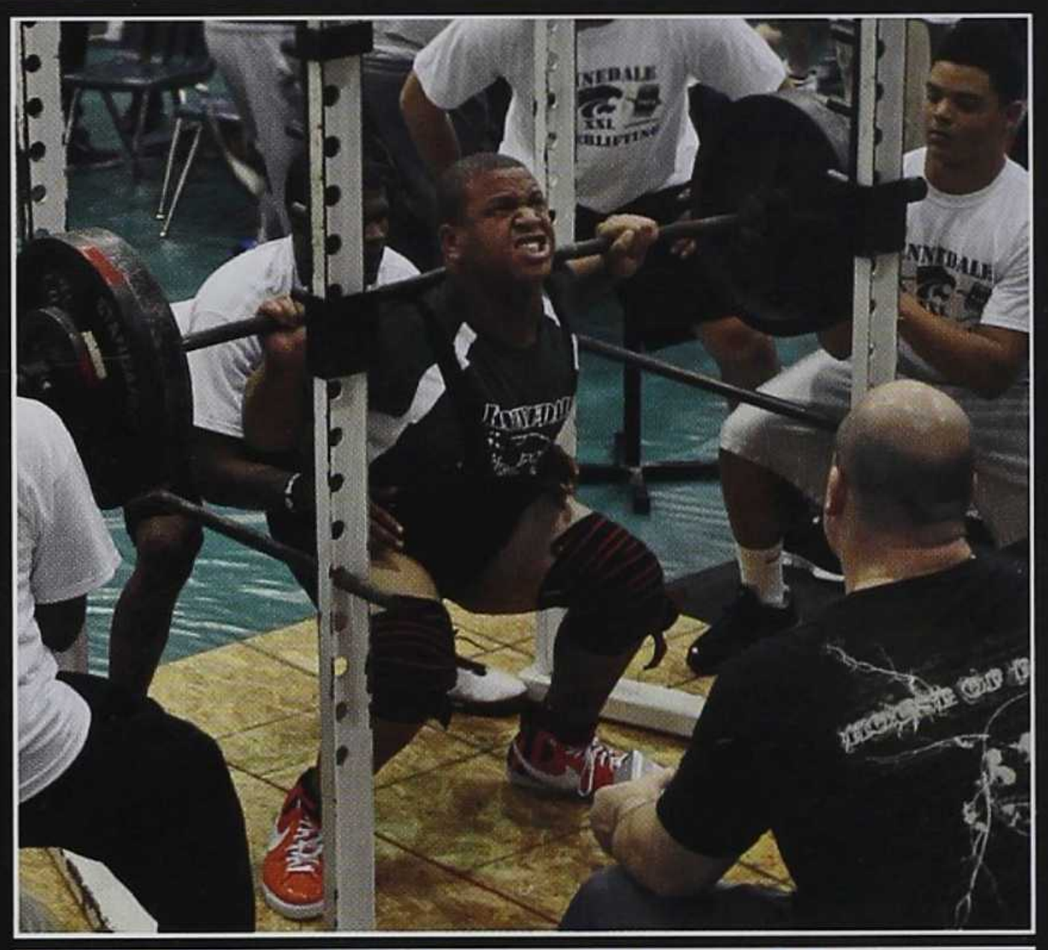


Senior, Rojen Pradhan

Rojen was a tremendous help on the boys XC team. He was a very consistant runner, always finishing middle to the front of the pack. Overcoming a knee injury, Rojen was able to help place the team at district.

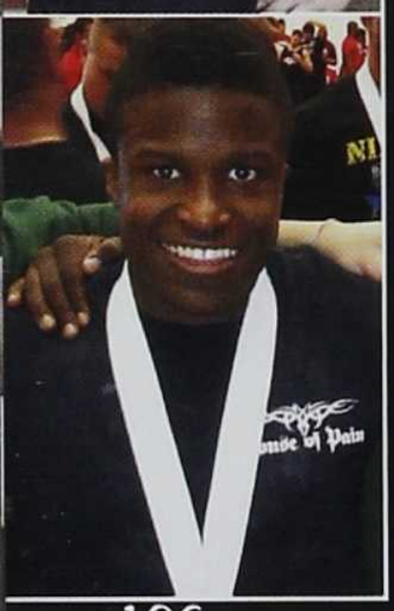
WILDCAT XC

Kennedale Powerlifting had a very powerful and strong season. Senior Amber Sather was not only a state champion but she also broke the state record for total pounds lifted. Our girls and boys worked very hard and did not give up. Most of them advanced to regionals and, of course, some advanced to the state powerlifting meet. Our powerlifters did a great job of representing Kennedale. Good job on a wonderful season!



"It hs been my pleasure to have coached **Amber Sather** throughout her high school powerlifting career. She has set the bar high for future athletes to aspire to as she won a state championship while gaining an invitation to the 2012 IPF LIS Championship. Congratulations to Amber on all of your success....past and future."

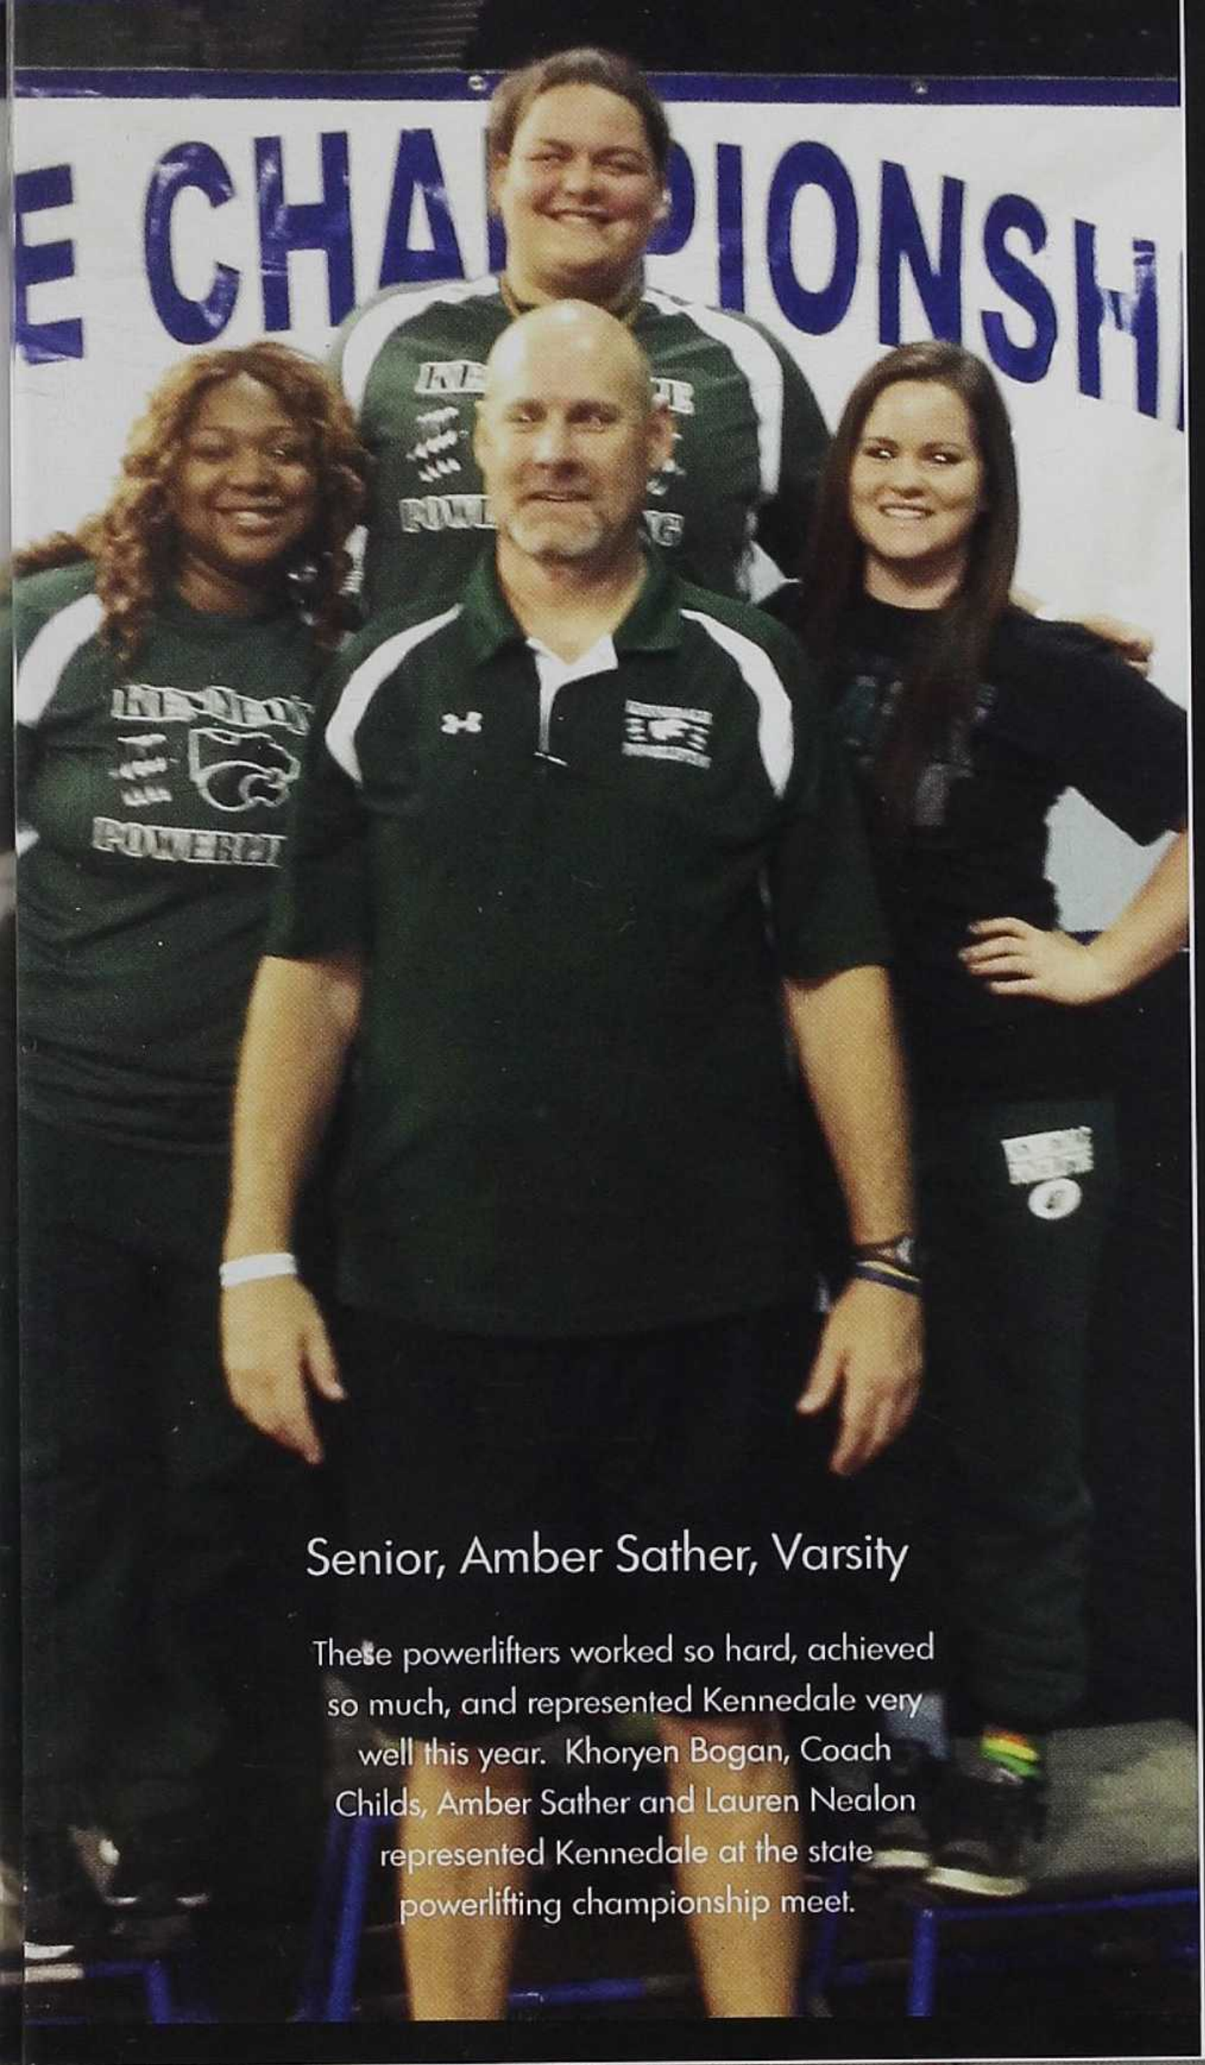
- Coach Childs



"I will always appreciate the things that **Sean Guinyard** did for our team this year in terms of leadership. He never backed down from a challenge. One of the biggest challenges he overcame, was coming back from injury last season to be able to compete again this year. He put himself in the position to win the Region 6 Championship, then finished 3rd at the State Meet with a new personal best. Sean will be hard to replace next year, but he plans to continue his lifting in college if possible."

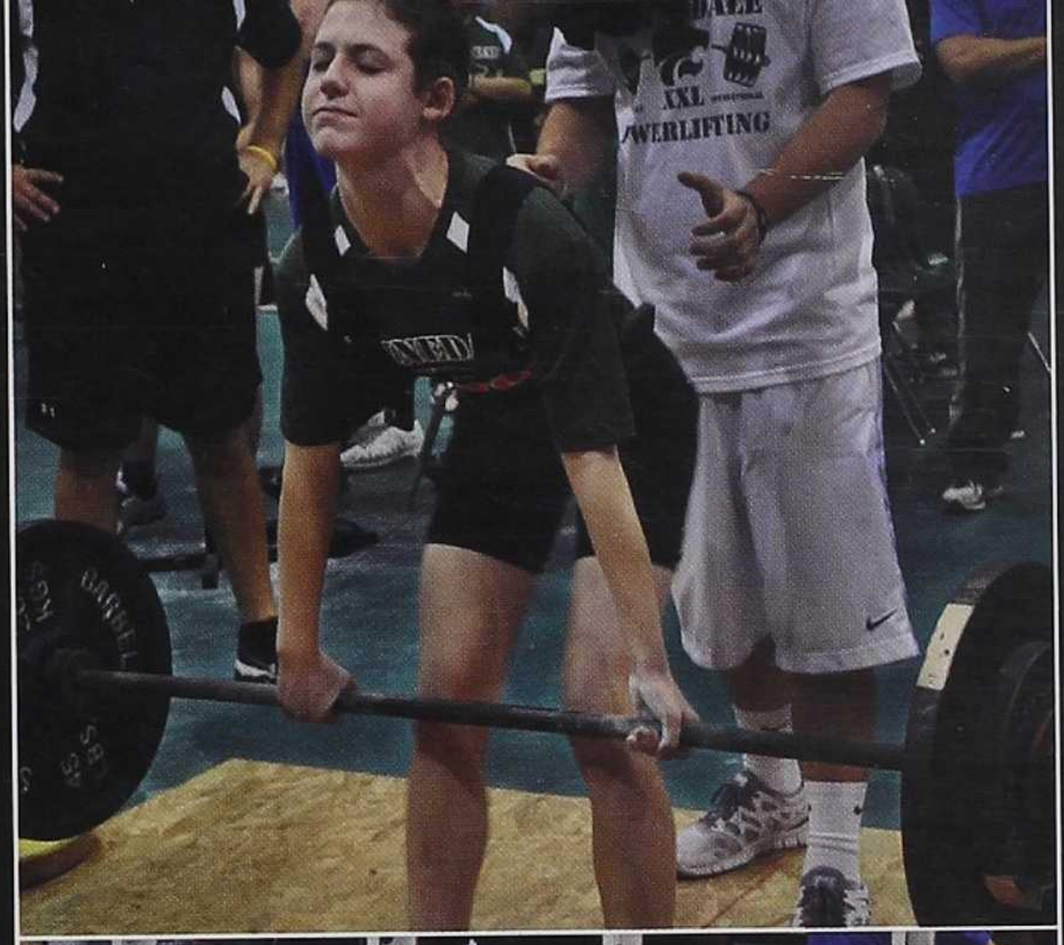
- Coach Burke

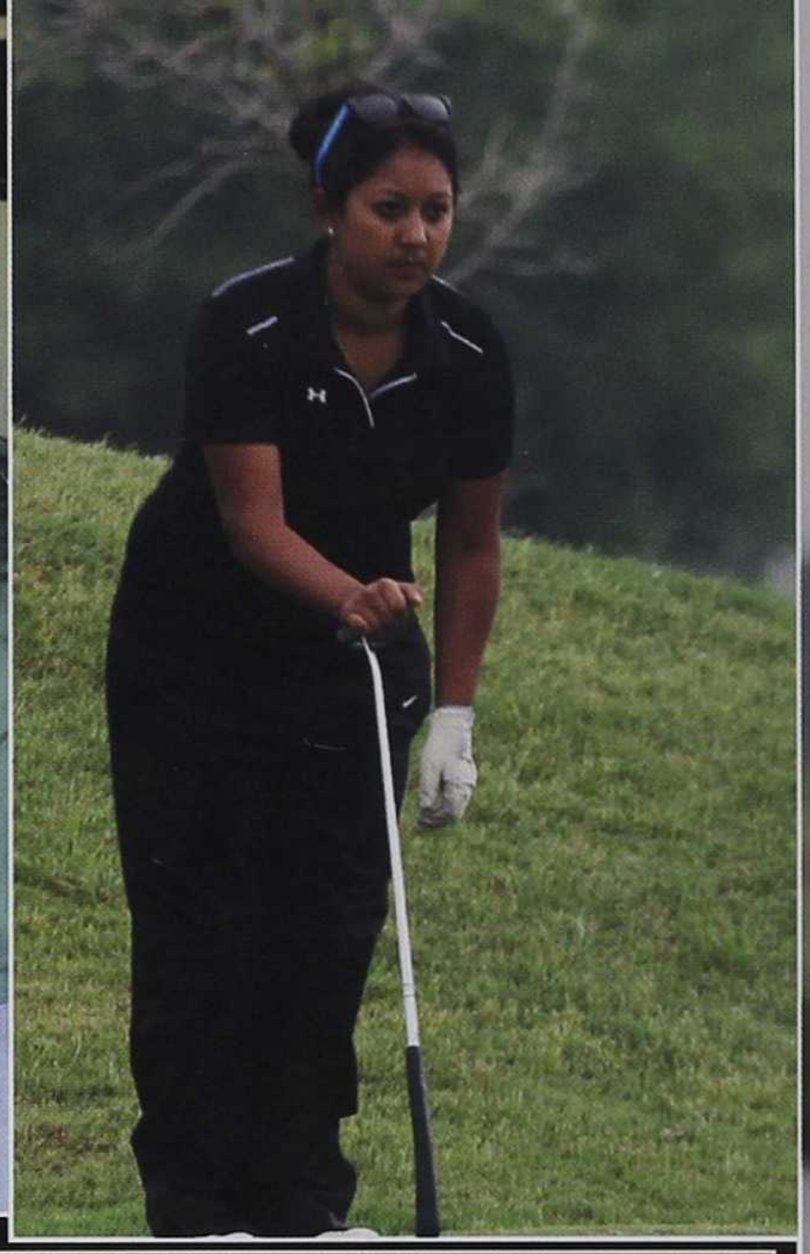
POWERLIFTING



Senior, Amber Sather, Varsity

These powerlifters worked so hard, achieved so much, and represented Kennedale very well this year. Khoryen Bogan, Coach Childs, Amber Sather and Lauren Nealon represented Kennedale at the state powerlifting championship meet.





"His dedication towards golf is beyond belief. As he practices more than a man should, he achieved a school record of 68 in District, placed 1st and advanced to Regionals, missing state by 4 strokes", said teammate Josh Erwin, describing Cole Ward. Our Varsity Golf team gave everything they had to accomphlish an awesome year. The boys placed 3rd at the 2012 District tournament, while Juniors Cole Ward, Josh Erwin and Senior Analisa Garcia won a spot in Regionals in San Angelo, TX. The golfers had a very satisfying year and KHS will be delighted to see them in action next year.

Travis White

"He was enthusiastic, full of character and fun to play with; he joined last year and I was skeptical because he played soccer."

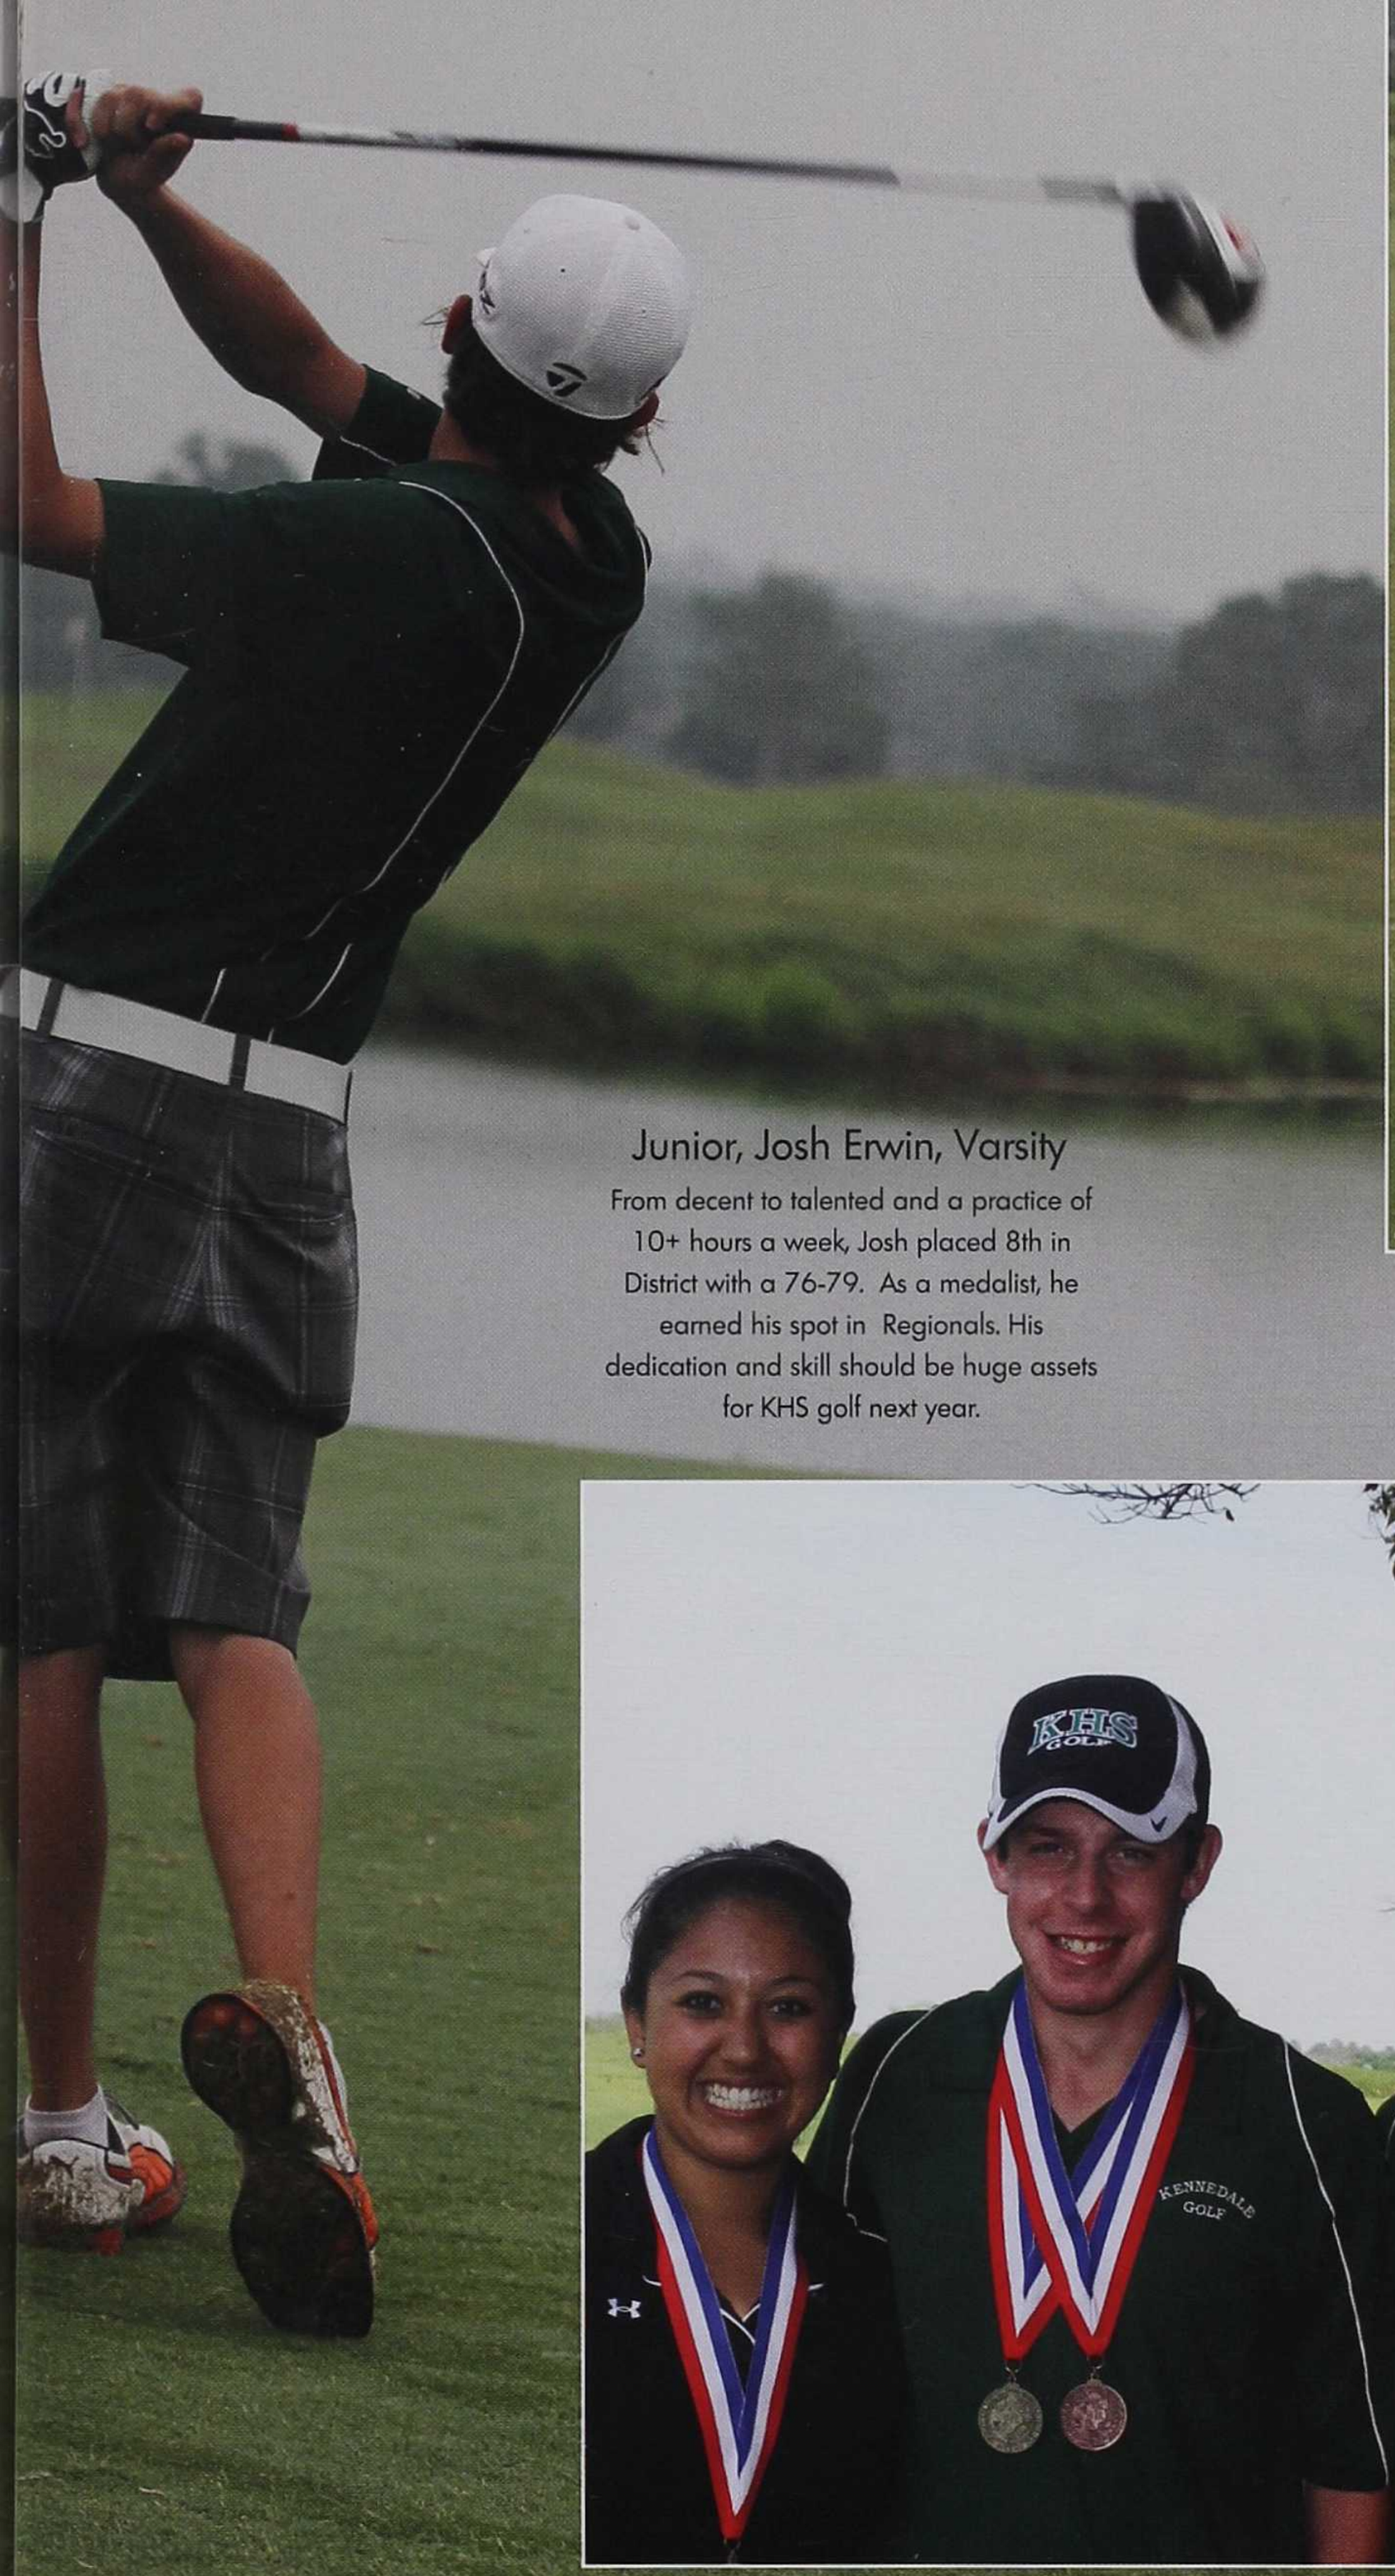
Analisa Garcia

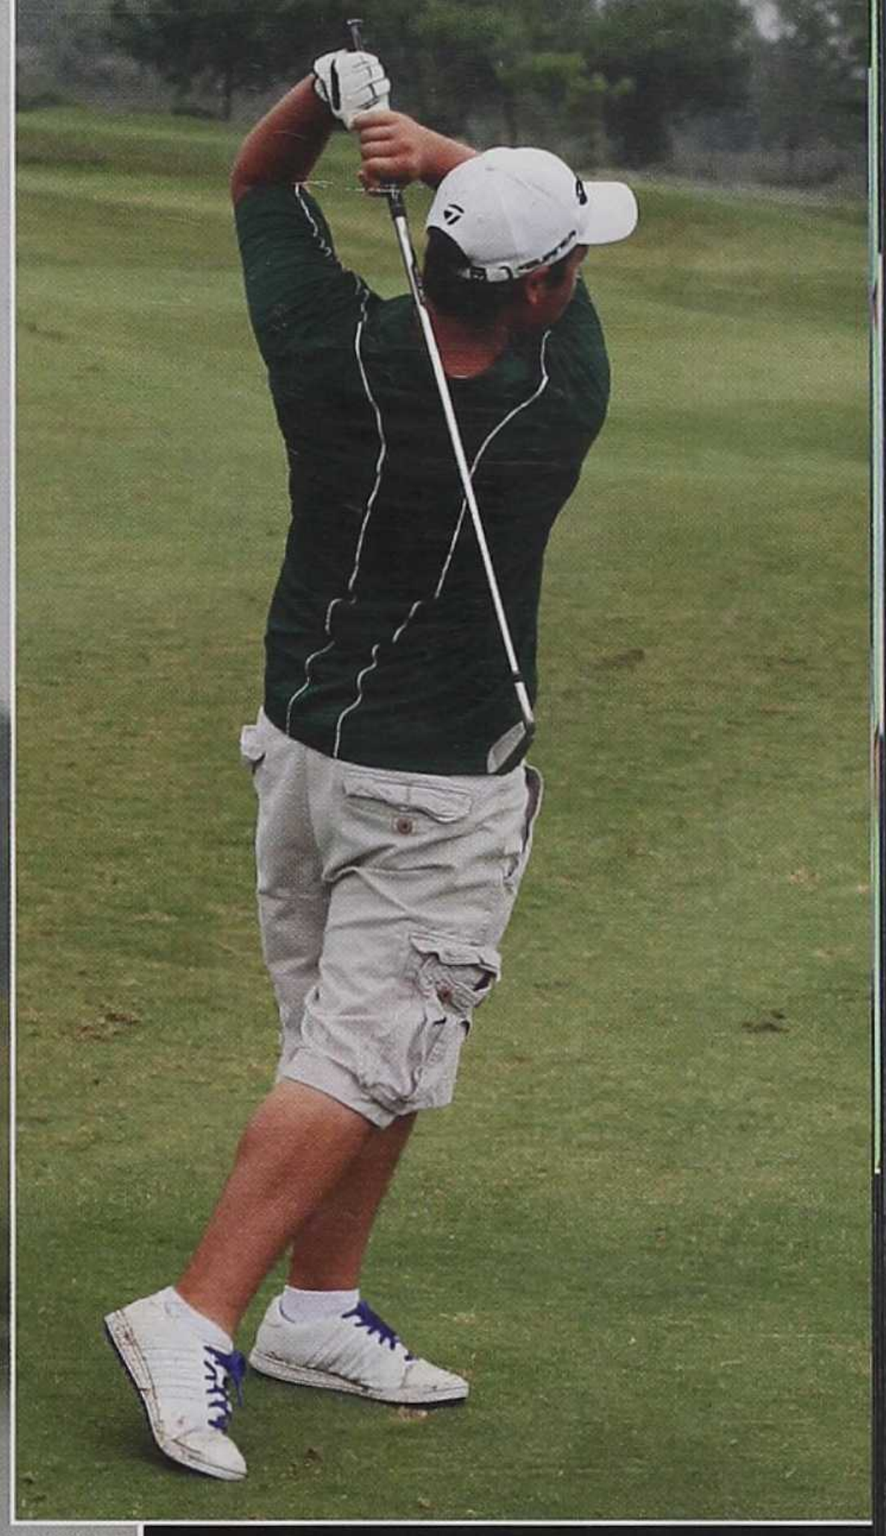
"She was my competition during my freshman year. It was fun trying to beat her, and even when I did she was still fun to play with."

Rob Gekeler

"He always played with a slight draw, but once he straightened out and kept his attitude, he proved to me to not take things too seriously."

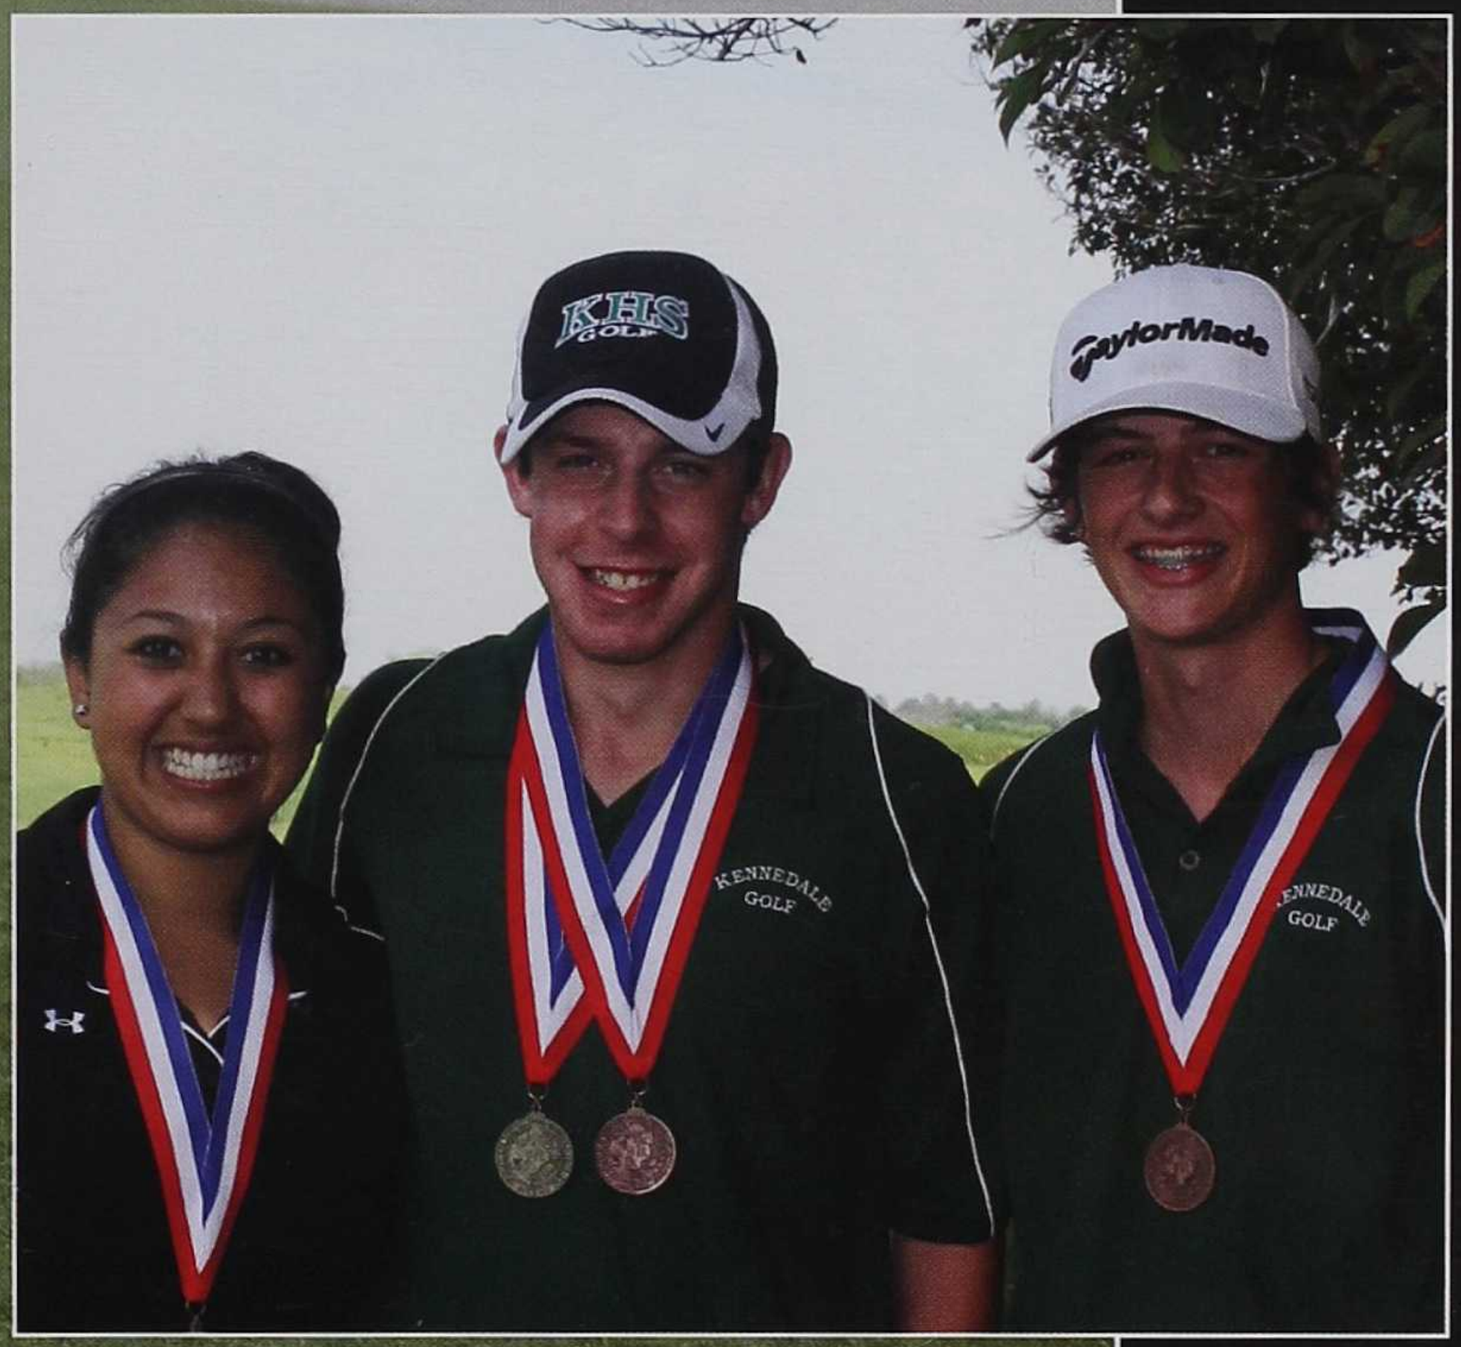
- Josh Erwin
(Teammate)





Junior, Josh Erwin, Varsity

From decent to talented and a practice of 10+ hours a week, Josh placed 8th in District with a 76-79. As a medalist, he earned his spot in Regionals. His dedication and skill should be huge assets for KHS golf next year.



GOLF

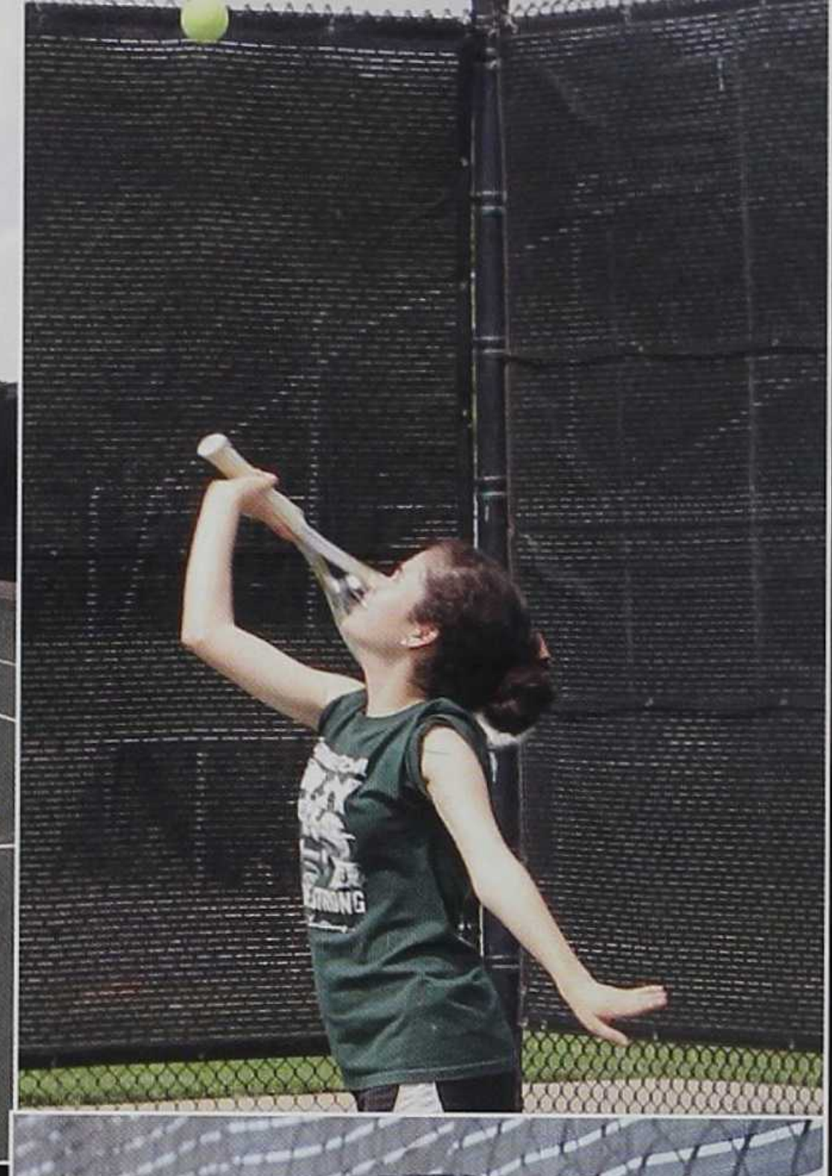
The goal for Wildcat Tennis was to compete at a higher level than last year. The team met that challenge with Sophomore Isaac Harrell, Junior Bree Schroeder, Senior Mark Grant and Sophomore Cuillin Chastain-Howley leading the way. This group of players received top ranking in local, district and regional tournaments, once again putting Kennedale on the map. Great things are in store for next season as the team strives to advance more players to the regional tournament.

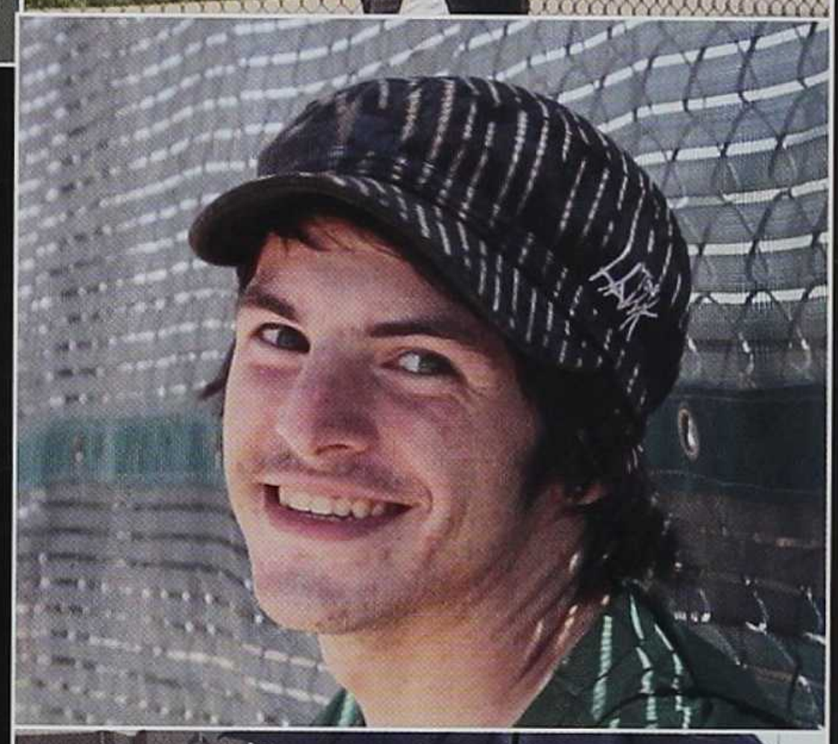
Mark Grant II

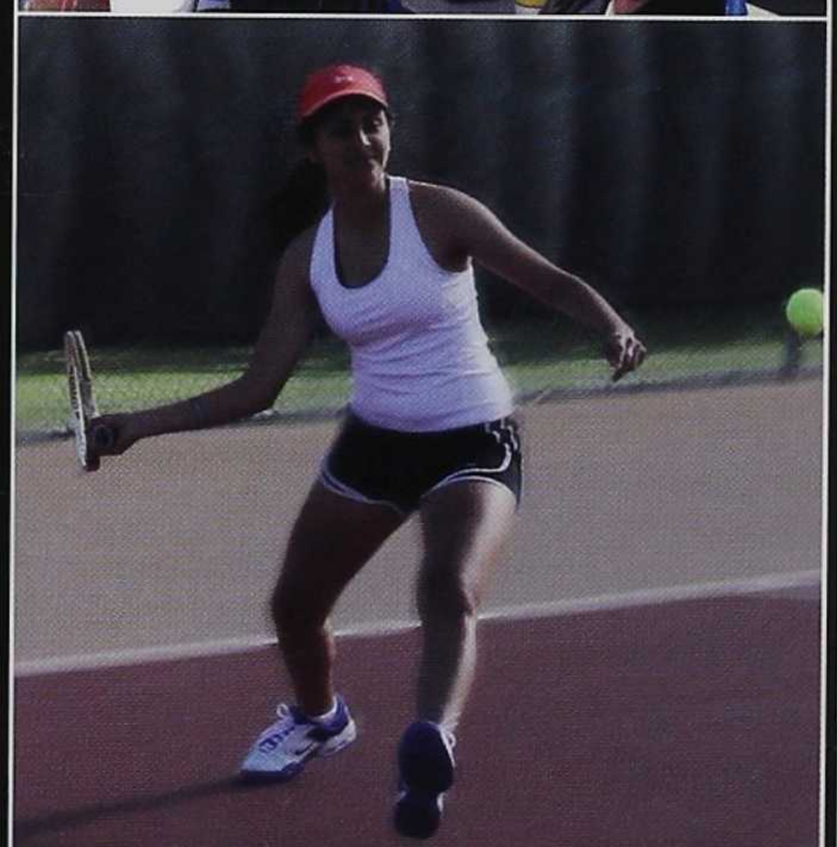
"It's been such a pleasure coaching Mark over the past few seasons. Mark is a hard worker and a valuable asset to this team because of his leadership."

"**Maddi Grimes** and **Tia Angadicheril** played doubles together all season long. These two ladies improved every tournament they played. They were always fun to watch."

- Coach Mindy Morris







Sophomore, Isaac Harrell, Varsity

Isaac Harrell is the District 8-3A Boys Singles Champion as well as a Region Tournament Qualifier for both 2011 and 2012. He is also 2012 Mineral Wells Invitational Boys Singles Champion and 2012 Mansfield Legacy Kowbell Classic Consolation Champion. His record for the season is 16 wins, with only 5 losses.

TENNIS

Amanda, Raegyn, Katelyn, April, Marisa, Tiffany, Dakota, Brandi, Abby, Kassidy and Matthew are the Kennedale Athletic Training Students this year. They're responsible for aiding and bringing water to the athletes when they are hurt, injured or thirsty. They work hard to make sure all the athletes are well and taken care of properly. This group of role model students are all also CPR certified. Plus, they get to see every game for free!

Amanda Craig

"Baby Craig!!! I have seen little shy, reserved, dependent Amanda Craig, turn into independent, outgoing, 'don't mess with me' Craig! Amanda is dedicated and will go on to lead a prosperous life. You were/are always a joy to have in the athletic training room."

Reagyn Bossaller

"What a firecracker! Raegyn is gonna be successful cause she knows what she wants and goes after it. Good Luck in your endeavors Raegyn. I will always be a fan of yours!!!"

"Katelyn Kayser

is fun to be around and a pleasure to have in the athletic training room. She is smart, eccentric, self-driven and bound for success! She has a tough road of education ahead of her, but she is destined for Greatness!!! Good Luck Katelyn"

- Gus Stevenson

Senior, Amanda Craig

Amanda Craig takes a quick break to smile for the camera. She has been a Trainer for four years in a row. Her hard work definitely pays off in the end because as her shirt says, "We Save Lives" and what could be more rewarding than that?

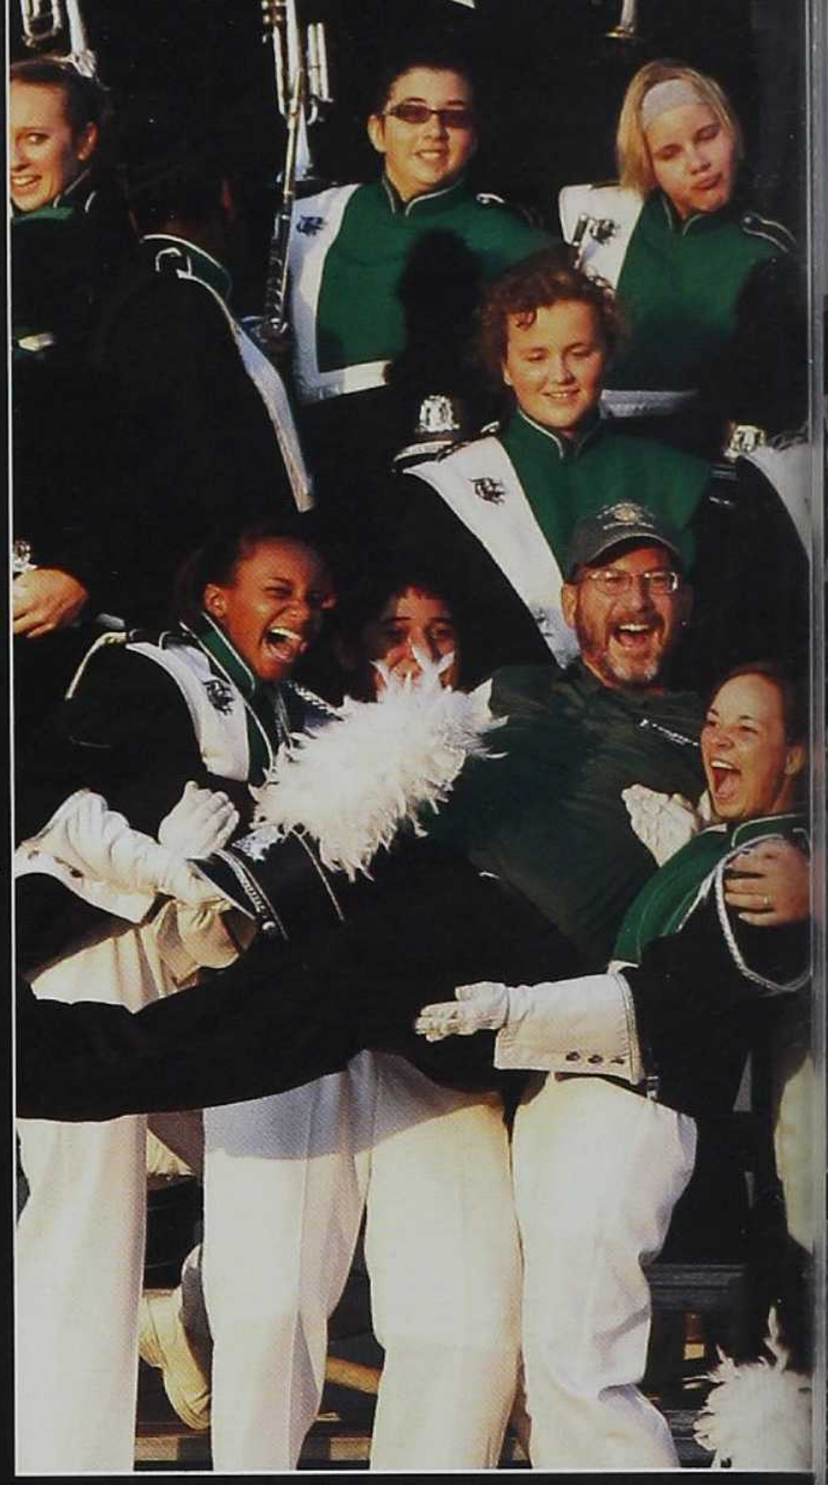
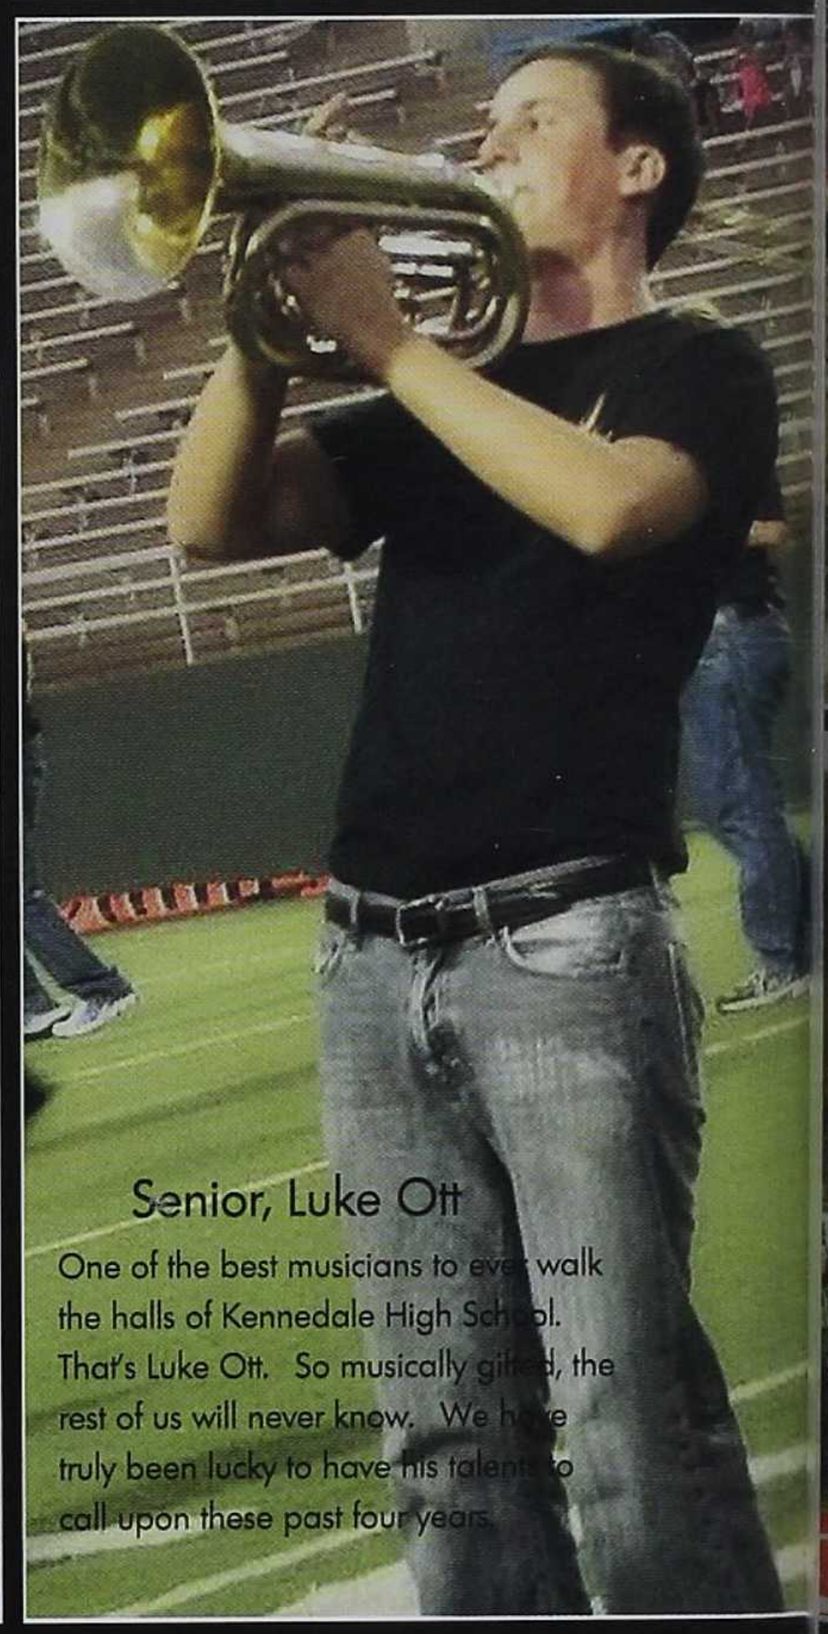
WE ARE INVOLVED



The Wildcat Band worked very hard to have a successful season. Concert band, under direction of Mr. Higginbotham, received a division two rating for their stage performance and a division one superior rating during sight reading. Symphonic band, led by Mr. Oktay, received the prestigious UIL Sweepstakes Award, receiving division one ratings from all judges at the contest. In the fall, the band's marching show, "Symphonic Sketches," helped the band defeat many 4A and 5A bands for several awards. At the Paluxy Marching Festival, drum majors Gio Macias, Brittany Haynes and Liza Lentz won the "Best Drum Majors in Class 3A" and the band won "Outstanding Band in Class 3A". The band placed 2nd out of 21 bands in Glen Rose and finished off their marching season with a first division rating at the Region 7 UIL Marching Contest. After a great marching and concert season, the band traveled to Disney World and marched in the Disney Parade down Main Street. What a great way to end such a fantastic year!



Senior, Luke Ott

One of the best musicians to ever walk the halls of Kennedale High School. That's Luke Ott. So musically gifted, the rest of us will never know. We have truly been lucky to have his talent to call upon these past four years.

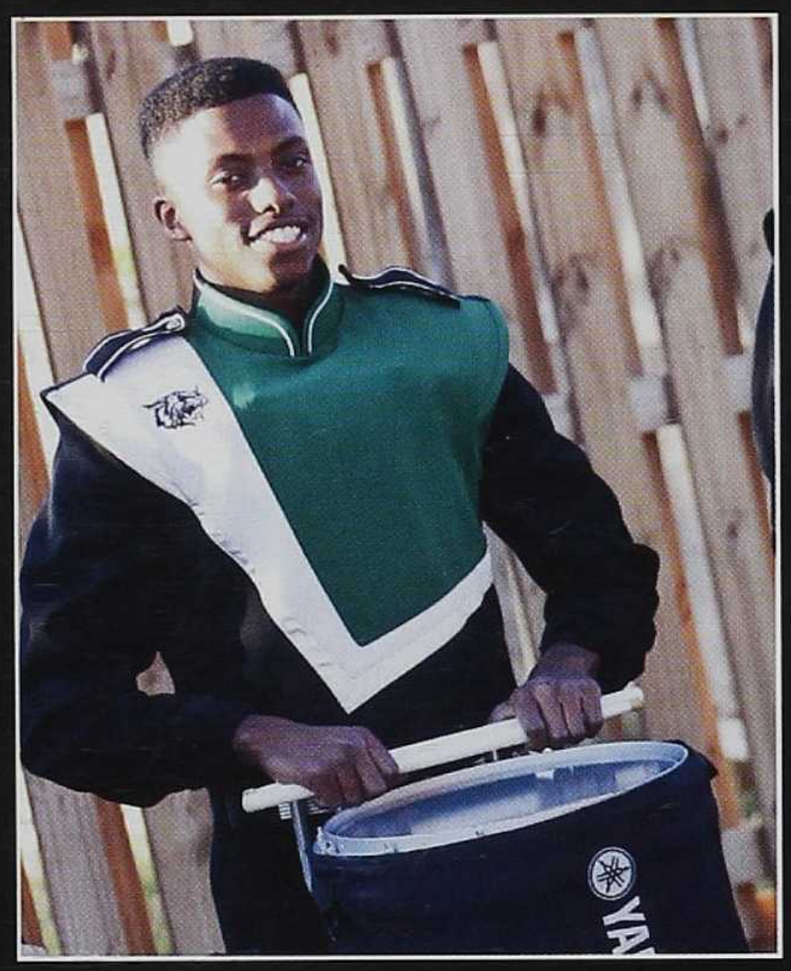
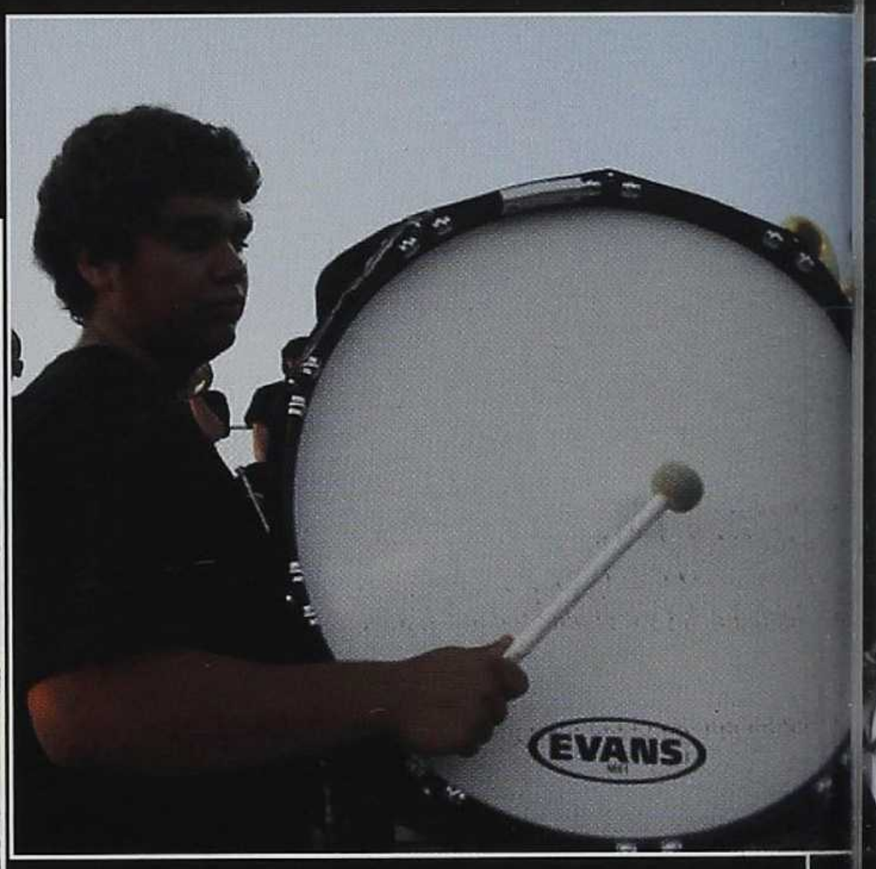
There were many new faces to the Wildcat drumline this year, including the director. However, they didn't miss a beat and continued to succeed on the field and in competition. By the end of the year it was hard to tell there were so many "rookies on the line". This group received many compliments from judges at the North Texas Drumline Contest. They also beat a large 5A drumline at competition and received a first division at UIL. This has been a very successful year for everyone in drumline and they are working towards accomplishing even more next year.





Lance Heilig- "You can't fake talent, and when it comes to natural talent and rhythm Lance is a textbook case. His energy and enthusiasm helped to lead the battery and keep the entire drumline in a good mood. He will be missed greatly next year."

Cody Arnold- "A front ensemble captain and an excellent all around percussionist. Cody has led by example with his playing and helped to make the front ensemble one of the strongest Kennedale has ever seen."

Color Guard is more than just intense hard work and competition. It's about friendships and each year these ladies are dedicated to all three on and off the field. They performed with the highest level of excellence along with the band at our football games and consistently brought the audience to their feet with a lot of cheers. Winter Guard continued the same work ethic, winning 3rd in their division and 3rd in class of 15 guards in class Regional 2A at the NTCA Winter Guard Championships. Congratulations to Color and Winter Guard for their successful dedication and commitment to dance, performance and music.

"Liza Lentz

has taken to guard like a fish to water. I don't see her ever not having guard in her life from now on. She has made this a special year. What an amazing young lady!"

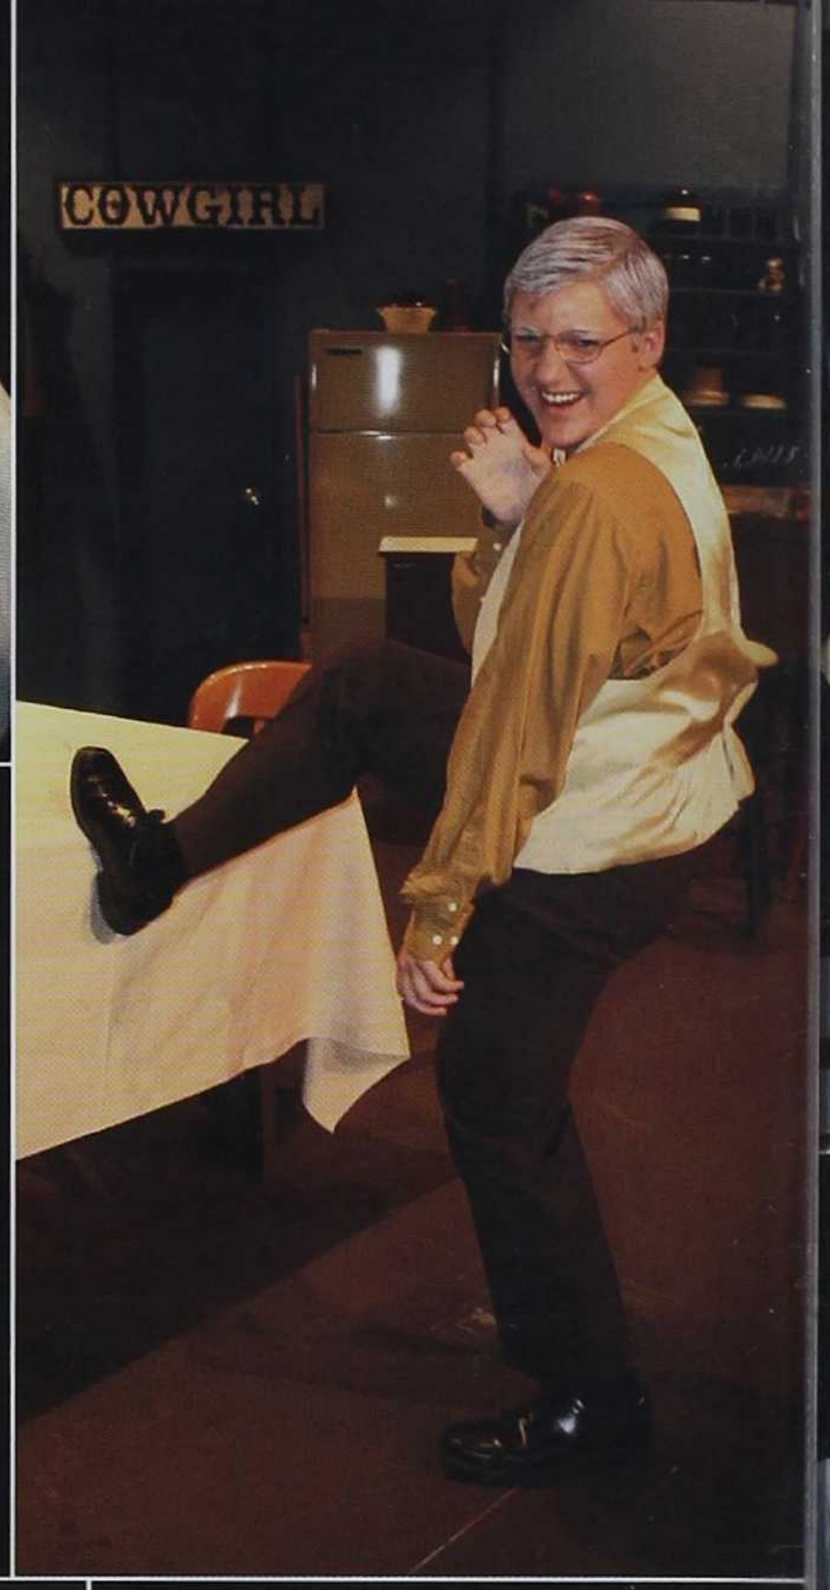
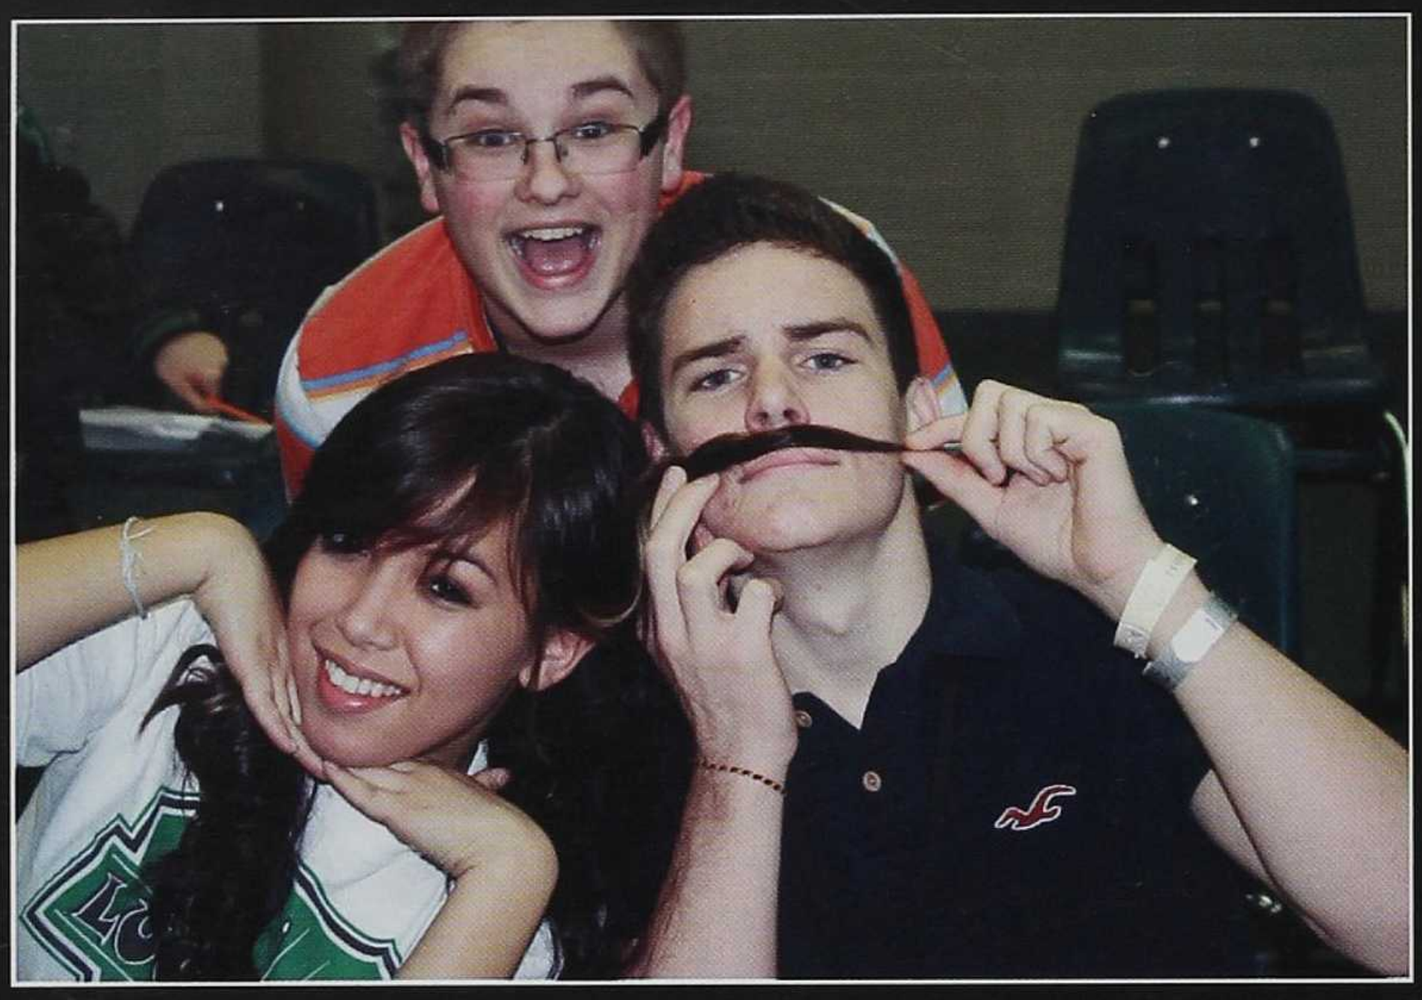
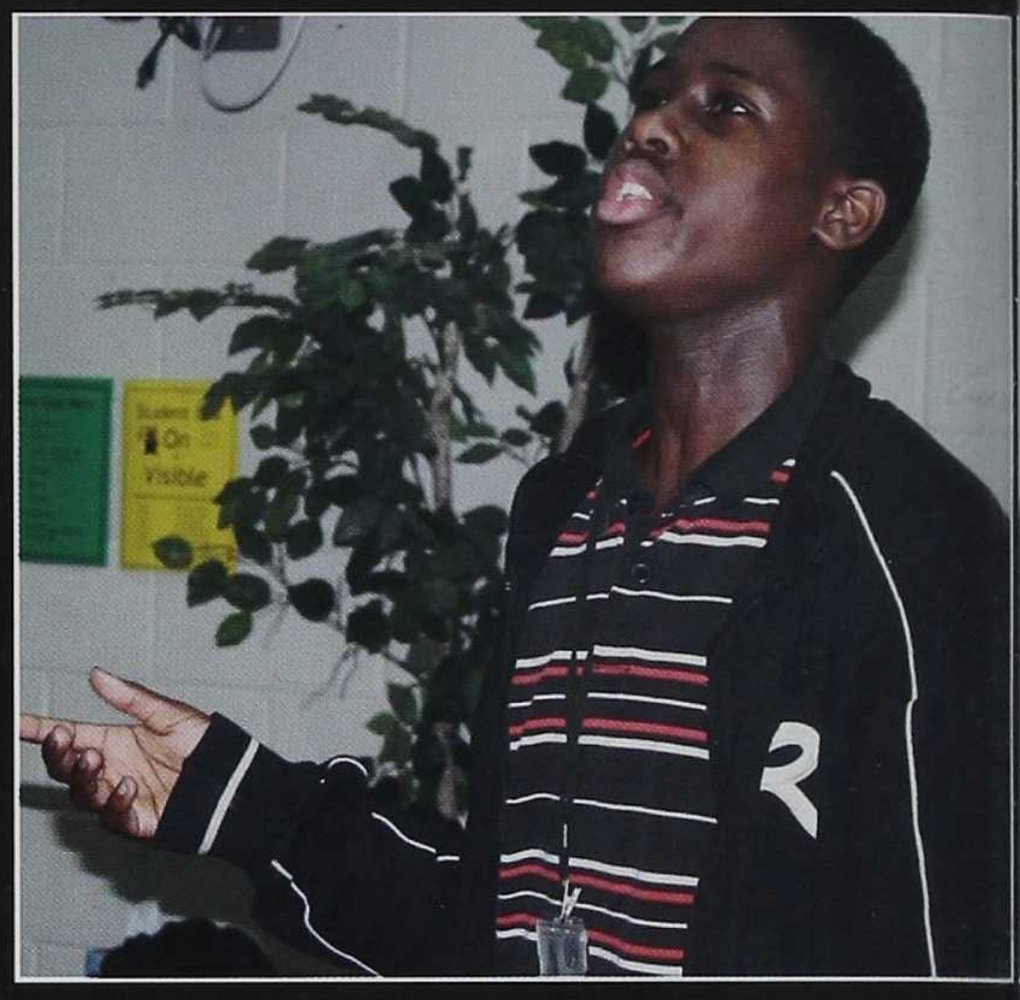
Once again, the Theatre Arts program has had another outstanding year. Our theatre students, both actors and technical, did their absolute best, and it really showed. Productions for the year included "The Crucible", "Bus Stop", and the musical "Hairspray". Each play brought something different to the stage that was able to capture and thoroughly entertain the audience. A special thanks is in order to Mr. Doug Parker and all of the students involved for a year to remember. We can't wait to see what this theatre program brings to the stage next year!



THEATRE





Choir is an organization of students who all have one major thing in common, they love to sing. This talented group of kids gets together every day with their favorite choir director, Mr. Schenck, to do what they love. Proud musician and choir VP Kasey Dearick says "When you walk through the door every day you are greeted with a smile and you have people who will love you, even if you mess up on a verse." President Bri Shoemaker says choir is "expressing who you are without holding back." And they didn't hold back when it came to competition. The KHS Choir is proud to boast 2 All-Region Choir members - Cayce Allen & Grant Malone as well as 4 All-State Soloists – Kailee Mitchell, Bri Shoemaker, Kyle Richardson and Blake Stroncek. In addition, the choir received Outstanding Choir at the Music Across Texas Festival and made Wildcat history by receiving a Superior rating in Sightreading at UIL. What an awesome year for a talented group of students doing what they love to do.

The Youth Advisory Council is a group of intensly interviewed students who recommend and help implement new ideas around the city of Kennedale. Mr. David Green, former Kennedale City Council Member, is the sponsor for the group and helps to train these young leaders weekly. One of their most recent ideas was the roundabout, being constructed at the intersection of Wildcat Way and Sublett Road. They also made public service announcement videos on how to use the roundabout. This group of young leaders are a great help to the community and they are making contributions that will be around for a while!

The KHS Leadership Class consists of students who were elected as Student Council officers, class officer (sophomores, juniors, and seniors), Key Club officers, Rotary Interact officers, and K.I.S.S. Club officers. Mrs. Wade has been the teacher for this class since the class was first offered in the 2007-2008 school year. Students learn about parliamentary procedure, how to run meetings, how to develop and use their leadership skills, along with preparing the weekly student newsletter and enjoying several guest speakers throughout the school year.

National Honor Society's job is to help anyone they can, including Cook's Children Hospital as well as the police and fire departments. They also send letters to our brave troops fighting in the war. Four-hundred-forty-three lives were touched from the NHS's annual blood drive, and 842 babies' lives were saved, thanks to the amazing blood donors! Benefits for these 57 hard workers are scholarships, red cords from the blood drive and having the honor of wearing a gold academic excellence cord for graduation.

The KHS Student Council had six female officers this year. The young women did a fantastic job of overseeing all the preparations for Homecoming Week, the annual food drive, and representing the entire student body when administration or other clubs/organizations requested input and support. KEY CLUB

Key Club is an international student-led organization which provides its members with opportunities to provide service, build character, and develop leadership. Key Club members give thousands of volunteer hours to the school and community. Recycling, beautification projects, holiday toy collection and visits to retirement homes are some of the many contributions these young people have made. Key Club is definitely building our future community leaders.

P.A.L. isn't just a group of students who share and help children who need a friend. P.A.L. is a group of people who work hard and come together by doing activities and practicing to help build trust among themselves, so they can become better mentors. Throughout the year these students are not only building positive relationships with the younger students in the district, they are also developing friendships that will last for a lifetime.

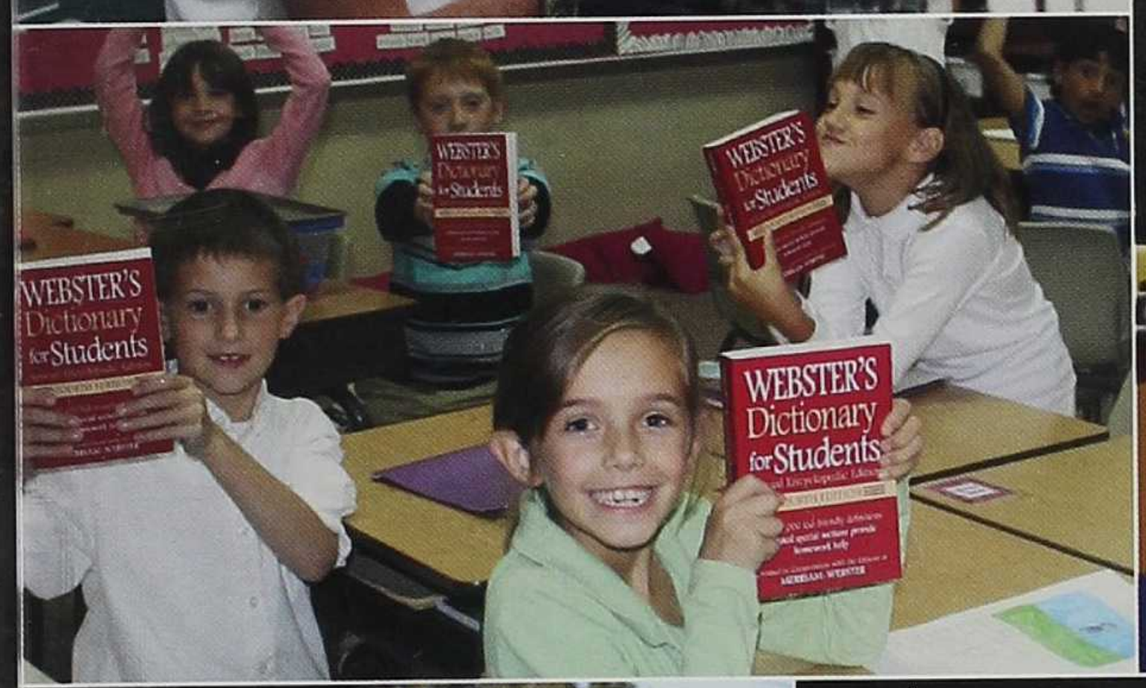
INTERACT



Each year, Interact clubs complete at least two community service projects, one of which furthers international understanding and goodwill. This year, Kennedale High School Interact and Kennedale Rotary Club raised enough money to once again donate dictionaries to the third graders at Delaney and Patterson. Also, the club held a successful coffee fundraiser with proceeds going towards a donation for an irrigation system in Africa. Members of Interact not only had a great year of developing friendships, but also learning the importance of helping others.

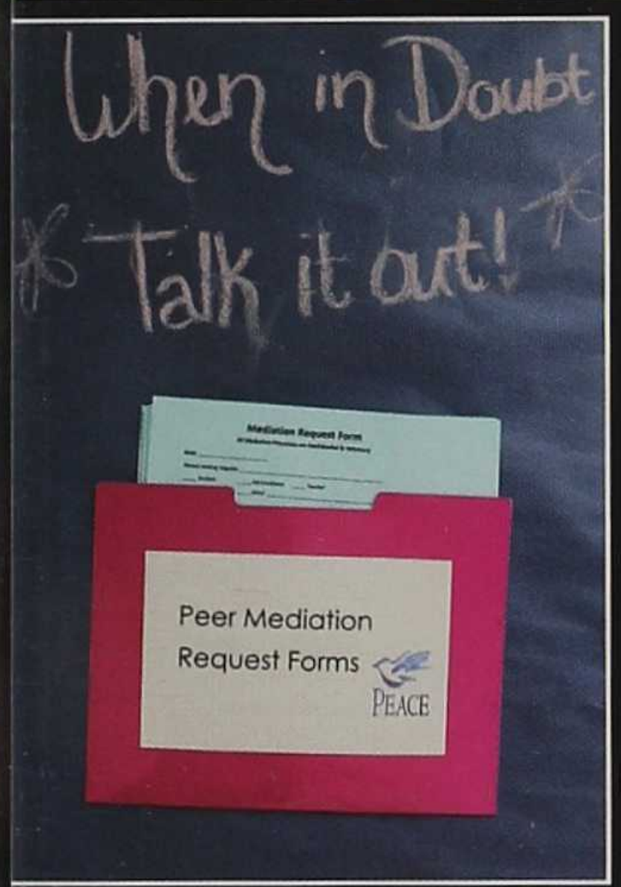
R.S.T stands for Ready, Set, Teach, a field-based internship program that prepares students to become future teachers. This was the first year this program was offered at Kennedale High School and it proved to be a rewarding experience for all involved. Students were taught to plan lessons, provide instruction and complete other responsibilities of classroom teachers. Four days a week, this group of select juniors and seniors traveled to their assigned school in the district to work with a mentor teacher and their students. These RST students gained valuable experience to help prepare them to be future teachers, possibly even here in Kennedale!

Teacher: Mrs. Nicole Barnes



Another addition to the KHS courses this year was Peer Mentoring & Mediation, a class that offers HOPE – Helping Other People Everyday. Students in this class were trained on how to effectively help people with the challenges they're facing. Through class instruction as well as off campus team-building, these students were prepared for the process. Peer Mediators follow a step-by-step process that helps students listen to each other and work to find a solution to their problems. These mentors are also paired up with other students that need assistance with school work. Peers helping peers is a win-win situation and based on the success of this class it will probably be around for a while.

F.C.A., or Fellowship of Christian Athletes, is an organization filled with students that want to share their love for God. They meet in the morning before school and are led by seniors Nicole Degen, Tia Angadicheril, Maddy Schwind and Daniella Ericson. They worship by singing praises, playing music and praying. Their love isn't restricted to just a meeting. It is shown throughout their social lives and that is what makes these students so respected.

B.P.A., also known as Business Professionals of America, has won awards in regional, state, and national conferences in business related events this year. With Mr. Matuni as the sponsor and its fifteen members, they are responsible for many of the exciting fundraisers that we love so much, such as the Valentine's love survey. The seriousness of the title "professional" doesn't keep them from having fun, they also have bake sales and discuss upcoming events in meetings. They are very sucessful young adults, and they are 'professionals' at representing KHS.

From District to State, the UIL Academics Team left a mark and put KHS in the record books. At District, they received 1st place Team awards for Current Issues, Computer Science and Literary Criticism. Plus, KHS received Overall District Runner-up. At Regionals, the Literary Criticism Team won 2nd Place and the Computer Science Team won 1st Place, advancing to State. Randall Ferree, Garrett Shimek, Theresa Dinh & Isabelle Erickson worked really hard and spent many countless hours outside of school. It paid off! The team came in 3rd, narrowly missing 2nd by 1 point. Congratulations to all the UIL students for their hard work and dedication to mastering the academic skills needed for this competition.

Club de Español not only helps its students, but also the rest of the student body. Every year they offer a scholarship to a senior. To raise funds this year, the club sold Homecoming and Valentine's Candy Grams, plus they held a car wash. Many delicious dishes and snacks were shared with club members and faculty at the Christmas and End of Year Fiestas. A trip to San Antonio in May rounded out the year full of spirit, fun and fellowship.

The Chess Club meets after school every Wednesday in Mr. Arnspiger's class until 3:30 testing their hand at chess. They get the fun oppurtunity to hang out with their friends to socialize while playing this game of strategy. Eventually, they will have the privlege to go to a chess tournament with other schools. But until then, they mostly choose to play just to have fun. These kids love to take a little time out of their lives to get together and play a game they all enjoy.

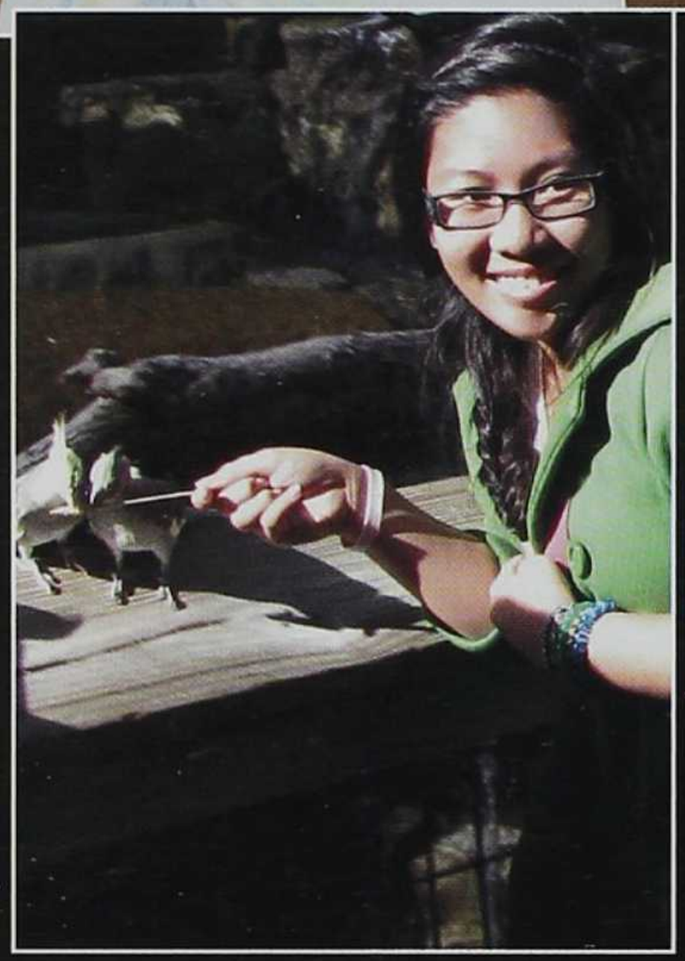
ART CLUB



The KHS Art Club is for a diverse crowd of people who enjoy helping out by expressing their creativity. This year the Art Club volunteered to paint pumpkins for the Chili Auction, assisted at Kennedale's Art In the Park and painted a mural on the baseball dugout. The club also hosted a face painting booth at the homecoming game to help raise money for future events. Besides all the hard work and time these students put into projects to help around the school, they also have a lot of fun visiting the Fort Worth Zoo and visiting different art museums throughout the school year.

This is the Anime Club's first year at Kennedale High School, and they already have about 22 active members. Club President Baylee Allen and the other members meet for an hour after school on Thursdays to share, learn and discuss this Japanese art form. Meetings sometime include fashion and games as well as art. They also have the unique opportunity to watch Anime movies and discuss the Japanese language, art and culture with their peers.

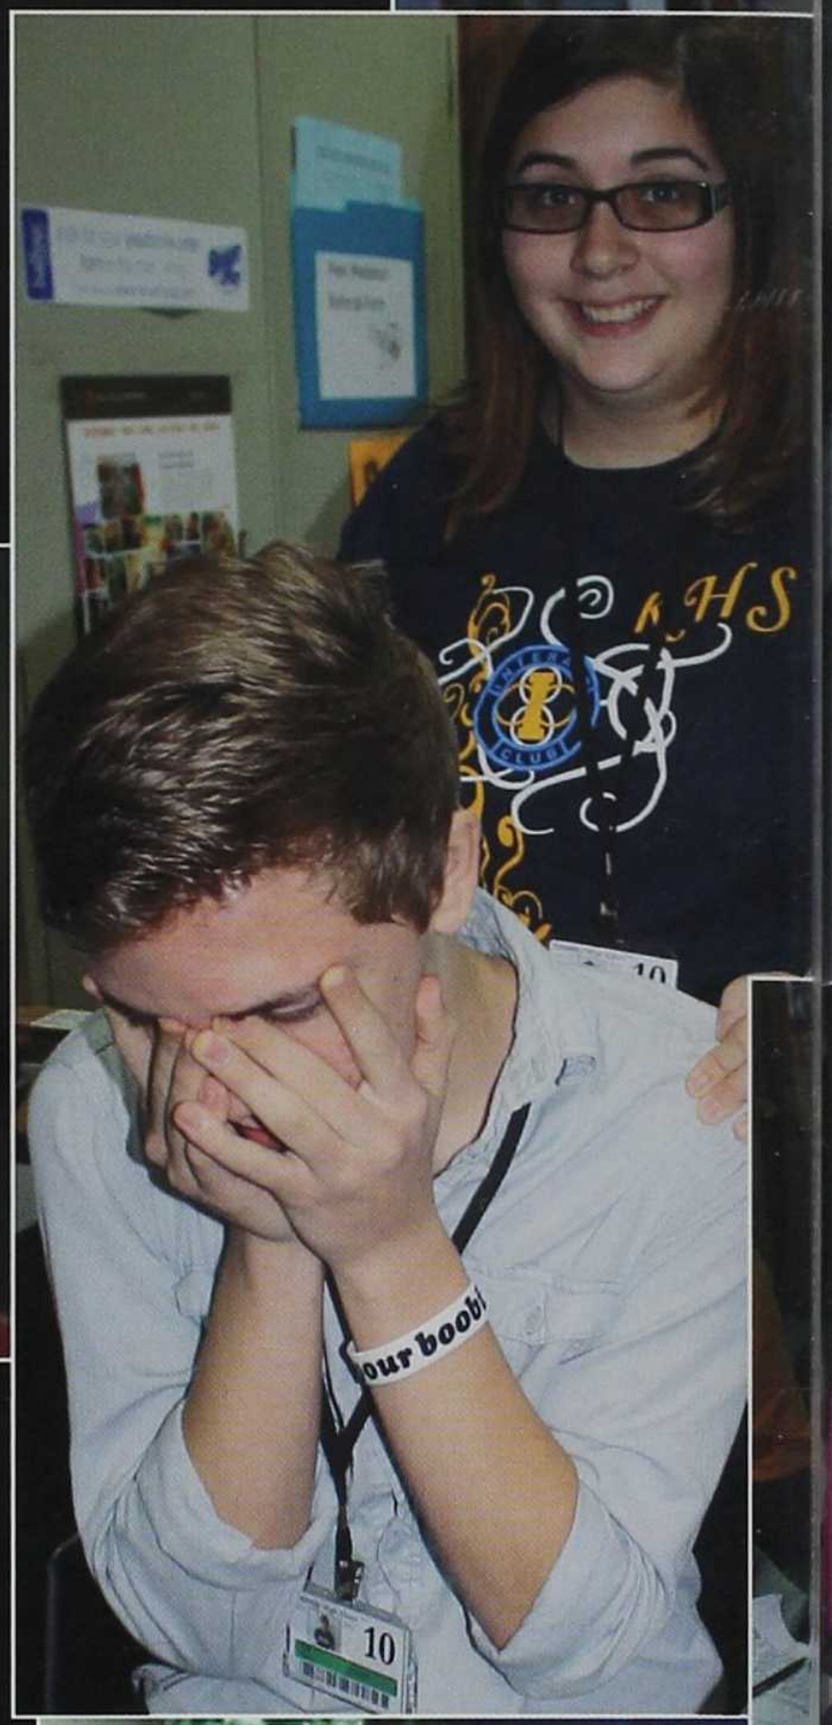
ANIME CLUB



Hectic, exhilarating, entertaining, fun. These are all words that describe our enthusiastic yearbook staff. As unique as everyone is, we all come together as we take pride in creating the best yearbook ever. These 22 hard-working students receive the great opportunity of designing a book that represents the student body and covers the events that have taken place throughout the year. And from selling ads to taking photographs, there is no down time for these kids. So, if you see these students don't forget to congratulate them on a job well done. As the theme goes, We are a family, We are the yearbook staff, and We are Kennedale. Way to go staff!

Manda,

Stay curious and kind. Never give up or let someone discount the person you were created to be. Stay on track and follow the direction God has set for your life. Remember Baby Craig, "Don't let anyone look down on you because you are young, but set an example for the believers in speech, in conduct, in love, in faith and purity." (1 Timothy 4:12) Love ya!, Sam

P.S. Learn how to make tea!

The 2012 Wildcat Track Yearbook, Volume 62, was printed by Balfour Publishing in Dallas, Texas. A total of 375 books were included in the press run for a fall 2012 delivery. The yearbooks were sold from $50 to $65. For an additional $6 each, book covers were personalized with names and logos. The 8.5" x 11" book contains 176 pages and was printed on 100 pound enamel paper.

The Wildcat Track was produced digitally using Balfour Studio Works and Adobe Photoshop CS5. The standard typestyle was Limerick and Limerick-Heavy. Additional fonts used were Cochise, Limerick X-light and Maximo.

GlamourCraft Studios of Fort Worth took all student portraits, athletic team pictures and organization pictures. GlamourCraft also took photos at homecoming and prom. All photographs were digitally captured.
